Background

Safety Net Capacity Grant Program

- Reinstated in 2015 as pathway to Cover All Kids
 - \$10 million in grant funding
- Increases Oregon's safety net capacity to connect undocumented immigrant children and teens (under 19) to primary/preventive health care
- Emphasizes culturally and linguistically appropriate services

Background

Safety Net Capacity Grant Program

- Runs Jan. 1 – Dec. 31, 2017
- Includes more than 30 partners serving 28 counties
 - Nonprofit clinics (majority FQHCs): Direct services
 - Community-based organizations (majority culturally and linguistically-specific): Outreach, education, referral and other enabling services

Background – Cover All Kids

- Nearly decade-long advocacy campaign
- Aimed at expanding OHP to include all children and teens, regardless of immigration status
- **SB 558**
 - Jul. 2017: Passed by Oregon State Legislature
 - Aug. 2017: Signed into law by Gov. Brown
 - Jan 1., 2018: Takes effect

SB 558

- What it does:
 - Expands OHP to include all children and teens, regardless of immigration status
 - Under 19
 - Household income up to and including 305% FPL
 - Requires OHA/DHS to convene External Stakeholder Workgroup to advise and assist on outreach and marketing
- Emphasizes culturally and linguistically appropriate outreach
- Impacts est. 17,000+ undocumented immigrant children and teens

SB 558

Implementation Update

Eligibility and Enrollment Systems

- **ONE:**

- **MMIS:**
 - Currently being modified and tested

Addressing Immigration Concerns

- Must address concerns at the forefront
- Finalizing internal research
 - Re: information collected, stored and/or shared with the federal government
- Seeking legal counsel and talking with other states

Outreach and Enrollment Planning

Have identified three sub-populations:

- Auto-Enrollment (~3,500)
- Kaiser Permanente's Child Health Program Plus (~3,500)
- New Enrollee (est. 10,000)

Outreach and Enrollment Planning

- Communications plan
- Outreach and marketing campaign
- Timeline: Mid-Nov. 2017 – Jun. 30, 2019

Outreach and Enrollment Planning

Outreach and Enrollment Grant Program:

- Leverage and build upon current **I'm healthy!** / **¡Soy sano!** community-based outreach infrastructure
- Provide local and regional, culturally and linguistically appropriate outreach and enrollment services
- One-year (Jan. 1 – Dec. 31, 2018) with possible 6-month extension (through June 30, 2019)

Thank you!
