**EFFECTIVE JUNE 1, 2004**

**411-300-0100 Purpose**  
*(Effective 6/1/2004)*

Purpose. These rules establish the policy of and prescribe the standards and procedures for the provision of Children's Intensive In-Home Services (CIIS) for children in the Model Waiver for Children with Intense Behavior Needs. These Administrative Rules are established to ensure that CIIS augment and support independence, empowerment, dignity, and development of the child through the provision of flexible and efficient services to eligible families. CIIS are exclusively intended to allow a child who has a developmental disability and intense behaviors to have a permanent and stable familial relationship. The services provide the support necessary to enable the family to meet the needs of caring for a child who meets the eligibility criteria for CIIS. These services are intended to support, not supplant, families' natural supports and services.

*(Effective 12/28/2002)*

(1) Payment will be made after services are delivered as authorized by the service coordinator.

(2) Rates will be individually negotiated by the Department, based on the individual needs of the child, within the guidelines published by the Department.

(3) Authorization must be obtained prior to the delivery of any services for those services to be eligible for payment.

(4) Providers must request authorization for payment of services provided during an unforeseeable emergency on the first business day following the emergency service. The service coordinator will determine if the service is eligible for payment.

(5) The Department will make payment to the employee of the family on behalf of the parent. The Department will pay the employer's share of FICA and withhold the employee's share of FICA as a service to the family/employer.

(6) The delivery of authorized services shall occur so that any individual employee of the parent shall not exceed forty hours per work week. Services will not be authorized that require the payment of overtime, without written prior authorization by the supervisor of CIIS.

(7) The Department will not pay for any hours of service provided by an individual performing provider beyond 16 hours in any 24 hour period unless the hours are part of a 24-hour rate negotiated by the Department and there is evidence the child can be safely served with a 24-hour rate. Exceptions shall require written authorization by the supervisor of CIIS.

(8) Holidays are paid at the same rate as non-holidays.

(9) Travel time to reach the job site is not reimbursable.

(10) Requests for payments must be submitted to the Department within three (3) months of the delivery of services in order to be eligible for payment.

(11) Payment by the Department for CIIS shall be considered full payment for the services rendered under Title XIX or Title XXI. (12) Medicaid funds are the payor of last resort. The provider or billing provider shall bill all third party resources before Medicaid unless another arrangement is agreed upon by the Department in the Complete Plan of Care.
