

ScreenWise

Breast and Cervical cancer screening program

How does the program work?

1

Schedule appointment with a ScreenWise provider

2

Enroll and receive consultation services* at provider's office (1st appointment)

*Consultation services may include an exam & services vary by provider

3

ScreenWise provider may refer you for a mammogram or other ScreenWise services*

*Types of services: Clinical breast exam, Screening mammogram, Pap smear, HPV test, Colposcopy

4

Receive imaging or diagnostic exam at lab, hospital or other facility in the ScreenWise network (2nd appointment)

5

Test results mailed to you and/or delivered by ScreenWise provider

Find a ScreenWise provider: www.healthoregon.org/screenwise or call our patient line at 1-877-255-7070
