ODHS-24-065-CBC – Provider Alert

Date: Oct. 21, 2024

To: All Assisted Living Providers
All Residential Care Providers

From: ODHS Office of Aging and People with Disabilities,
Safety, Oversight and Quality

Subject: Essential Trainings for Quality Measurement Data Reporting

Accurate quality measurement data is essential for maintaining high standards of care and meeting rule requirements. All assisted living and residential care facilities, including those with memory care endorsements, must report data annually, with 2024 data due by **Jan. 31, 2025**.*

To help facilities report accurately and efficiently, a series of training webinars will guide participants through the process and offer practical tips for accurate, timely submissions. Attendance is vital for facility administrators, nurses, and regional managers to ensure compliance with the reporting deadline.

Why Attend?

- Ensure **accurate data entry** and avoid common reporting errors.
- Learn the most **efficient data reporting** practices.
- Get **real time answers** to your questions about the reporting process.

Facilities should also review the 2024 QMP reporting aides on the [QMP Website](#):

- The 2024 QMP Provider Guide
- The 2024 QMP PowerPoint Presentation and Notes
- The 2024 QMP Data Collection Tool Screenshots
- The 2024 QMP Data Worksheet
- The 2024 CBC Staff Training Tracker

All training webinars are hosted on [Teams](#) using the meeting links
