A director who is present at a meeting of the Board or a committee of the Board when corporate action is taken is deemed to have assented to the action taken unless:

3.15.1 The director objects at the beginning of the meeting (or promptly upon the director's arrival) to holding it or transacting business at the meeting.

3.15.2 The director's dissent or abstention from the action taken is entered in the minutes of the meeting; or

3.16 Directors' Action Without a Meeting. Unless the articles of incorporation provide otherwise, any action required or permitted to be taken by the Board at a meeting may be taken without a meeting if all the directors take the action, each one signs a written consent describing the action taken, and the contents are filed with the records of the corporation. Action taken by consent is effective when the last director signs the consent unless the consent specifies a different effective date. A signed consent has the effect of a meeting vote and may be so described in any document.

3.17 Adjournment. A majority of the directors present, whether or not a quorum is present, may adjourn any Board meeting to another time and place. Notice of the time and place of holding an adjourned meeting need not be given to absent directors if the time and place is fixed at the meeting adjourned, except as provided in the next sentence. If the meeting is adjourned for more than twenty-four (24) hours, notice of any adjournment to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

The Board may go into executive session following a request by any director in attendance at the meeting, once approved by the Chair, or by a vote of a majority of the directors in attendance at the meeting. Only members of the Board and those by special invitation of the Board shall be in attendance during an executive session.

INDEMNIFICATION

8.1 Nonderivative Actions. Subject to the provisions of Sections 8.3 and

8.5, the corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (including all appeals) (other than an action by or in the right of the corporation), by reason of or arising from the fact that the person is or was a trustee, director, officer, employee or agent (including an attorney); is or was serving at its request as a member of a committee; or is or was serving at the request of the corporation as a director, officer, employee, agent, partner, or trustee of another domestic or foreign corporation, a partnership, a joint venture, a trust, an employee benefit plan or another enterprise (all of which capabilities are hereafter in this Article VIII referred to as "director") and the person's heirs, legal representatives, estates and conservators, against reasonable expenses, including attorney's fees, judgments, fines, penalties, excise taxes assessed with respect to any employee benefit plan and amounts paid in settlement (herein collectively called "Expenses") actually and reasonably incurred by the person in connection with the action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, did not know at the time the conduct occurred that the conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner the person reasonably believed to be in or not opposed to the best interest of the corporation or, with respect to any criminal action or proceeding, that the person knew that the conduct was unlawful at the time the conduct occurred.

8.2 Derivative Actions. Subject to the provisions of Sections 8.3 and 8.5, the corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit (including all appeals) by or in the right of the corporation to procure a judgment in its favor by reason of or arising from the fact that the person is or was a director, and the person's heirs, legal representatives, estates and conservators against expenses actually and reasonably incurred in connection with the defense or settlement of the action or suit, if the person acted in good faith, and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication or liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

8.3 Determination of Right to Indemnification in Certain Cases. Subject to the provisions of Sections 8.4 and 8.5, indemnification under Sections 8.1 and 8.2 shall not be made by the corporation unless it is expressly determined that indemnification of the person who is or was a director is proper in the circumstance because the person has met the applicable standard of conduct set forth in Sections 8.1 or 8.2. That determination may be made by any or all of the following:

8.3.1. By the Board by majority vote of a quorum consisting of directors who are not or were not parties to the action, suit or proceeding.

8.3.2. If a quorum cannot be obtained under paragraph 8.3.1 of this subsection, by majority vote of a committee designated by the Board consisting solely of two or more directors not then, or reasonably likely to be, parties to the proceeding (directors who are parties to the proceeding may participate in designation of the committee).

8.3.3. By independent legal counsel selected by the Board or its committee in the manner prescribed in 8.3.1 or 8.3.2 in a written opinion or, if a quorum of the Board cannot be obtained under 8.3.1 and a committee cannot be designated under 8.3.2, the independent legal counsel shall be selected by majority vote of the full Board, including directors who are then or reasonably likely to be parties to the proceeding.

8.3.4. By a court of competent jurisdiction.

8.4 Successful Defense. Notwithstanding any other provision of Sections 8.1, 8.2 or 8.3, but subject to the provisions of Section 8.5, to the extent a person has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 8.1 or 8.2, or in defense of any claim, issue, or matter therein, that person shall be indemnified against expenses actually and reasonably incurred by such person in connection therewith.

8.5 Condition Precedent to Indemnification Under Sections 8.1 or 8.2. Any person who desires to receive the benefits otherwise conferred by Sections 8.1 or 8.2 shall promptly notify the corporation that the person has been named a defendant to an action, suit or proceeding of a type referred to in Sections 8.1 or 8.2 and intends to rely upon the right of indemnification described in Sections 8.1 or 8.2. The notice shall be in writing and mailed, by registered or certified mail, to the Chairperson of the corporation, or in the event the notice is from the Chairperson to the registered agent of the corporation. Failure to give the notice shall entitle those persons in Section 8.3.1 or 8.3.4 to make a determination that such a failure was prejudicial to the corporation and that the right to indemnification referred to in Sections 8.1, 8.2 or 8.4 shall be denied in its entirety or reduced in amount.

8.6 Advances for Expenses. A person who is the subject of an action, suit or proceeding referred to in Sections 8.1 or 8.2 shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding for expenses, including attorney's fees, incurred in defending the action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such expenses if it shall ultimately be determined that the person is not entitled to be indemnified by the corporation and a written affirmation of the person's good faith belief that such person has met the applicable standard of conduct. The undertaking must be a general personal obligation of the party receiving the advances but need not be secured and may be accepted without reference to financial ability to make payment.

8.7 Insurance. The corporation shall purchase and maintain insurance on behalf of any person who is or was a director or officer against any liability asserted against and incurred by that person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify that person against such liability under the provisions of this Article or under the Oregon Nonprofit Corporation Act.

8.8 Purpose. The indemnification referred to in this Article shall be deemed to be in addition to and not in lieu of any other rights to which those indemnified may be entitled under any statute, rule of law or equity, agreement, vote of the members or Board or otherwise. The corporation is authorized to enter into agreements of indemnification. The purpose of this Article is to augment the provisions of the Oregon Nonprofit Corporation Act dealing with indemnification.

8.9 Separability. If in any judicial proceeding a court should find that a provision of this Article is unenforceable, such unenforceable provision shall be deemed eliminated from the provisions of this Article for the purposes of such proceeding to the extent necessary to permit the remaining provisions to be enforced in such proceeding; and, in addition, any provision found by any such court to be unenforceable in part may be limited by such court to the extent necessary to permit its enforcement.

ARTICLE X

CONFLICT OF INTEREST

10.1 Purpose. The purpose of this conflict-of-interest policy is to protect the corporation's interest when it is contemplating entering into a transaction or arrangement

that might benefit the private interest of an officer or director of the corporation. This policy is intended to supplement but not replace ORS 65.361 governing conflicts of interest applicable to nonprofit and charitable corporations.

10.2 Definitions.

10.2.1 Interested Person. Any director, principal officer, or member of a committee with board delegated powers who has a direct or indirect financial interest, as defined below, is an interested person. If a person is an interested person with respect to any entity in the health care system of which the corporation is a part, he or she is an interested person with respect to all entities in the health care system.

10.2.2 Financial Interest. A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

10.2.2.1 An ownership or investment interest in any entity with which the corporation has a transaction or arrangement, or

10.2.2.2 A compensation arrangement with the corporation or with any entity or individual with which the corporation has a transaction or arrangement, or

10.2.2.3 A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the corporation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.

A financial interest is not necessarily a conflict of interest under Section 10.3.2. A person who has a financial interest may have a conflict of interest only if the appropriate board or committee decides that a conflict of interest exists.

10.3 Procedures.

10.3.1 Duty to Disclose. In connection with any actual or possible conflict of interest, an interested person must timely and fully disclose the existence of his or her financial interest and must be given the opportunity to disclose all material facts to the directors and members of committees with board delegated powers considering the proposed transaction or arrangement.

10.3.2 Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

10.3.3 Procedures for Addressing the Conflict of Interest.

10.3.3.1 An interested person may make a presentation at the Board or committee meeting, but after such presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the conflict of interest.

10.3.3.2 The Chairperson of the Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

10.3.3.3 After exercising due diligence, the Board or committee shall determine whether the corporation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.

10.3.3.4 If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the corporation's best interest and for its own benefit and whether the transaction is fair and reasonable to the corporation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

10.3.4 Violations of the Conflict-of-Interest Policy.

10.3.4.1 If the Board or committee has reasonable cause to believe that a member has failed to timely and/or fully disclose an actual or possible conflict of interest or has breached a fiduciary duty, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose or breach.

10.3.4.2 If, after hearing the response of the member and making such further investigation as may be warranted in the circumstances, the Board or committee determines that the member has in fact failed to timely and fully disclose an actual or possible conflict of interest or has breached a fiduciary duty, it shall take appropriate disciplinary and corrective action.

10.4 Records of Proceedings. The minutes of the Board and all committees with Board-delegated powers shall contain:

10.4.1 The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.

10.4.2 The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

10.5 Compensation Committees

10.5.1 A voting member of the Board who receives compensation, directly or indirectly, from the corporation for services is precluded from voting on matters pertaining to that member's compensation.

10.5.2 A physician who is a voting member of the Board and receives compensation, directly or indirectly, from the corporation for services is precluded from discussing and voting on matters pertaining to that member's and other physicians' compensation. No physician or physician director, either individually or collectively, is prohibited from providing information to the Board regarding physician compensation.

10.5.3 A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the corporation for services is precluded from voting on matters pertaining to that member's compensation.

10.5.4 Physicians who receive compensation, directly or indirectly, from the corporation, whether as employees or independent contractors, are precluded from membership on any committee whose jurisdiction includes compensation matters. No physician, either individually or collectively, is prohibited from providing information to any committee regarding physician compensation.

10.6 Annual Statements. Each director, principal officer, and member of a committee with Board-delegated powers shall annually sign a statement which affirms that such person has:

10.6.1 Received a copy of the conflict-of-interest policy

10.6.2 Read and understands the policy,

10.6.3 Agreed to comply with the policy, and

10.6.4 Understands that the corporation is a charitable organization and that in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

10.7 Periodic Reviews. To ensure that the corporation operates in a manner consistent with its charitable purposes and that it does not engage in activities that could

jeopardize its status as an organization exempt from federal income tax, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

10.7.1 Whether compensation arrangements and benefits are reasonable and are the result of arm's-length bargaining.

10.7.2 Whether acquisitions of physician practices and other provider services result in inurement or impermissible private benefit.

10.7.3 Whether partnership or joint venture arrangements and arrangements with management service organizations and physician hospital organizations conform to written policies, are properly recorded, reflect reasonable payments for goods and services, further the corporation's charitable purposes and do not result in inurement or impermissible private benefit.

10.7.4 Whether agreements to provide health care and agreements with other health care providers, employees, and third-party payors further the corporation's charitable purposes and do not result in inurement or impermissible private benefit.

10.8 Use of Outside Experts. In conducting the periodic reviews provided for In Section 10.7, the corporation may, but need not, use outside advisors. If outside experts are used their use shall not relieve the Board of its responsibility for ensuring that periodic reviews are conducted.

10.9 Confidentiality. Each director has a fiduciary duty to the Corporation to keep all discussions at Board meetings confidential and agrees not to disclose any such discussions without the prior written consent of the Board.

ARTICLE XI

STATEMENT OF MISSION
