

# Memorandum

**To:** Adult mental health residential providers

**From:** Holly Heiberg, Medicaid Policy Director, Fee-for-Service Operations Director

**Date:** Feb. 7, 2025

**Subject:** Adult mental health residential rates, effective Jan. 1, 2025

---

The Jan. 1, 2025 adult mental health residential rates are now available in the [fee-for-service Behavioral Health Fee Schedule](#). Oregon Health Authority (OHA) ensured rates either increased or stayed the same.

For each new assessment completed on or after Jan. 1, 2025, Comagine Health will enter the new rate, consistent with the fee schedule, in MMIS. MMIS will generate an approval letter that includes the new rate to bill OHA with a start date of Jan. 1, 2025. Comagine Health will also send the individual and their provider:

- The resident's person-centered services plan, and
- Results of the resident's functional needs assessment.

## What should you do?

Starting Feb. 14, 2025, providers may bill the rate listed in the MMIS approval letter. For services provided on or after Jan. 1, 2025 but before the new approval date, providers may rebill for reimbursement at the new rates.

To learn more about the work to ensure no reductions occurred in this rate update, [view the February 2025 webinar slides and recording on the OHA website](#).

## Questions?

If you have any questions about this announcement, contact Holly Heiberg at [holly.heiberg@oha.oregon.gov](mailto:holly.heiberg@oha.oregon.gov).

Thank you for your continued support of the Oregon Health Plan and the services you provide to our members.
