Date: Friday, November 1, 2024

Good afternoon State Summer Learning Grant Recipients,

Please see the below announcement and reminder regarding the State Summer Learning Grant Final Report.

Announcement

→ **If your entity provided credit recovery programming for grades 9-12:**

It has been brought to our attention that there is an error on the **Grades 9-12 SSIDs** tab of the Final Report Form template. The **# of Credits Earned** column appears to round numbers entered to the nearest whole number.

Please note this is due to a formatting error and **partial credits (0.25, 1.5, etc.) are retained as entered**. Please do **NOT** round the number of credits earned to the nearest whole number.

Reminder

→ **Due November 15, 2024:**

! **Final Report Form**

! **Reimbursement Request Forms & EGMS Claims**

The Reimbursement Request and Final Report Form templates can be found on the [State Summer Learning Grants webpage](#).

If you have any questions, please let us know.

Thank you!
