

2025 Integrated Co-Occurring Disorders Community of Practice Groups

The Integrated Co-Occurring Disorders Community of Practice Groups are open for all Oregon Behavioral Health Treatment Providers, Supervisors and Administrators. Involvement in the OHA Integrated COD initiative is not required.

- The Oregon Health Authority (OHA) has scheduled Community of Practice Groups for 2025. Facilitated by OHA staff and subject matter experts working in Oregon, the groups will:
 - Be one hour long and include 1.0 MHACBO CEUs (for clinical topics)
 - Consist of short topical training followed by a discussion and consultation period. Topics will be announced each month for the following month.
 - Pre-registration for each group meeting is required.
- The Addictive Behaviors & Integrated Co-Occurring Disorders Community of Practice Group will include topics focused on Substance Use Disorders, Gambling Disorders, Eating Disorders, and process-based addictions.
- The Clinical Supervision group is an opportunity for clinical supervisors of Integrated COD treatment providers to discuss and share ideas about providing clinical supervision.
- The program development group is intended for Integrated COD program administrators and managers, and provides an opportunity to share strategies around Integrated COD program implementation.
