

4. In Response 13 in Appendix A, entities state that “Samaritan intends to offer employment to all or significantly all current employees of Santiam.” This sentiment is also reflected in Section 4.24 of the Agreement. Further, in Response 15, entities state that “Santiam’s 70 employed clinicians would join with Samaritan’s 438 employed clinicians and 113 resident physicians...” a. Please confirm the overall number of clinicians employed by Samaritan out of the figure provided in Response 11 of 656 total staff and 489 FTEs.

Answer: Response 11 provides the correct number of Santiam’s staff, not Samaritan’s, which are documented correctly in Response 15.
