Capital Project Qualitative Information

1. Provide a brief description of the project.

Replacing 5 X-ray machines and three fluoroscopy machines

2. Proposed start date: 1/30/2022

3. Date of approval by board: 12/8/2022

4. Expected completion date: 3/31/2024

5. What is the expected project cost? 6,045,314

6. Describe the expected benefits to the community that your facility serves. Include both direct financial benefits such as charity care as well as qualitative benefits such as access to care and quality improvements. Attach additional pages if needed.

This is a replacement of the old X-ray and three fluoroscope machines. The new ones will significantly improve quality and will avoid costly repairs and downtime of the machines.

7. In what ways may this project negatively impact the community that your facility serves? Include direct cost such as bonds as well as indirect impacts such as service interruptions. Attach additional pages if needed.

No, negative impacts are anticipated, and this project will not be funded with bond proceeds

8. How has your facility evaluated the need for this project within the community that you serve?

This is a replacement of a piece of equipment. Current volume supports replacement of this equipment

9. Are the medical services created by this project already available in the community that your facility serves?

This project is not creating new medical services, it is a replacement.
