ODE Assessment Applications

On May 1, the New DTC Orientation webinar focused on managing summative test records in the Assessment Record Updating Application (ARUA) located in ODE's Central Login.

- Access the PowerPoint and recording soon on the [Test Administration Resources webpage](#)

Today we will focus on the remaining ODE assessment applications- the only source for official statewide summative assessment results.

- Accountability Warehouse Extract
- Secure Assessment Reports
- Achievement Data Insight

ODE Assessment Applications

The information in this webinar is designed to compliment the training the data owners present and the guidance found in the user guides. Our hope is that the information presented today will assist you with a starting point and next steps in accessing official assessment data.

See the resources slide near the end of this presentation for links to additional trainings and resources.

ODE Assessment Applications

What data is available in these applications?

Accountability Warehouse Extract (AWE)

- Download “Official” complete assessment records (with all fields) in a spreadsheet/table format, by resident and attending district/school
- 154 columns wide, [Assessment Reporting file format](#)
- *Preferred when looking for banked tests, importing in local systems, data analysis, etc.*

Secure Assessment Reports (SAR)

- “Official” pdf formatted reports: Individual Student Reports (ISR), Combined ISR, Class Roster, Class Summary, by resident and attending district/school

Achievement Data Insight (ADI)

- Assessment summary Validations by resident district/school
 - Student Performance: English Language Arts, Mathematics, Science Next Gen (participation and performance summary and details)
 - On-Track to English language proficiency

ODE Assessment Applications

When is the data available?

Test records load on the schedule found in the [AA Checklist](#) page 46

Example: Preliminary ELA and math records generally load in the Centralized Reporting System within ten business days of completing the CAT and PT.

- An additional business day is required to load in ODE’s Assessment Record Updating Application (ARUA)- 11 business days.
- And an additional business day (after loading in ARUA) to load in AWE and SAR- 12 business days.

ODE Assessment Applications

When is the data available? (cont.)

- Completed tests load based on the schedule in the [AA Checklist](#) (see previous slide)
- May 31- ELPA summative batch 4 (including Alt ELPA)
- June 4- Non-participation/virtual test records first created*
- June 7- ELPA summative (batch 4 honoring HS proficiency)
- June 28- Partial test records for science
- June 28- Extended assessments
- July 12- Partial test records for ELA and math

Temporary Closures for ARUA, AWE and SAR:

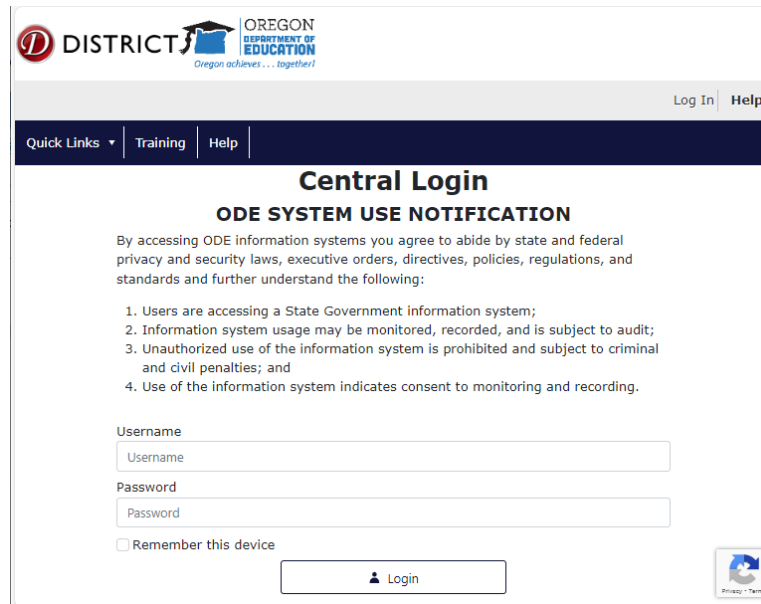

- 2023-24 tests not available 5/31 @5:00 pm- 6/4 @9:00 am; and 6/7 @5:00 pm- 6/11 @9:00 am

* Federal ESEA requires that tests be “administered to all public elementary school and secondary school students in the State” in required grades. (Title I Part A, sec. 1111(b)(2)(B)(II)). When processing begins in June, if a test record does not exist for a student who should have one, a virtual record will be created (if Third pd ADM is correct).

Note: If a student has (or will have) a virtual and valid test record (i.e. extended or partial test), the virtual record should disappear after the following weekend’s processing of records.

ODE Central Login

ODE assessment applications are located in the [ODE Central login application](#).

The screenshot shows the ODE Central Login application interface. At the top left, there is a logo for "DISTRICT" and "OREGON DEPARTMENT OF EDUCATION" with the tagline "Oregon achieves... together!". To the right of the logo, there are links for "Log In" and "Help". Below the logo, there is a navigation bar with "Quick Links", "Training", and "Help". The main heading is "Central Login". Below this, there is a section titled "ODE SYSTEM USE NOTIFICATION" with a paragraph of text and a list of four points. Below the notification, there are input fields for "Username" and "Password", and a checkbox for "Remember this device". A "Login" button is located at the bottom center, and a "Privacy Terms" link is at the bottom right.

2. Select the application from the Applications list. We will begin with the Accountability Warehouse Extract application

The screenshot shows the ODE Central Login application interface. At the top, there are logos for DISTRICT and OREGON DEPARTMENT OF EDUCATION. Below the logos, there are links for "Log In" and "Help". A navigation bar contains "Quick Links", "Training", and "Help". The main heading is "Central Login" followed by "ODE SYSTEM USE NOTIFICATION". A paragraph of text explains the notification, followed by a numbered list of four points regarding system access and monitoring. Below this, there are input fields for "Username" and "Password", a "Remember this device" checkbox, and a "Login" button. A small "Privacy Terms" icon is visible in the bottom right corner of the form area.

ODE Central Login

If you don't have access to the ODE Central Login, don't see the ODE application in your list, or forgot your Username, contact your District Security Administrator (DSA).

Look up who your DSA is here:

<https://district.ode.state.or.us/apps/login/searchSA.aspx>

Locate District Security Administrator

<small>Institution ID</small>	<small>District Name</small>
<input type="text" value="Enter Institution ID here"/>	<input type="text" value="Enter District Name here"/>

Enter your institution ID or your district name (not both). For district name, enter the name or any part of it. If you enter the name, enter only the district name (not the school name). Enter the information in only one of the areas provided.

Accountability Warehouse Extract (AWE)

The Accountability Warehouse Extract (AWE) allows schools/districts to download Oregon historical test data for students they have claimed, regardless of where the test was taken. It includes summative test results (general and alternate) for the following subjects:

- English language arts
- Mathematics
- Science
- English language proficiency assessment

Accountability Warehouse Extract (AWE)

For most districts and schools there are two tabs in the AWE application:

1. Assessment Bulk Extract (default tab)
 - One file for each subject/school year
 - Full extract- includes all records
 - ~~Incremental~~ includes records updated ~~since incremental date listed~~

To order files:

1. Expand a school year (click on black arrow)
2. Click on the checkbox for each subject/ year combination you want to order
3. Click Request Selected Downloads
4. A Secure file transfer will be sent via email for each subject /school year ordered (SFT expires in 7 calendar days)

(Regional Warehouse Extract tab is available only if the district is part of a Regional warehouse)

Subject	Incremental Date	Incremental	Full	Compare Standards
English Language Arts	5/10/2024	<input type="checkbox"/>	<input type="checkbox"/>	
English Language Proficiency Assessment	5/9/2024	<input type="checkbox"/>	<input type="checkbox"/>

Accountability Warehouse Extract (AWE)

2. Assessment Student Extract

- One file includes all subjects/school year (Unless the file size limit is exceeded, then by subject)

To order files:

1. Expand a school year (click on black arrow)
2. Click on the checkbox for each subject/year combination you want to order
3. Select Student search criteria (i.e. name, SSID, other attributes) or skip this step to request all students
4. Click Student Search to preview subject/year results based on your selections, and edit criteria if necessary
5. Click Request Extract
6. A Secure file transfer will be sent for each academic year ordered

The screenshot displays the AWE interface. On the left, a tree view under 'Academic Years' shows '2023-2024' expanded, with a 'Subject' list including 'English Language Arts', 'English Language Proficiency Assessment', 'Mathematics', and 'Next Gen Science'. A red arrow points to the '2023-2024' year, and another points to the 'Select' checkbox for 'English Language Arts'. On the right, the 'Select Student(s)' modal is open, showing search criteria like 'Range', 'School', 'Grade' (01-04), and 'SSID #'. At the bottom, there are dropdown menus for 'Gender', 'Race/Ethnicity', 'Student Attributes', 'Record Resolution Attributes', and 'Other Record Attributes'. A red box highlights the 'Student Search' and 'Request Extract' buttons at the bottom right.

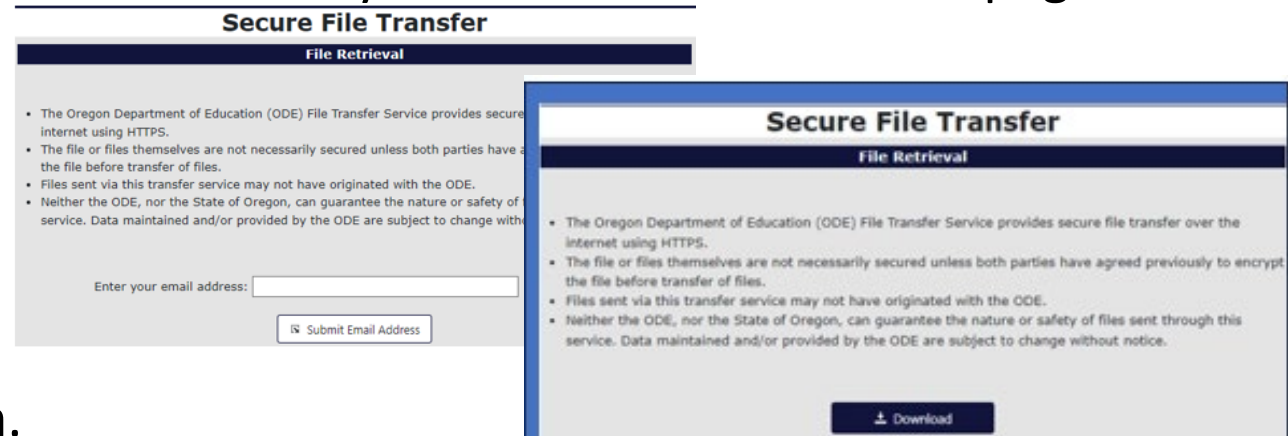

Accountability Warehouse Extract (AWE)

Retrieving your Extract

1. You will receive an email when your extract is ready for download.

2. Click the link provided in the email. This will take you to a secure download page.

3. Enter your email address and click on the Submit Email Address button.

4. Then click on the "Download" icon.

5. A zipped CSV file will download to your computer, open file.

Accountability Warehouse Extract (AWE)

Whose records can I see?

- Test scores for resident or attending students the school/district is associated with as reported on the current record in the SSID System, or Cumulative ADM.
- ODE uses a Formal and Inferred Registration System (FIRS) to determine which results will be included- including where the test was taken. Hard to find tests might include:
 - Banked scores for students who challenged up in a prior year and scored proficient, and in 2023-24 are reported as enrolled in grade 11
 - ❑ Filter on Test Year in column AC, and/or Test Date in column AD
 - ❑ If banked scores are missing, let your Assessment RESD Partner know right away
 - ELPA summative honoring high school proficiency
 - ❑ Filter on Rescore flag in column AQ

Accountability Warehouse Extract (AWE)

What fields are included?

- See the [Assessment Reporting file format](#) document for list of 154 columns
 - Student and institution information
 - Test identification specifics (subject, PADM ID, Test Type)
 - Administration and accommodation codes
 - All scores and performance levels related to the test including overall and score reporting category (SRC)/claim scores
 - Reporting flags
 - Details related to accountability reporting (participation and performance inclusion)

June 11 by 9:00 am files will include student group flags from Third pd ADM and other student collections (English Learner, Oregon Migrant Student Information System)

Secure Assessment Reports 2.0 (SAR)

[OAR 581-022-2270](#) Individual Student Assessment, Recordkeeping, and Reporting requires school districts to report student scores on all state and local assessments at least annually to parents or guardians for all students.

Only source for official and final assessment reports in pdf format

- Individual Student Report (ISR) or Combined ISR
 - ISR includes overall and claim scores with one subject per page
 - Combined ISRs contain multiple subjects & overall score only for each subject per page
 - NEW- Download files will be zipped with **one separate PDF file for each student report**
 - NEW- Asserted Name on ISR and Combined ISR- See [Using a Student's Asserted Name on Assessment Score Reports](#) guidance document for instructions
 - Available in both English or Spanish
- Class Roster
 - Generate a report with multiple students per page
 - NEW- Option to **hide SSID numbers and/or student names on Class Rosters** before printing them
 - Rosters from TIDE are not copied to the ODE System
- Class Summary
 - Generate a report with aggregated student data- school, grade, count, percent proficient, average scores, etc.
 - May include more students than are accountable

Secure File Transfer

File Retrieval

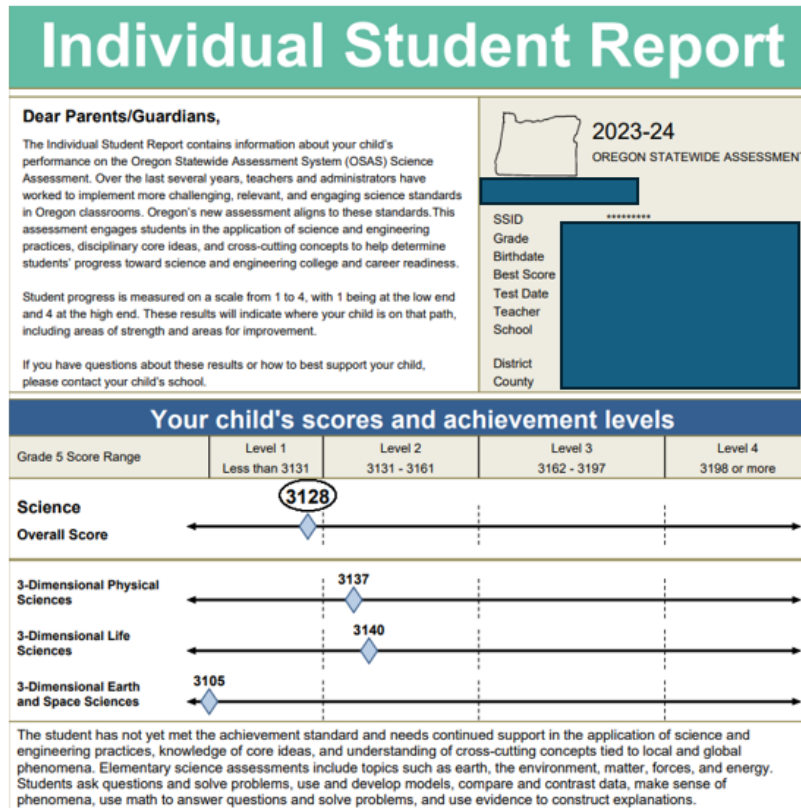

- The Oregon Department of Education (ODE) File Transfer Service provides secure file transfer over the internet using HTTPS.
- The file or files themselves are not necessarily secured unless both parties have agreed previously to encrypt the file before transfer of files.
- Files sent via this transfer service may not have originated with the ODE.
- Neither the ODE, nor the State of Oregon, can guarantee the nature or safety of files sent through this service. Data maintained and/or provided by the ODE are subject to change without notice.

Enter your email address:

7. Then click Download. Open and save the file in a safe location. Remember, the pdfs contain confidential student test scores and personally identifiable information.

Questions?

Achievement Data Insight (ADI)

ODE takes the data districts submit, performs calculations and displays the summaries in a format users can preview prior to the public release date. Some data are used for federal, state and ed facts reporting, and are shared as public record requests.

Achievement Data Insight is the application ODE uses to present a secure preview of unsuppressed validation summaries to districts and schools. There are 23 validations and two collections in ADI. Validation data in ADI cannot be edited directly in the application, changes are made to the source.

- The preview allows staff an opportunity to make necessary edits to the data source prior to the validation close date.
- Review the data and submit necessary changes prior to the validation close date.
- It is critical that summaries and individual student data are kept confidential and not shared publicly or with unauthorized district staff until the public release date (including no presentations at school board meetings)
- When sharing data, ensure that suppressed data is used and shared on or after the public release date, to ensure confidentiality is maintained

Achievement Data Insight (ADI)

Summaries

- **Preliminary** data have not completed the validation process and may change before publication
- **Embargoed** data are in final form, however, not yet published. Do not share embargoed data outside of authorized district staff until the public release date.
- **Refresh** of validation data is done on a schedule (usually weekly or bi-weekly) generally on Thursdays. Data in validations are not updated in real time
- **Aggregations** of the data may include counts, averages, medians or percentages
- **Disaggregations** are aggregations for specific subsets of student groups
- **Data Suppression** is used to reduce the risk of revealing private information about a student

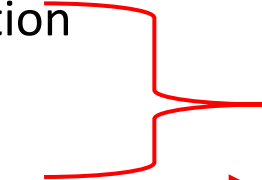

Achievement Data Insight (ADI)

Reminders

- District Security Administrators assign rights to Achievement Data Insight (ADI) application, and they must also assign rights to each individual validation or collection
- Be sure that Charter schools sponsored by your district have access to their data
- There is no accept or appeal button in the validations. Instead, when a user logs in the validation, a log is created and if no changes are made to the data source, ODE assumes your data are correct as entered.
- For a complete list of Validations and open and close dates for each see the ODE Validations home page <https://odedistrict.oregon.gov/CollectionsValidations/Validations/Pages/default.aspx>
- If you have never used the ADI application or would like a refresher, we encourage you to watch the Standalone ADI Training and review the PowerPoint located on the ADI page <https://odedistrict.oregon.gov/Applications/Pages/adi.aspx>

Achievement Data Insight (ADI)

Assessment related validations in ADI include:

- English Language Arts Student Performance Validation
 - Mathematics Student Performance Validation
 - Science Next Gen Student Performance Validation
 - On-Track to English language proficiency (OTELP)
- 
- open 6/13/24 - 8/23/24
- open 7/18/24 - 8/23/24

The student performance validations include summaries of Oregon's participation and performance rates.

- Validation data are generally updated on Thursday by 1:00 pm PT
- Test records are refreshed weekly through August, except for week of July 4
- The Public assessment group reports tab opens August 15-23
- **Last day for changes to test records and Third pd ADM is August 23**
- Final test results posted mid-September

Note: we will not review the business rules for the above validations in detail today. See resources slide for additional training and user guides.

RC Summary tab- shows counts and percents for participation and performance for students enrolled for a full academic year, and the ESSA performance denominator and percent.

- **Participation** counts and rates include students resident at the school/district on the first school day in May.
- **Performance** counts and rates are based on those students who are also full academic year in the school or district, except first-year English Learner students.

Detail tab- includes all students reported as resident and enrolled in your district/school on the first school day in May

AGR Summary tab- performance counts and percents are based on all students included in participation regardless of full academic year status, except first-year English Learner students. Will be used on school and district assessment group reports.

Achievement Data Insight (ADI)

Features

- Ask a Question- sends an email to the data owner inbox. Do not include student names, only include the SSID number when asking a question about a student
- Download Data- in CSV or Excel format. Be sure to save data in a secure location
 - If you need to share information, send it via [secure file transfer](#)
- Show/Hide Filters- allows filtering of the data you are viewing on your monitor
- Data as of date- cutoff for inclusion in the most recent refresh
- Click on a column heading to sort the data based on the column you click on

Quality Checking

1. Did all grades 3 – 8 and 11 students enrolled on **May 1, 2024** participate in the required assessments?
2. Did all the Oregon Extended Assessments get entered? Deadline is **June 14, 2024**
3. Are these my students? (Does Resident School = May 1 School?)
4. Am I missing students?
 - Review AWE records for accountability reporting flags
5. Are my Non-Participants accurate?
 - Log into AWE, Assessment Student Extract tab
 - Choose the year and subject (i.e., 2023-2024 English Language Arts)
 - Choose “Non-Participation” under Test Type
 - Open Record Resolution Attributes section, set desired Record Resolution Attribute to ‘Y’
 - Refer to Correcting Non-Participants document (on [Assessment Transactional page](#))

Quality Checking- ARUA

Errors and Administration Codes

1. Resolve all district and vendor errors in the ARUA application*
2. Enter all applicable administration codes in the ARUA application*
 - Home schooled, foreign exchange, or students resident or attending out of state (code = 6)
 - Home schooled student should be registered with an ESD.
 - Do not use this code to exclude regular students who did not take a class in the subject assessed.
 - Students with a medical emergency unable to test during the entire testing window (code = 9)
 - Students opted out of ELA or Math (code = X)
 - Partial/completed test records will be invalidated and count as non-participants
 - Virtual records count as non-participants
 - Students taking ELPA Summative but have an IEP to exclude specific domains
 - ELPA Summative tests are scored using responses to appropriate domains (see codes on next slide)

* Must login at the school district level, and the student must be reported as a resident of your school district.
