

## 2025 DELTA PROGRAM - ACCEPTING APPLICATIONS

**Are you working to advance health equity in your organization or community?**

**Consider applying to the Developing Equity Leadership through Training and Action (DELTA) program.** DELTA is a professional leadership program that provides education, coaching, and consultation for leaders, program managers, community health advocates, policy makers, Tribal health leaders, and individuals working to eliminate health inequities across the health sector in Oregon.

Participants come from organizations across Oregon’s health sector including community health organizations, Hospital and health systems, federally qualified health centers (FQHCs), Coordinated Care Organizations (CCOs), Nine Federally Recognized Tribes of Oregon, Urban Indian Health Program, Local public health departments, and the Oregon Health Authority.
