Questions about the Tuesday 26th September VAP-Only Public Provider Orientation? oip.training@odhsoha.oregon.gov.

- **Erin E Corrigan on COVID vaccine Prebook and state supplied flu updates.**

Beyfortus opened last week so put your requests in. 2024-2025 COVID event is open for the updated vaccine. There is going to be a time when providers won't have any COVID vaccine in hand due to deauthorization of old product and new product will be in the process of being shipped. Flu vaccine allocation went in and getting shipped across Oregon.

- **Amy Kost on Help Desk update** of Adding Flu vaccine in ALERT. Flu vaccine name in ALERT still appear as quarter valent not trivalent. If you have private stock go ahead and enter it as quarter valent, we will fix that on the backend. Flu NDCs on the Flu vaccine package vaccine appear slightly differently than they do appear in ALERT. In ALERT the central number is 4-digit number instead of three digits:

- **Presentation:** Jenne McKibben, Data Systems Manager with OIP talked about the work her team is doing toward an updated ALERT IIS system.
