OCTOBER 2024

Raíces de Bienestar (Raíces), an HB4052 grantee, held an open house event Wednesday, October 23, 2024, in Hillsboro, Oregon. OHA HB4052 staff enjoyed the festivities with other community members and representatives from community partner organizations. The celebration included special remarks from the executive director, Dr. Ruth Zúñiga, delicious foods, and a blessing ceremony.

Raíces new space is cozy, with the essence of home, and intentionality in the design. Artwork featuring Central American landscapes, tapestry, and other artifacts adorn the walls. In addition, they hold space for individual and family therapy, making it inclusive for all.
