Payers with cells highlighted in light blue have less than 5,000 covered across all markets or for one specific market (Medicaid, Medicare Advantage, Commercial). They would not be identified individually in any public reporting for the highlighted market(s) at the payer level. Their data will be reported in aggregate at the state and market level only.

*Commercial market includes the individual market and the small group market, both on and off exchange, the large group market, short-term plans, as well as student plans and associations, trusts, and MEWAs (multiple employer trusts).

Voluntary Reporters

At least 1,000 members across all lines of business

The following payers will be invited to voluntarily submit data to the Cost Growth Target Program. They include self-insured payers identified in the 2023 DCBS enrollment data as meeting the reporting threshold and payers solely providing Medicare Advantage plans with a covered lives count of less than 5 percent of the total Medicare Advantage market in Oregon.
