13:35:10 From Dr. Tara Sanderson (she/her) : Can we get a link to the page that he just mentioned about the RAC for notification about these opportunities?

13:41:30 From Josh Lydon, LCSW at Stronger Oregon : Community engagement should involve contacting all impacted parties and to inform them of the implications of this step of the process so that there is more attendance and engagement. I, and all of my providers and potentially there clients, would have attended the OHA directors listening tour if we knew it would impact our associate mental health providers.  
13:41:57 From Josh Lydon, LCSW at Stronger Oregon : Community engagement should be individualized to topic  
13:43:55 From Vitalis Ogbeama- OHA : Reacted to "Community engagement..." with  
13:47:54 From Josh Lydon, LCSW at Stronger Oregon : Rules are welcomed

13:52:38 From Andi Walsh (she/her) | Children's Institute : Replying to "Community engagement..."

I think this is a great point. How are we defining community engagement? It should not just be listening to those who happen to be present at a meeting, but a follow up step needs to be done that then consults those impacted prior to a decision to pursue a rule change is made.

13:54:12 From Josh Lydon, LCSW at Stronger Oregon : Replying to "Community engagement..."

13:54:59 From Kelli Taylor (they/them) : Welcome Lindy Bonser! I'll get you added to the roll. We are finishing up a Q&A session after Juan presented on OARs.  
13:55:57 From Tony : Reacted to "Community engagement..." with  
13:57:00 From Tim Nesbitt (he/him) OHA : We will be going on break after Jenn's question. Thanks everyone!  
13:57:09 From Kelli Taylor (they/them) : Reacted to "We will be going on ..." with  
13:59:16 From Andi Walsh (she/her) | Children's Institute : It would be helpful to know what accountability mechanisms are built in for when that top line is not followed  
13:59:24 From Josh Lydon, LCSW at Stronger Oregon : Thanks Juan!  
13:59:49 From Juan (OHA/He. Him.His) : thank you so much everyone! It was great meeting with you

14:12:28 From Vitalis Ogbeama- OHA : Reacted to "I have a competing m..." with  
14:19:03 From Shari Selander : Can you send a copy of the presentation to all of us?  
14:19:18 From Jen Allen (she-her) : Both presentations will be sent out after this meeting, thank you.  
14:27:43 From Tim Nesbitt (he/him) OHA : A more defined scope of practice.  
14:28:48 From Tim Nesbitt (he/him) OHA : We had a similar discussion regarding scope of practice for peers during the executive session 2 weeks ago.

14:42:20 From Josh Lydon, LCSW : ~10,000 free training videos by Dr. (in social work) Snipes via

YouTube. There is an internal search icon to search her page: <https://m.youtube.com/c/DocSnipes/videos>

14:45:51 From Clark Hazel, LCSW (they/he) : that was a great point, Diane

14:46:11 From Jenn Inman : Throw in there CADC!

14:46:20 From Kelli Bosak (she/her) : I share that question with you, Dr. Kimball!

14:46:25 From ShyraMerila : We use QMHAs for assessment information gathering, QMHPs write clinical formulations, diagnose and sign assessments

14:48:44 From Melinda (she/her) : Reacted to "We use QMHAs for ass..." with

14:49:50 From Josh Lydon, LCSW : QMHP standards are way lower standard than Clinical Social Worker Associate and other board approved associate levels. I think it was created to broaden the definition of therapist.

14:49:51 From Melinda (she/her) : Replying to "We use QMHAs for ass..."

From what I hear, this gets under utilized for some reason. Possibly due to training? (just a thought)

14:51:41 From Tim Nesbitt (he/him) OHA : After Jenn, we will be going into our wrap up before ending today's meeting.

14:52:03 From Quryynn Hale CPCCO : Why have MHACBO if we already have Social Works, etc. boards though?

14:53:08 From ShyraMerila : Some people don't walk a path of licensure so they don't end up being tied to a licensing board.

14:53:29 From Melinda (she/her) : I would also say the fee's are cheaper for MHACBO so can also be helpful with access.

Certain boards cover specific degrees and MHACBO covers more degree types.

14:55:14 From Clark Hazel, LCSW (they/he) : Thank you!

14:55:24 From Kelli Bosak (she/her) : Thank you! This was great.

14:56:49 From Josh Lydon, LCSW : See you all then! Great meeting. Peace
