TEST ADMINISTRATION

Domain Exemptions and Carried Domains in TIDE in 2024-25

Beginning in 2024-25, the Test Information Distribution Engine (TIDE) will check new domain exemptions on the English Language Proficiency Assessment (ELPA) Summative against domains that are being carried due to Honoring Student Proficiency on the HS ELPA Summative. If a new exemption would eliminate a student's last testable domain, TIDE will not allow the record to be saved. If there is a genuine need to exempt a student's last testable domain, please contact ODE.

Please contact Ben Wolcott, ELPA Specialist, with questions or concerns.

The Ninth Grade On-Track Review Window is currently open, but will close at the end of the day on **Friday, September 6**. Please report any students that became on track over the summer.

The purpose of the Ninth Grade On-Track Collection is to identify which students are on track to graduate at the end of their first year of high school.
