### **Discussion**

11:05:07 - [hcmo.info@oha.oregon.gov](mailto:hcmo.info@oha.oregon.gov)

11:31:04 - From Sarah Bartelmann (she/her), Oregon Health Authority : @Tom and others - you are always welcome to submit questions about how HCMO works, process, fees, etc to our general inbox for a response outside of this RAC process. [HCMO.Info@oha.oregon.gov](mailto:HCMO.Info@oha.oregon.gov)

11:37:14 - From Antoinette Awuakye : Thanks Sarah. Is it possible to make your announcement orally as well? I don't think everyone is looking at the chat.

11:42:47 - From Justin Hurley Braswell : There is a big difference between Gross Revenue and Net Patient Revenue. Since it could be either when looking at the definitions section #27, I think that needs to be more clear or defined when looking at organizational sizes and what the fees are based on.

12:01:07 - From Dan Cushing, YCCO, he/him : Thank you Zachary!

12:01:22 - From Justin Hurley Braswell : Thank you Zachary

12:01:24 - From Jen Peet : Thank you.
