Science Instructional Materials Adoption: Next Steps for Districts

October 26, 2023
3:45PM (PT)

Facilitated by ODE's
Instructional Materials
Coordinator Aujalee
Moore

In this session,
participants will be
introduced to the 2023
Science Instructional
Materials Adoption list
and learn more about
the next steps for
district adoption.

Fostering the Vision of an Equitable 3D Science Teaching and Learning

December 12, 2023
3:45PM (PT)

Facilitated by ODE's
Science Education
Specialist Jamie
Rumage

In this session,
participants will gain an
understanding of the
vision of 3D science
teaching and learning,
explore equity-centered
resources, and develop
strategies to lead the
implementation of
science instruction
materials adoption.

Enhancing Opportunities for K-5 Science Instruction

January 17, 2023
3:45PM (PT)

Facilitated by ODE's
Science Education
Specialist Jamie
Rumage

In this session,
participants will explore
interdisciplinary
connections and
approaches to allow for
authentic integration of
multiple content areas
through phenomena
driven instruction within
localized contexts.
