OREGON GOVERNMENT
ETHICS COMMISSION

Dear Oregon Government Ethics Commission,

I am writing with a request for your consideration to waive the \$20 that the Client Account for OPRD (Oregon Parks and Recreation Department) currently shows due.

OPRD attempted to register as a client earlier this year in order to register myself as the agency director and my deputy director as lobbyists. After several phone calls and technical assistance, we were only able to create me as the client and never fully register my deputy as a lobbyist. I also had gone out and registered myself personally as a lobbyist, so that I was registered, which then meant that I now have two accounts, when I really only need one and for some reason cannot make the client account meet our agency reporting needs.

If you research my accounts, you will see that I did go in prior to the 15th and reported my activity for the quarter. To my surprise, on the 15th, I started receiving notices of my penalties for not reporting. I had no idea even of the user name and password for this client account that is serving no purpose. I will cancel that account now to avoid future confusion, but in the meantime, I am requesting your consideration to waive the \$20 in fees from my client account since I actually did report my activities under my individual account, which all activities are the same and occurred in my role as the Director here at OPRD.

Thanks for the consideration.

Lisa

Please waive the \$20 in penalty fees as we were having difficulty in logging into the account and resetting the password. We contacted the office on Friday but due to the time difference, we were not able to resolve by the end of the business day.

We have not been late in filing in the past and would greatly appreciate the consideration of waiving the penalty fees.

To whom it may concern,

My name is Ryan Day and I am the Director of Government Relations for the March of Dimes Foundation in Oregon. Recently, our long serving State Director in Oregon, Beth Joscelyn, retired. She was the individual who had been filing our quarterly reports to the election commission on behalf of the organization. In trying to cover decades worth of work to pass on to remaining staff, unfortunately this quarterly report was not communicated. Once we were aware of the report being late and located the login credentials we immediately filed the report. We have also updated all contact information so that this will not happen again. We hope that under the circumstances that the fine of \$90 for this late report can be waved. Please feel free to contact me with any questions or needed clarifications.

Good morning Julie and Adriana. In response to your email:

I have changed Ana to Adriana.

Do NOT cut a check for the penalty, wait until your request for mitigation goes to the Commission on August 25 and you will then receive a letter with their response.

As we discussed last week, she was not receiving email because the email address was entered wrong (typo) when you set up the account. I changed the email address for you and corrected the spelling so emails will now be received.

JUL 31 2017

OREGON GOVERNMENT
ETHICS COMMISSION

Kathy,

I officially retired from the Central School District on June 30. Unfortunately my mom became suddenly ill the end of May and I had to leave on a day's notice to be with her. She lived in Minnesota. She passed away in June. I returned to work the last two weeks of June to wrap some things up. Adriana Escobar was hired to replace my duties as Board and Superintendent Exec Assistant. In Adriana's position in June, a 190 day contract, she was already off her contract and on a preplanned family vacation. She was to begin her new position July 3rd. She and I never had the chance to review a lot of things, including the quarterly report to OGEC. I would note that she started this job with a brand new to Central and first time Superintendent, Jennifer Kubista. The first two weeks on the job were a whirlwind. Jennifer is an exciting hire for Central and was working closely with Adriana to get background as they both stepped into new roles in the district.

The tech dept forwarded my district emails to Adriana's email when I retired. She was immediately buried. Hind sight I think I should have just agreed to forward as needed for a while. But I have been buried in estate stuff with my mom's passing and next week heading back to Minnesota, because of this. A lot going on for me too. Adriana reports that she never saw notification emails from OGEC and because I contacted you folks to take me off, I never saw the notifications either in my emails. (Because part of my former job was as Tech Supervisor and the person assigned those duties now that I am retired is out with a double bi-pass, I have stepped back in to monitor my emails to help the tech dept.). Complicated details about the situation in Central.

Adriana has now completed the quarterly report. This is the letter of explanation about why the report was late. I also need to request you change the contact information in your records. It incorrectly is listed as Ana, instead of Adriana. Adriana will have a check out and sent as directed to her in the most recent communication

with OGE staff. I am hoping that she will be given a pass on the fine after review. A lot of things conspired to make her transition into a very demanding position pretty tough. And she has queried her emails and really doesn't see the notices from OGE. Would you please check the contact information and test that it is going through to her.

If you have other questions for me or Central, please advise.

Best wishes,

Julie Sassor

Dear commissioners,

We had some recent changes in management here at LCD so we had missed the required report filing and dues. The previous President, Jerry Jones Jr, was the only one who had filed this report and did not notify any of us of this task. Due to his sudden departure, we were not informed of this requirement. In previous deadlines, we have filed in a timely manner and met filing deadlines. Please consider excusing us from paying the late fees. Thank you in advance.

Best Regards,

To Whom It May Concern,

I am writing to request a waiver of penalty on behalf of the Oregon Rural Health Association (ORHA). ORHA did not file our second quarter reports until today, August 1, 2017.

ORHA has a part time staff member who recently retired. It was post retirement and pre hiring of our new person that the Q2 report was due. It was missed through oversight during this transition.

ORHA apologizes for the error and request that the penalties be waived.

I am happy to meet in person in necessary and to answer any additional question that you may have.

Thank you in advance

Dear Commissioners,

I am sorry I was late getting my Statement of Economic Interest to you. The reason I was late is that I entered the my email address wrong in my online account with the Oregon Ethics Commission so I never got any notices to alert me it was due. I have been on the Tillamook City Planning Commission ten years now and I have never been late getting my statement of Economic Interest to you. I also volunteer my time to be on the Planning Commission. I also want to thank Kathleen for taking the time to help me get my online account straightened out.

Thank you,

Subject: Possible waiver of penalties for delinquent statement of economic interest filing

Dear Commissioners,

I am appealing to you wo waive the penalties imposed upon me for failing to file my statement of economic interest on time. I was notified by phone Friday June 30th that I had not filed my form for 2017. I had completely lost track of the need to file this document as I had not received any reminder to do so. After further discussion on the phone, it was determined that the e-mail reminder was being sent to an e-mail address that I do not have access to. We were able change my e-mail address in OGEC's system to the correct e-mail address that I had filed the 2016 form from and will continue to use in the future. After a re-set of my password, I was able to enter the system yesterday (I was out of the area for the long weekend) and complete this year's filing. Other than the signing date, nothing changed between the 2016 filing and the 2017 filing.

Thank you for your consideration,

Regards,

Daniel Jesse

David,

Sorry for the delay in getting my filing done this year. I have attached the PDF of my filing completion to this email.

I don't check this mail account very often. I get all of my City Planning meetings through the City of Prineville website and Josh usually calls to verify attendance for these meetings.

I am asking to please wave my late fees of \$2,280.

Like we talked I have edited my account to get these emails sent to my personal email account.

Thank you,
Corey Engstrom

Subject: Statement of Economic Interest Receipt of Late Filing

Dear Corey A Engstrom:

Oregon law, pursuant to ORS 244.050, requires specified public officials who hold office on April 15 of each year to complete an Annual Verified Statement of Economic Interest (SEI) with the Oregon Government Ethics Commission (Commission). An email was sent to you on 3/15/2017 stating that your required report was due to be filed with the Commission no later than April 15, 2017. You were also reminded on 4/21/2017 that you had until no later than to submit your report without penalty.

Your late filing was received on 7/5/2017. Accordingly, you have accrued a penalty of \$2,280.00. Please remit the full amount by check or money order to the Oregon Government Ethics Commission at the above address by 8/4/2017.

If you choose, you may submit a letter of explanation to the Commission regarding the late filing. Your correspondence will be presented to the Commission for their review at the next Commission meeting. The Commission may elect at that time to waive some, all, or none of the penalty based upon your explanation and your prior filing history. You will be notified of what action the Commission has taken following the meeting. If you do submit a letter, please send it by mail to the address below, by fax to 503-373-1456, or by email to ogec.mail@oregon.gov.

Please remember to visit the Electronic Filing System at <http://apps.oregon.gov/OGEC/EFS/Home/SignIn> to update our profile if you have changes to your email address or other personal information. If you have any questions regarding this process, please contact the Oregon Government Ethics Commission office at 503-378-5105 or by email at ogec.mail@oregon.gov.

Please do not reply to this email as replies will not be delivered to the Commission.

Thank you,

Dear Commission,

I am sorry I was late in filing my Statement of Economic Interest. The Email address that was being used is an old Email address that is not checked. I was unaware of its use as all my correspondence for my position on the Oakridge Planning Commission was going to a different Email. I'm a single mom with 5 children at home and paying the \$600 penalty would be a significant hardship to my family. May I please have this fee waived.

Good Morning,

My name is Monty Elliott and I am on the Garibaldi Oregon City Council.

I am contacting you in regards to the fees accruing on my account. I did in fact register on the site, but was unaware there was more to fill out. I no longer use this email, so I was also unaware fees were still accruing after I believed I had completed the registration. I have completed the necessary filing and am requesting the curret fees and penalties be waived. Thank you for your understanding in this matter.

Monty – I got a message from David Hunter at OGEC and he said that you should log back into your OGEC account and refile your statement of economic interest. After that, you need to send OGEC an email asking that the penalties be waived and explain that you did make the attempt to submit your report; they have a process for that, but you'll need to discuss how that process works with them. All I know is that when I logged into the OGEC website shortly after I sent you that email in May, the "pending" icon was gone on the 30th. I know that because I logged into the site on the 30th to address an issue with Joe Grice's report and I noticed it had changed and I assumed that you must have completed your report. You can attach this email to the email you send to the OGEC when you ask to have the penalties waived. And you can tell them that you tried to address this as soon as I had brought it to your attention. Let me know if you have any more problems with this; thank you,

ETHICS COMMISSION

My name is Stan Kosmicki and I'm a newly elected councilman for the city of Lafayette. I didn't know the sei filings were due until David contacted me via phone and told me of the problem. I've had a major computer problem IE locked up hard drive and couldn't access anything. About all I can say is this public office stuff is all new to me and it won't happen again. I would like to have the fine waived if possible. Thank you for your time.
Sincerly Stan Kosmicki

Subject: Late SEI Filing

Dear Ethics Commission,

I am writing to apologize for the late filing of the State of Economic Interest which is required annually. I have successfully filed the form. Before the deadline, which I believe was April 15, 2017, I attempted to do the filing from my home computer multiple times, however, not successfully. I called the phone number for assistance twice, but received no phone call back. I fully understand the office was likely overwhelmed with phone calls. Unfortunately, I am battling cancer and my treatments caused me to lose track of the urgency of the filing. Therefore, because of health reasons, I respectfully request that any late filing penalty be waived. Thank you for your consideration.

Sincerely,

OREGON GOVERNMENT
ETHICS COMMISSION

I would like to explain why I did not make a timely filing, not that it is an excuse, only an explanation. I was confused as I had made one during my campaign and I thought I only had to do one a year.

Running for election, being elected and taking office has been overwhelming. Once elected I began the process of moving to Lakeview to begin the job.

Two weeks before taking office, my husband of 27 years died. I know that is not an excuse for not making the timely filing, but hopefully it gives you some insight as to the turmoil I have been going through since being elected.

Hopefully, you will reconsider the fine. I promise I understand now that I have to make these filings before April of every year.

Thank you in advance for your reconsideration.

OREGON GOVERNMENT

To Whom It May Concern:

I am writing this letter in response to late filling my Annual Verified Statement of Economic Interest (SEI). According to the Ethics Commission employee that contacted via phone on June 29, the only prior correspondence I received was via email. I did not receive any mailing or other phone calls to let me know that the statement of SEI was due by April 15, 2017. The email correspondence regarding the SEI was sent to an email address that I DO NOT use. I had zero idea the SEI was due because I didn't receive any other notifications. I DO NOT communicate by email and the email on file was an old business email that we no longer use, so again I had no idea I was in default until finally receiving a phone call on June 29. I run a very busy operation and do not sit in an office with a computer at any time to check emails, so therefore it is not a source of communication for me. I am sorry but only communicating via email alone and then fining someone nearly \$2000 for failing to submit an SEI they had no idea they had to complete for a volunteer position is excessive. If I was late in submitting an SEI, why did the Ethics Commission wait over 2 months to contact me via phone and amass a \$2000 fine? I hold a volunteer position on the Harney County Planning Commission and that is the reason for having to submit the SEI. This position is not one I hold for personal gain or accolades, it is a small committee that meets once a month. Again, I apologize for failing to submit the SEI on time but did not even realize I had missed the deadline.

Sincerely,

Wayne Evans

ETHICS COMMISSION

To Whom It May Concern,

I just received a message today that I had not submitted my State Ethics Commission form. I had been under the impression that it had already been filed. To make matters worse for myself, I did not have access to my city email address for which reminders to file the ethic form had been sent. All essential city email had been sent to my personal Yahoo account. A first chance this afternoon I was able to return the Ethics Commission phone call, reset my city email password, and submit my ethic form for the 2017 year. I have the usernames and passwords my city email account and SEI account saved in my records now.

This is the first time that I have not submitted my State Ethics Commission report on time. With the necessary accounts now in my records, I will not repeat this mistake again. My hope is that the state would lenient with my fines given my situation. My sincere apologizes for not abiding to the policy. Please advise how I should move forward with this matter.

Thank you,
John Bixler

To Whom it may concern,

I am writing to let you know the reason I didn't respond on time to filling out the SEI form was that I didn't understand how to fill it out or what it was for. This is my first time being on the city council. I can not afford the penalty fees and would like them waived. In the future I will ask for help in filling them out if I need help. Thank you for understanding.

Dear Sirs,

I am writing this letter to beg forgiveness in missing the filing deadline for my annual SEI filing.

My email address changed after I filed the annual report in 2016. I had mistakenly thought that I had updated my email address with OGE. This caused me to miss the filing deadline. It wasn't until I received a phone call from your office that I realized that I had not filed the SEI report that was due in April. The report was filed promptly upon notification. I will be sure to meet future deadlines.

I am asking that you consider waiving the late filing fees. I had no intention of not completing the SEI filing. This was totally an oversight on my part and I have not missed a filing deadline in the past. Please consider these reasons for granting a waiver of the fees.

Please let me know either via my e-mail address (garywso68@gmail.com) or via my phone number (541)936-2829 as to the status of the filing fees.

OREGON GOVERNMENT
ETHICS COMMISSION

Good Morning,

My name is Robert Harris, I am writing to you in regards to the penalties I've accrued in late fees for the filing. I am new to the Echo City Council and was unaware that this was needed. All at the same time I had left my previous place of employment where my email was on record for, so when I was emailed by David Hunter to that previous address it took some time before he was able to find me at the correct email. Once that was done with in that following days I had lost my 15 year old nephew and 14 year old niece to a car wreck in Idaho which took my attentions away from most things. I apologize for the inconvenience this has caused and ask for the fees to be waived. I thank you for your time in this matter.

Thank you,

Robert Harris

To Whom It May Concern:

I recently received a letter, and subsequently found I had been sent a number of e-mails, regarding my SEI filing that was due by April 17, 2017, but not filed until July 3, 2017, after receiving your letter.

I have been assessed a penalty of \$2,180.00. I am asking for abatement of all or at least a large portion of this penalty. I had two major surgeries last winter and spent very little time at my business which is where I get my mail and e-mails; I do not have internet access at my home. I can get my personal e-mails on my phone. If I could have your e-mails sent there, instead of having to go through your web site, this late filing might have been avoided.

I now have the date bookmarked so this should not happen again. I am a small business owner in an economically depressed area and this penalty would be a hardship for me. I have tried to follow my family's tradition of public service but will have to reconsider this in light of this type of penalty.

Sincerely,

Hi David,

Thank you for your reply. I just logged on and see the penalty is almost \$1,000. There is no way I can pay that. Is there any possibility of getting a one time forgiveness on all or part of this?

I literally just signed back into the account today and for the first time since the beginning of June and had no idea. I have been traveling and purposely do not have my city email on my phone as this seems to be bad practice.

Sincerely,

Acasia

July 19, 2017

I am writing to ask for forgiveness of fines I have accrued for not filing my 2017 Statement of Economic Interest in a timely manner. I will not let this happen again.

I apologize for this oversight and not having clarified my confusion. As a new Council Member I am on a steep learning curve and I have not kept up with all off the moving parts, emails, and reading materials. I am having trouble tracking email in the city email system and have intentionally not moved it to my phone where my personal and work email resides as I learn the nuances of public versus private life.

I received a notice to set up an account on February 7th and then a notice of cancellation later the same day. I received reminders to set up the account but wrongly dismissed as I had received the cancellation. On May 8 I received a notice that I would receive another email when the system was open to me. I did not carefully read the email past that point, wrongly deciding the important part was that I was to take action when the subsequent email arrived alerting me the system was open.

That email came June 16, two days after our last council meeting in June and the beginning of a several week stint of travel and house guests. I did not check my City of Mosier account again until July 5th, to find a series of notices of penalty.

I immediately contacted the office and got the information to set up the account and file the notice. The system shows a balance of \$950 in fines. This is an extreme hardship for me. I realize that had I more carefully read the emails I would have understood my responsibility. I am asking for a one-time forgiveness or reduction in fines.

Sincerely,
Acasia Berry

OREGON GOVERNMENT
ETHICS COMMISSION

To the Commissioner:

I just completed a call from your office regarding my filing the proper items as a member of Waldport Planning Commission. We did the filing during the phone conversation, but I was also informed that substantial penalties are assessed for late filing. I beg you to waive these penalties. I did not receive an email with the reminder that filing was due as my business partner and I dissolved the partnership in March 2017 and I am now a sole proprietor. She has changed the passwords on all the emails as well as merchant accounts and it's been a nightmare trying to run my business. I was beginning to feel that I had fixed everything until the call this morning reminded me that I had not sent the new e-mail address to you. I certainly cannot afford a \$3000 penalty and I certainly would have filed immediately if I had received the notice. Thank you for considering this request for abatement of the penalty.

David Hunter asked me to email you because he helped me fill out the Ethics Form over the phone and he told me to let you know that I had done so. He was very helpful .

My name is Ronald Aiken and I am asking that you wave any penalties that I my have incurred. The reason for this is as follow:

I was appointed to the Woodburn Planning Commission in October 2016. There was only one meeting between my appointment and the first of the year (2017). I did not receive the form in 2016. I was re-appointed on January 1, 2017, but again did not receive a form to fill out.

Sorry for the delay, I did not know about this until I received a call from your office. If you have any further questions you can reach me through the email address r93012@centurylink.net or 503-982-8219.

OREGON STATE BOARD OF FORESTRY
ETHICS COMMISSION

Dear Sirs and brothers,

I deeply apologize for filing my ethics report late, I have been experiencing problems receiving email regarding resetting my password to log into the web site, and was unaware of any fines for being late.

I volunteer my time as a Board member on the Oregon State Board of Forestry while working full time in my regular job that has me traveling throughout the United States and Canada.

Please except my apologies and I would appreciate it very much if you would waive the late fees for filing late.

In kind regards,

Michael G. Rose

RECEIVED
JUL 25 2017
OHIO BOARD OF GOVERNMENT
ETHICS COMMISSION

Dear Ethics Commission,

My apologies for forgetting the ethics submission, it was a terrible year for health for both my wife and I, but I herein certify that no changes from my submission of last year occurred, and that no action on the part of me as a Planning Commissioner benefitted any personal interest or that I gained any monetary or other benefit from my role as a Planning Commissioner for Coos Bay. In fact, it was a rather overwhelming year: my wife suffers greatly from Multiple Sclerosis and I have had several surgeries, including bladder and prostate, and have prostate cancer. I am the sole provider of care for my wife. I work only about ¼ time (approx.. 500 hrs./year) in psychiatric nursing. I am a senior citizen.

I have only a modest income from my work, retirement, and social security, and my wife is disabled on social security. We own a home and the property on which it sits, otherwise, we have no ownership of any other property, etc.

Thank you for consideration of this request to absolve me of any fines, levies, etc.

Sincerely,

John B. Peery RN
Planning Commissioner/Coos Bay

RECEIVED
JUL 25 2017
OREGON GOVERNMENT
ETHICS COMMISSION

Dear Members of the Oregon Government Ethics Commission,

I am submitting this letter of explanation and apology for my late filing of the required Annual Verified Statement of Economic Interest (SEI) for 2017.

I had filed the SEI previously as Superintendent of Centennial School District. On July 1, 2016 I became Superintendent of Multnomah ESD. Unfortunately, in the transition, my electronic account was not updated with my new email address. Therefore, reminders for this year's filing were sent to an inactive email address. While working to stabilize an agency that had been through several chaotic years, I failed to note the required filing date.

On July 25, 2017 I received an email from Kathy Daniel informing me that my filing was overdue and late charges had been accruing. She also helpfully granted me access to my account with the updated email address. Within one hour of receiving this notice, I completed my filing.

I take my responsibility as a public official very seriously. This late filing was simply an oversight and will not happen again. I humbly request that the commission waive the late filing penalty of \$3280.

Thank you for your consideration. Please let me know if you need any further information.

Sincerely,

Samuel G. Breyer

Please consider mitigation of fine.

I retired from Washington County on Dec 31, ²⁰¹⁷~~2016~~ and my last paycheck was stopped. Notice of filing was never received by me. Also as I did not hold that position in April 15, 2017 I appear I didn't need to file anyway.

As soon as Dave called me I filed anyway because of Wilsonville. Never received anything from them.

I had been filing only one form per year and therefore the Wilsonville request to file was an oversight.

Clearly nothing intentional and merely an oversight on my part.

Thank you for your consideration

Commissioners. Please consider mitigation of my fine, I retired from Washington County on the 1st of Jan, 2017 and my email was closed by the county. I never got the form or notices of filing. It wasn't sent to either Washington County or City of Wilsonville to my knowledge. When Dave called today I filed immediately. Basically it was a retirement and computer glitch that was an oversight on my part. Certainly was not intentional Thank you for your consideration. ETHICS COMMISSION**

Dear Ms. Daniel and Ethics Committee,

Due to a technical problem with my registration our organization and I did not receive my invitation to file until late June, and I was not properly registered until Mid-July. Thanks to the help of the Staff at the Oregon Ethics Committee I was able to get my account squared away and the proper documentation filed, but there have been fees and penalty's assessed to my account. If it wouldn't be too much to ask, please consider forgiving these penalties as this was my first time registering, and had the proper information been recorded and the technical error had not occurred, I am certain I would have been able to register and finish the requisite documentation in a more timely fashion.

Thank you for your kind consideration of these matters.

Sincerely,

Re: 2017 Statement of Economic Interest – Penalties & Sanctions

Dear Chair Golden & Commission Members:

I write this letter to ask that you waive any penalties associated with the late filing of my Statement of Economic Interest (SEI). I have served as a public official for almost 20 years and have filed my SEIs as required over that time. In September of 2016, I moved offices, which included changing my physical address, phone number and e-mail address. I attempted to notify anybody I could think of who might need to contact me but, given the annual nature of the SEI, I neglected to change my contact information with the OGEC and, thus, never received notification of the due date for the SEI and the move also disrupted my usual calendaring system. When I was contacted by Mr. Hunter on your staff, I immediately filed by SEI and updated my contact information.

I ask that you accept this explanation and waive any accrued penalties for the late filing of the SEI. If you need any information or have any questions, please do not hesitate to contact me.

Very truly yours,

William Kabeiseman

Re: 2017 SEI Penalty

Dear Mr. Wilson:

The written explanation of why your 2017 Statement of Economic Interest report was filed late has been received and will be submitted to the Oregon Government Ethics Commission (Commission) for consideration at a regular meeting. The next meeting will be held on Friday, August 25 2017 at 9:00 a.m. The Commission will consider the matter at that time and then waive all, some, or no part of the penalty based on the explanation. Commission meetings are open to the public and you are welcome to attend. The meeting will be held in the Morrow Crane Building at 3218 Pringle Road, SE, Room 220, Salem, Oregon 97302.

The due date for the \$3030 penalty will be extended to coincide with the August 25th meeting date. You will be notified of the outcome and will be given additional instructions regarding the penalty, if any, in writing after the meeting. You may feel free to contact this office if you have any questions concerning this matter.

Sincerely,

Commission Staff

Oregon Ethics Committee:

7/24/11

Please excuse me for not returning ethics form in April. I was never notified it was due or that you had sent me one. It went to my computer - which I no longer use - 2 years - . I had a problem last time & I explained that computer not used & any info requests needed to be mailed.

In addition when contact finally made, I was in the hospital in Bend, Or. It appears we have played phone tag since then. David finally contacted me & helped complete form.

I am requesting lateness be forgiven & any fees dropped.

Thank You
Tom K. Wilson

Subject: Request for Fine To Be Waived

RECEIVED
JUL 27 2017
OREGON COMMISSION
ETHICS COMMISSION

Dear Commission Members:

The OGEC staff was kind enough to alert me to a required report that was late and accumulating fines, and to talk me through the process to file the report today. I'm writing to request that the \$120 in fines that have accumulated due this late filing be waived.

On my final day in the Governor's office in June, the administrative staff helped to make sure all necessary reports, etc. had been filed, but this report somehow slipped through the cracks. Given that I had no expenditures or reimbursements of any sort as a lobbyist during the 2nd Quarter (or any time prior, for that matter), it didn't dawn on me that I had to file a report confirming zero activity.

I appreciate the Commission's clarification of my ability to lobby in the past session if the Governor had needed me to do so, but my work focused entirely on the development of a long-term budget projection for the state, from 2017 through 2025. The only time I spent in any meeting that could conceivably be thought of as lobbying was a one half hour meeting I had with Senator DeBoer to go over what the long-term budget projections looked like.

again, having not engaged in any significant lobbying activity, and having made no expenditures or reimbursements for lobbying, I did not keep in mind a need to report zero activity.

I appreciate your time, your consideration, and your work on behalf of our state. If I can provide any additional information, please let me know.

Thank you,
Peter Buckley

OREGON GOV. ETHICS COMMISSION

I spoke to David on the phone yesterday.

He reviewed my financial statement to be on the planning Commission over the phone.

I have been on the planning Commission several years. The financial papers used to come in the mail. It was never a problem.

Last year it was sent by computer. I have limited computer access and no computer skills at all. It was a problem.

This year same issue. He told me I have incurred a fee. I need to request you wave the fee. Please wave the fee! also please send the form in the mail next year.

Thank you

OFFICE OF GOVERNMENT
ETHICS COMMISSION

Dear Sirs

This letter is in regard to me not filing
a Statement of Economic interests on time.

I thought it had been filed. Also
on time. Until I was contacted by the
State that I hadn't.

I filed it on around July 5th again.

I was informed I had fines that were
adding up.

I am asking that the fines be suspended
as I have never had this happen before.

Thank you

Dear Sirs:

I do not have a working computer, hence I did not receive a form to fill out the Ethics Commission form.

Usually our City Administrator would help me, but her executive assistant passed away & a few things fell thru the cracks.

I ask you to waive the penalty fees due to these circumstances.

Cordially,

Subject: Filling fees

Hello, my name is Elaine Baucom, I live in Tillamook Oregon, I'm on the planning commission board, I didn't understand or get information about filing with the state to be on this board, I received a call from the City of Tillamook, I just registered over the phone, I understand there is late fees for me not registering, at this time I'm asking for them to be wavered, I apologize for being late and not understanding that I need to register on a yearly basis, I appreciate it if the fees candy wavered. Thank You, Elaine Baucom

Re: 2017 SEI Penalty

Dear Mr, Bosley:

The written explanation of why your 2017 Statement of Economic Interest report was filed late has been received and will be submitted to the Oregon Government Ethics Commission (Commission) for consideration at a regular meeting. The next meeting will be held on Friday, August 25 2017 at 9:00 a.m. The Commission will consider the matter at that time and then waive all, some, or no part of the penalty based on the explanation. Commission meetings are open to the public and you are welcome to attend. The meeting will be held in the Morrow Crane Building at 3218 Pringle Road, SE, Room 220, Salem, Oregon 97302.

The due date for the \$3630 penalty will be extended to coincide with the August 25th meeting date. You will be notified of the outcome and will be given additional instructions regarding the penalty, if any, in writing after the meeting. You may feel free to contact this office if you have any questions concerning this matter.

Sincerely,

Commission Staff

RECEIVED
AUG 02 2017
CITY OF COBURG
ETHICS COMMISSION

I was a member of the city of coburg planning commission for approximately 5 years. I resigned my position in May due to moving outside the commission's area of influence. I was not made aware of any paperwork or process that needed to be completed upon my resignation. I respectfully request that any financial penalty be waived. As a single father of 4, this would create a severe financial hardship. Thank you in advance.

Sincerely,
John Bosley
