Passive (non-mandatory) Enrollment

This year's Open Enrollment is "passive" (or non-mandatory). This means:

- **If you're satisfied with your current benefit plan selections**, you don't need to do anything. Your current enrollments will roll over to the next plan year. Your benefits will stay the same.
- **If you want to make benefit changes**, you need to login to OEBBenroll.com and make your selections during Open Enrollment. This includes:
 - Enrolling as a new hire

- Replacing a plan that is no longer offered by your employer
- Changing your plan selections
- Adding or dropping a dependent
- Updating your personal information or beneficiaries
- **If your employer requires you to enroll**, you must login to [OEBBenroll.com](https://oebbenroll.com). Follow your employer's instructions.

Important! Open Enrollment is the one time each year you can make changes to your plans or dependents without a Qualified Status Change (QSC).
