1. Subject: Pennant, 8/30/24

To whom it may concern,

You all blew it by allowing the allowing the intrusion of private-equity health care at the Corvallis Clinic!!!

Now, don't make things worse by allowing an extension of private equity "health care" in Lincoln County! Signature home health and hospice "care" is notoriously substandard here, especially compared with services offered by the non-profit organization that already exists!! It is time for you to stand up to the corrupting influence of corporate health care. Stop Pennant!!
