Dear Interim Director Levy:

We have reviewed the proposed Oregon state plan amendment (SPA) to attachment 4.19-B of your state plan, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on September 15, 2023. This SPA increased the global reimbursement rate for free-standing birth centers.

Based upon the information provided by the state, we have approved this amendment with an effective date of July 1, 2023. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: OREGON

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES

29. (i) Licensed or Otherwise State-Approved Freestanding Birth Centers

Freestanding Birthing Centers are reimbursed a flat fee. The fee was developed by reviewing other like Medicaid states and Medicaid fees for similar services. The birthing center fee is the same for all birthing centers enrolled with the State. The fee is a global rate based upon the procedure code for the service. Global rates include: Nursing services, services of technical personnel, and other related services; Any support services provided by personnel employed by the Birthing Center; the client's use of the facilities including the operating room and recovery room; Drugs, biologicals, surgical dressings, supplies, and equipment related to the provision of the procedure(s); Diagnostic or therapeutic items and services related to the surgical procedure; Administrative, record-keeping, and housekeeping items and services; Blood, blood plasma, platelets.

The Medical Assistance program pays the lesser of the usual and customary charge or a fee based upon the States fee schedule available on the agency website http://www.oregon.gov/DHS/healthplan/data_pubs/feeschedule/main.shtml. The State fee schedule was set as of 7/1/23 and is effective for dates of services provided on or after that date. The fee schedule is the same for both governmental and private providers.

29. (ii) Licensed or Otherwise State-Recognized covered professionals providing services in the Freestanding Birth Center

Reimbursement for covered professionals are outlined in Attachment 4.19-B, page 1 through 1.a.1 for the applicable provider type.

The Medical Assistance program pays the lesser of the usual and customary charge or a fee based upon the State fee schedule available on the agency website http://www.oregon.gov/DHS/healthplan/data_pubs/feeschedule/main.shtml. The State fee schedule was set as of 7/1/23 and is effective for dates of services provided on or after that date. The fee schedule is the same for both governmental and private providers.
