OPI-M Resource Standards for an Individual

Year	Basic Daily Nursing Facility Rate	Resource Limit (Rounded)
July 1, 2023 – June 30, 2024	\$478.15	\$87,215.00
July 1, 2024 – June 30, 2025	\$518.22	\$94,523.00

*The resource limit is calculated using the basic statutory daily nursing facility rate as described in [OAR 411-070-0075\(1\)](#) multiplied by 30.4 (average days per month) multiplied by six (6) months. See the [Long-Term Care Rates](#) schedule to find the current basic daily nursing facility rate.

Note: At initial eligibility, the resources of the spouse (see [OAR 461-001-0000](#)) are considered, and the provisions of [OAR 461-160-0580\(2\)\(f\)\(A\)](#) apply. Staff determining OPI-M eligibility will utilize the [OPI-M resource assessment calculator](#) to accurately determine resources allowances.
