Meeting Goals

By the end of this meeting,

- I will revisit the charge of the Accountability Advisory Committee and understand its relationship to other education funding work
- Review and understand the updated implementation plan for this work

Meeting Agenda

- Welcome
- Recap previous meeting
- Connect the dots to other related work
- Review updated implementation plan
- Meaning-Making in small groups
- Closing

Meeting Minutes

- Welcome
- Facilitator recaps previous meeting and provides overview of meeting agenda
- Facilitator introduces Governor's Office staff
- Governor's Office staff shares updated work plan focused on: defining the advisory committee's scope; defining the work products of the advisory; defining the work plan to keep us on track to complete the work products
- Break into small groups to make meaning out this new information using these questions:
 - What feels clearer about the scope and plan for the group?
 - Where is additional clarity needed?
 - Additional comments and feedback
- Facilitator thanks the advisory committee and provides a survey for their feedback
- Closing
