From: David Inbody, CCO Operations director
Subject: Care Coordination report for activities through June 30, 2025

This communication is notice of the Oregon Health Authority's (OHA) decision to modify the following requirement in the Contract Year (CY) 2025 coordinated care organization (CCO) contracts:

- Exhibit B, Part 2, Section 8, Paragraph a, Subparagraph (3): This paragraph describes the requirement for the CCO to submit a bi-annual Care Coordination activities report 45 days after the end of each six-month period.

OHA will adjust the start date for the reporting period ending on June 30, 2025, to provide at least 90 days from when OHA provides CCOs with the CY 2025 reporting template. The CCO may but will not be required to report on CY 2025 Care Coordination activities occurring prior to the adjusted start date. OHA will announce the adjusted start date when it provides the template to CCOs. The due date for the reporting period remains August 14, 2025.
