

Truck Inspection Safety Notice

March 21, 2019

Subject: Placing Vehicles and/or Drivers OOS When Transporting Sensitive Commodities Including Livestock

Before inspecting vehicles/drivers transporting agricultural commodities or on behalf of a farmer, ensure that they are not otherwise exempt from inspection.

If you conduct an inspection resulting in a driver and/or vehicle OOS, further action is required on your part.

Refer to CVSA Operational Policy 5 which requires that Motor Carrier's be notified of a vehicle or driver OOS in specific situations.

Contact Information

Motor Carrier Enforcement — Contact your Regional Manager.

Law Enforcement and Safety — Contact ODOT/CCD management and provide the results of the inspection. (Contacts are listed in order of contact preference).
