8/3/22

To all OSH staff,

This Directive is issued in addition to Superintendent Directive dated June 15, 2022. This Directive modifies and adds to Oregon State Hospital (OSH) policies 8.019, "Staff Response to Alleged Criminal Acts and Contraband," 8.037, "Patient Property and Valuables," 8.044, "Contraband and Prohibited Items," 6.030, "Electronic Device and Internet Access," 6.047, "Patient Food," and relevant department protocols.

It is my directive that, effective today, August 3, 2022, staff should use the updated OSH property/item access list (Attachment A). This list supersedes all previous versions of the list. All previous versions of the list should be considered obsolete and discontinued.

The definition of "staff" includes all employees, volunteers, trainees, interns, contractors, vendors, and other state employees assigned to work at OSH.

This directive will remain in effect until OSH Policies and Procedures are updated or the directive is otherwise rescinded.

Sincerely,

Dolores Matteucci
