) Transaction ID: 028

This Order resolves the Notice of Material Change Transaction (the “Notice”) filed by Finding Home Healthcare, LLC (“Finding Home”) with respect to its proposed acquisition of NP2U, LLC (“NP2U”) (the “Transaction”). (Finding Home and NP2U are sometimes referred to collectively as the “Entities.”) The Entities filed the Notice with the Oregon Health Authority (“OHA”) under the Health Care Market Oversight Program pursuant to Oregon Revised Statutes (ORS) 415.500 through 415.900 and Oregon Administrative Rules (OAR) 409-070-0000 through 409-070-0085.

On August 23, 2024, OHA confirmed receipt of a complete Notice of Material Change Transaction in compliance with OAR 409-070-0030 and 0045. Pursuant to ORS 415.501(5) and OAR 409-070-0055, OHA timely conducted a preliminary review of the proposed transaction. OHA’s review analyzed the potential impact of the Transaction in four domains: cost, access, quality, and equity. The analysis followed guidelines and methods set out in the Health Care Market Oversight Analytic Framework (see <https://www.oregon.gov/oha/HPA/HP/HCMOPageDocs/OHA-HCMO-Analytic-Framework-FINAL.pdf>), which is grounded in the goals, standards, and criteria for transaction review and approval outlined in OAR 409-070-0000 through OAR 409-070-0085. OHA’s analysis is posted to the HCMO website at <https://www.oregon.gov/oha/HPA/HP/Pages/HCMO-transaction-notice-and-reviews.aspx>, and is incorporated herein by reference. A public comment period was open from August 23, 2024, to October 14, 2024. OHA received no public comments.

Now, therefore, upon due consideration of the circumstances, including the Notice of Material Change Transaction, documentation filed in support of the Notice of Material Change Transaction, databases maintained by OHA, websites of the Entities, press reports, academic research articles, and other publicly available reports, OHA enters the following Proposed Findings of Fact, Conclusions of Law, and Order.

1. The Notice is supported by the required documentation and meets the requirements of the Health Care Market Oversight Program rules for approval with respect to acquisitions of health care Entities pursuant to ORS 415.500 through 415.900 and OAR 409-070-0000 through 409-070-0085.
2. OHA finds that:

The transaction is unlikely to increase consolidation, decrease access, or increase costs in Oregon.

2. The Entities shall notify OHA within one (1) business day following completion of the Transaction by email to hcmo.info@oha.oregon.gov.

Per OAR 409-070-0080, OHA may require the Entities to provide any information, reports, analyses, and documentation needed to monitor and assess the impact of the Transaction.
