

## Oregon Administrative Rules (OARs) 333-050 – School Immunization Rules Revision Crosswalk

The purpose of this table is to help readers understand how the proposed changes to Chapter 333 Division 50 (School Immunization Rules) of the Oregon Administrative Rules (OARs) compare with the current OARs. The current OARs are in the left column and the corresponding proposed changes are in the right.

**New text:** Markedly new text is in red.

*Removed text:* Text that was not carried over from the current OARs to the proposed OARs does not appear in the right column and is labeled in italics.

Moved text: Many of the OARs were re-arranged. To reduce confusion, the table follows the order of the proposed OARs.

Current Text	Proposed Text
<p><b>333-050-0010</b>  <b>Definitions Used in the Immunization Rules</b></p> <p>As used in OAR 333-050-0010 through 333-050-0140:</p>	<p><b>333-050-0210</b>  <b>Definitions Used in the Immunization Rules</b></p> <p>As used in OAR 333-050-0210 through 333-050-0410:</p>
	<p>(1) “Administrator” has the meaning given that term in ORS 433.235.</p>
	<p>(2) “ALERT Immunization Information System” means the system defined and described in OAR chapter 333, division 49.</p>
<p><b>333-050-0030</b>  <b>Visitors, Part-Time Students, and Residents</b></p> <p>(1) Any child visiting or attending a school or facility on five or more different days in a given school year or residing on the premises of a school or facility regardless of whether the child attends classes or receives child care, at any age or grade through grade 12, shall be subject to the requirements of either a new enterer or</p>	<p>(3) “Attend” or “attending” means:                      (a) Enrolled with a school or children’s facility and being physically present for any reason at the school or facility.                      (b) Residing on the premises of a children’s facility or school on five or more days in a given school year.                      (c) For home-schooled, private, or special education students or students in other non-traditional educational settings subject to these rules:</p>

Current Text	Proposed Text
<p>transferring child as appropriate. Such residents and visitors for the purposes of these rules are in attendance.</p> <p>(2) Home-schooled, private, or special education students or students in other non-traditional educational settings are subject to these rules if they:</p> <p>(a) Meet with an instructor in a school building for any amount of time on a regular or irregular basis, but at least five times per school year; or</p> <p>(b) Participate in sports or other activities through a school-sponsored program at least five times per school year.</p> <p>(3) Students in residential, correctional, or treatment programs that receive educational instruction are subject to these rules.</p>	<p>(A) Meeting with an instructor in a school building five or more days during a school year; or</p> <p>(B) Participating in sports, field trips or other activities through a school-sponsored program five or more times per school year.</p>
<p><b>333-050-0010</b> <b>Definitions Used in the Immunization Rules</b></p> <p>(1) "Certificate of Immunization Status" means a form provided or approved by the Public Health Division on which to enter the child's immunization record.</p>	<p>(4) "Certificate of Immunization Status" means a form provided by the Public Health Division (Division) or other documentation approved by the Division in accordance with OAR 333-050-0300.</p>
	<p>(5) "Child" means:</p> <p>(a) An individual of any age up to the age of 18; or</p> <p>(b) An individual of any age in any grade through 12th grade.</p>
<p><b>333-050-0020</b> <b>Purpose and Intent</b></p>	<p>(6) "Children's facility" or "facility":</p>

Current Text	Proposed Text
<p>(3) All children’s facilities are required to comply with these rules, including but not limited to certified child care centers, certified family child care homes, child care centers exempt from certification, Head Start programs, preschools and Early Intervention/Early Childhood Special Education child care programs.</p>	<p>(a) Has the meaning given that term in ORS 433.235, and includes but is not limited to certified child care centers, certified family child care homes, child care centers exempt from certification, Head Start programs, preschools and Early Intervention/Early Childhood Special Education programs.  (b) Does not mean facilities or programs classified as exempt under OAR 333-050-0220.</p>
<p><b>333-050-0010</b>  <b>Definitions Used in the Immunization Rules</b></p> <p>(2) "Complete" means a category assigned to any child whose record indicates that the child is fully immunized or has immunity documentation as specified by OAR 333-050-0050(2) or (6).</p>	<p>(7) "Complete" means a record indicating that a child is fully immunized as required in OAR 333-050-0240 or has immunity documentation, as specified in OAR 333-050-0260, to each disease against which the child is not fully vaccinated.</p>
<p>(3) "Contraindication" means either a child or a household member's physical condition or disease that renders a particular vaccine improper or undesirable in accordance with the current recommendations of the Advisory Committee on Immunization Practices, Department of Health and Human Services, Centers for Disease Control and Prevention, and the American Academy of Pediatrics.</p>	<p>(8) "<b>Contraindication or precaution</b>" means a medical diagnosis of a physical condition or disease that renders a particular vaccine improper or undesirable for a child in accordance with the current recommendations of the Advisory Committee on Immunization Practices, U.S. Department of Health and Human Services, U.S. Centers for Disease Control and Prevention, or the American Academy of Pediatrics.</p>
<p>(4) "<i>County Immunization Status Report</i>" means a report submitted by the local health department (or school or facility if there is no local health department) to the Public Health Division to report annually the number of children as specified, in the area served, and the number susceptible to the vaccine preventable diseases covered by these rules.</p>	<p><i>Removed from proposed definitions. Information submitted by the local health department is described in proposed OAR 333-050-0380(2).</i></p>

Current Text	Proposed Text
<p><b>333-050-0020</b> <b>Purpose and Intent</b></p> <p>(7) Nothing in these rules is intended to prevent a person from using or accepting an electronic form, using or accepting an electronic signature as that is defined in ORS 84.004, or using, accepting, transmitting or storing documents electronically.</p>	<p>(9) “Electronic signature” has the meaning given that term in ORS 84.004.</p>
<p><b>333-050-0010</b> <b>Definitions Used in the Immunization Rules</b></p> <p>(5) "Evidence of Immunization" means an appropriately signed and dated statement indicating the month, day and year each dose of each vaccine was received.</p>	<p>(10) "Evidence of immunization" means a record that complies with the requirements in OAR 333-050-0240 that indicates the month, day and year of receipt of each dose of a vaccine.</p>
<p>(6) "Exclude" or "Exclusion" means not being allowed to attend a school or facility pursuant to an Exclusion Order from the local health department based on non-compliance with the requirements of ORS 433.267(1), and these rules.</p>	<p>(11) "Exclude" or "Exclusion" means not being allowed to attend a school or facility pursuant to an exclusion order from the local health department based on non-compliance with the requirements of ORS 433.255, 433.260, or 433.267(1), and these rules.</p>
<p><b>333-050-0080</b> <b>Exclusion</b></p> <p>(1) The date of exclusion shall be the third Wednesday in February.</p>	<p>(12) “Exclusion Day” means the fourth Wednesday in February, unless a different date is identified by the Public Health Division, in accordance with OAR 333-050-0310.</p>
<p><b>333-050-0010</b> <b>Definitions Used in the Immunization Rules</b></p> <p>(7) "Exclusion Order for Incomplete Immunization or Insufficient Information" means a form provided or approved by the Public Health Division for local health department and Public Health</p>	<p>(13) “Exclusion order” means an order issued by the local health department prohibiting a child from attending a school or children’s facility because the school or children’s facility does not have documentation for the child required by ORS 433.267(1) or (2) and these rules.</p>

Current Text	Proposed Text
<p>Division use in excluding a child who, based on the child's record, is in non-compliance with the vaccine requirements of OAR 333-050-0050(2) or who has insufficient information on his or her record to determine whether the child is in compliance. Forms submitted for approval must contain the substantive content of the Public Health Division form.</p> <p>(8) "Exclusion Order for No Record" means a form provided or approved by the Public Health Division for local health department, Public Health Division and school or facility use in excluding a child with no record. Forms submitted for approval must contain the substantive content of the Public Health Division form.</p>	
<p>(10) "Exemption" means either a documented medical or nonmedical exemption.</p>	<p>(14) "Exemption" means either a documented medical or nonmedical exemption.</p>
<p>(11) "Health Care Practitioner" means a practitioner of the healing arts who has within the scope of the practitioner's license, the authority to order immunizations, to include: M.D., D.O., N.D., nurse practitioners, and physician assistants, or a registered nurse working under the direction of an M.D., D.O., N.D. or nurse practitioner.</p>	<p>(15) "Health care practitioner" means:</p> <p>(a) A practitioner of the healing arts who has within the scope of the practitioner's license, the authority to order immunizations, including but not limited to individuals licensed to practice by the Oregon Medical Board, Oregon Board of Naturopathic Medicine, and nurse practitioners licensed by the Oregon State Board of Nursing, or the equivalent licensing board in other states; and</p> <p>(b) For purposes of OAR 333-050-0270(2) includes registered nurses and physician associates.</p>
<p>(12) "Immunity Documentation" means a written statement signed by a physician or an authorized representative of the local health department that the child should be exempted from receiving</p>	<p>(16) "Immunity documentation" means documentation that meets the requirements in OAR 333-050-0260 from a health care practitioner with authority to diagnose disease, or from a</p>

Current Text	Proposed Text
<p>specified immunizations due to a disease history based on a health care practitioner's diagnosis or the results of an immune titer.</p>	<p>representative of the local health department, or a clinical laboratory.</p>
<p><b>333-050-0050</b> <b>Immunization Requirements</b></p> <p>(1) For purposes of this rule, immunization against the following diseases means receipt of any vaccine licensed by the United States Food and Drug Administration (or the foreign equivalent) for the prevention of that disease.</p>	<p>(17) "Immunization" means a vaccine authorized, approved or licensed by the United States Food and Drug Administration (or the foreign equivalent) for the prevention of a particular disease.</p>
<p><b>333-050-0010</b> <b>Definitions Used in the Immunization Rules</b></p> <p>(13) "Incomplete" means a category assigned to any child whose record indicates, on or before the date the Primary Review Summary form is due at the local health department, that the child: (a) Is not fully immunized as required in OAR 333-050-0050(2); and (b) Does not have a completed exemption or immunity documentation for a vaccine for which the child is not fully immunized.</p>	<p>(18) "Incomplete" means a record indicating that a child: (a) Is not fully immunized as required in OAR 333-050-0240; and (b) Does not have a completed exemption or immunity documentation for a disease for which the child is not fully vaccinated.</p>
<p>(14) "Insufficient" means a category assigned to any child whose record does not have enough information to make a proper determination about the child's immunization status, including unsigned records, vaccine dates before day of birth, dates out of sequence, and missing doses in the middle of a vaccine series. This category does not apply to signed but undated records.</p>	<p>(19) "Insufficient" means a record that does not have enough information to make a proper determination about a child's immunization status or has information that is clearly in error.</p>

Current Text	Proposed Text
<p>(15) "Local Health Department" means the District or County Board of Health, Public Health Officer, Public Health Administrator or local public health agency having jurisdiction within the area.</p>	<p>(20) "Local health department" has the meaning given that term in ORS 431.003, or if the local public health authority has transferred its authority to the Oregon Health Authority (Authority) under ORS 431.382, means the entity identified by the Authority to conduct the activities required by a local health department under these rules.</p>
<p>(16) "Main Office" means a central administrative location at the school or children's facility where immunization rates are made available to parents.</p>	<p>(21) "Main office" means a central administrative location at the school or children's facility where immunization rates are made available to parents.</p>
<p>(17) "Medical Exemption" means a document signed by a physician or an authorized representative of the local health department stating that the child should be exempted from receiving specified immunizations based on a medical diagnosis resulting from a specific medical contraindication.</p>	<p>(22) "Medical exemption" means that, based on a contraindication or precaution, a child should not receive a specified immunization, either temporarily or permanently, depending on the duration of the contraindication or precaution.</p>
<p><b>333-050-0050</b>  <b>Immunization Requirements</b></p> <p>(7) (b) Exemption for one or more immunizations shall be established by a diagnosis based on a specific medical contraindication certified in a letter from the physician or an authorized representative of the local health department. The vaccines, medical diagnosis, practitioner's name, address and phone number must be documented and attached to the record.</p>	<p>(23) "Medical exemption form" means a document prescribed by the Oregon Health Authority and completed by a physician or a representative of the local health department for the purpose of claiming a medical exemption that includes, at a minimum, the following:</p> <ul style="list-style-type: none"> <li>(a) Child's name.</li> <li>(b) Child's birth date.</li> <li>(c) Child's medical condition that contraindicates or is a precaution to a vaccine.</li> <li>(d) List of vaccines for which there is a contraindication or precaution.</li> <li>(e) The duration of the contraindication or precaution, or approximate time until the child's condition resolves, if applicable.</li> <li>(f) Physician's name.</li> </ul>

Current Text	Proposed Text
	<p>(g) Physician's signature.</p> <p>(h) Physician's license number.</p> <p>(i) Physician's contact information including the phone number.</p>
<p><b>333-050-0010</b>  <b>Definitions Used in the Immunization Rules</b></p> <p>(18) "New Enterer" means a child who meets one of the following criteria:</p> <p>(a) Infants or preschoolers attending an Oregon facility;</p> <p>(b) Infants or preschoolers attending a drop-in facility on five or more different days within one year;</p> <p>(c) Children initially attending a school at the entry level (prekindergarten, kindergarten or the first grade, whichever is the entry level);</p> <p>(d) Children from a home-school setting initially attending a school or facility at any grade (preschool through 12th grade); or</p> <p>(e) Children initially attending a school or facility after entering the United States from a foreign country at any grade (preschool through 12th grade).</p>	<p>(24) "Newly entering child" has the meaning given that term in ORS 433.267.</p>
<p>(19) <i>"Non-Compliance" means failure to comply with any requirement of ORS 433.267(1) or these rules.</i></p>	<p><i>Removed from proposed definitions. Non-compliance is discussed in proposed OAR 333-050-0350.</i></p>
<p>(20) "Nonmedical Exemption" means a document, on a form prescribed by the Public Health Division, signed by the parent stating that the parent is declining one or more immunizations on behalf of the child, and including documentation of completion of the vaccine educational module or a signature from a health care</p>	<p>(25) "Nonmedical exemption" means the declination by a parent of one or more immunizations on behalf of the child for reasons other than those constituting medical exemptions.</p>

Current Text	Proposed Text
practitioner verifying discussion of risks and benefits of immunization.	
	(26) "Parent" has the meaning given that term in ORS 433.235.
	(27) "Physician" has the meaning given that term in ORS 433.235.
<p>(21) "Post-Secondary Education Institution" means:</p> <p>(a) A state institution of higher education under the jurisdiction of the State Board of Higher Education;</p> <p>(b) A community college operated under ORS Chapter 341;</p> <p>(c) A school or division of Oregon Health and Science University; or</p> <p>(d) An Oregon-based, generally accredited, private institution of higher education, where:</p> <p>(A) Oregon-based, generally accredited includes any post-secondary institution described in OAR 583-030-0005(2) or classified as exempt under ORS 348.604; and</p> <p>(B) Private institution refers to any non-public post-secondary education institution.</p>	<p>(28) "Post-secondary education institution" means:</p> <p>(a) A state institution of higher education under the jurisdiction of the Higher Education Coordinating Commission;</p> <p>(b) A community college operated under ORS chapter 341;</p> <p>(c) A school or division of Oregon Health and Science University; or</p> <p>(d) A school located in Oregon described in OAR 583-030-0005 or classified as exempt under ORS 348.604.</p>
<p>(22) "Primary Review Summary" means a form provided or approved by the Public Health Division to schools and facilities for enclosure with records forwarded to the local health department for secondary review and follow up. Forms submitted for approval must contain the substantive content of the Public Health Division form.</p>	<p>Removed from proposed definitions. <i>This form is called the Immunization Report throughout the proposed text.</i></p>
<p>(23) "Primary Review Table" means a document provided by the Public Health Division for the judgment of compliance or non-compliance with the required immunizations.</p>	<p>Removed from proposed definitions. <i>The Primary Review Table is discussed in proposed OAR 333-050-0240.</i></p>
<p>(24) "Public Health Division" means the Oregon Health Authority, Public Health Division.</p>	<p>(29) "Public Health Division" means the Oregon Health Authority, Public Health Division.</p>

Current Text	Proposed Text
<p>(25) "Record" means a statement relating to compliance with the requirements of ORS 433.267(1)(a) through (c) and these rules.</p>	<p>(30) "Record" means a document described in ORS 433.267(1).</p>
<p>(26) <i>"Restrictable Disease" means a communicable disease for which the local health department or administrator has the authority to exclude a child as described in OAR 333-019-0010 through 333-019-0014.</i></p> <p><b>333-050-0100</b> <b>Follow Up</b></p> <p>(3) <i>Information on disease restrictions for schools and facilities can be found in OAR 333-019-0010 and 333-019-0014. When a child must be excluded from attendance at a school or children's facility in accordance with OAR 333-019-0010(3), the parent of the susceptible child must be notified verbally or in writing by the local health department, school or children's facility administrator or designee when the child is to be excluded and for how long the exclusion will occur.</i></p>	<p><i>Removed from proposed definitions. Restrictable diseases are described in OAR chapter 333, division 19.</i></p>
<p><b>333-050-0020</b> <b>Purpose and Intent</b></p> <p>(5) All schools are required to comply with these rules, including but not limited to public schools, private schools, charter schools, and alternative education programs. Any program that provides educational instruction designed to lead to a high school diploma or transfer into a regular high school program must also comply with these rules.</p>	<p>(31) "School": (a) Has the meaning given that term in ORS 433.235, and includes but is not limited to public schools, private schools, charter schools, alternative education programs, any program that provides educational instruction designed to lead toward a high school diploma, and residential, correctional, or treatment program settings that provide K-12 educational instruction to children who are residents.</p>

Current Text	Proposed Text
	(b) Does not mean institutions or programs classified as exempt under OAR 333-050-0220.
<p><b>333-050-0010</b>  <b>Definitions Used in the Immunization Rules</b></p> <p>(27) "School Year" means an academic year as adopted by the school or school district (usually September through June).</p>	(32) "School year" means an academic year as adopted by the school or school district (usually September through June).
<p>(28) "Susceptible" means being at risk of contracting one of the diseases covered by these rules, by virtue of being in one or more of the following categories:</p> <p>(a) Not being complete on the immunizations required by these rules;</p> <p>(b) Possessing a medical exemption from any of the vaccines required by these rules due to a specific medical diagnosis based on a specific medical contraindication; or</p> <p>(c) Possessing a nonmedical exemption for any of the vaccines required by these rules.</p>	(33) "Susceptible" has the meaning given that term in OAR 333-019-0010.
<p>(29) "These Rules" means OAR 333-050-0010 through 333-050-0140.</p>	(34) "These rules" means OAR 333-050-0210 through 333-050-0410.
<p>(30) "Transferring Child" means a child moving from:</p> <p>(a) One facility to another facility, only when records are requested in advance of attendance from a previous facility;</p> <p>(b) One school in this state to another school in this state when the move is not the result of a normal progression of grade level; or</p> <p>(c) A school in another state to a school in this state.</p>	(35) "Transferring child" has the meaning given that term in ORS 433.267.

Current Text	Proposed Text
<p>(31) "Up-to-Date" means not complete, currently on schedule and not subject to exclusion, based on the immunization schedule for spacing doses, as prescribed in OAR 333-050-0120.</p> <p><b>333-050-0040</b> <b>Statements (Records) Required</b></p> <p>(9) A child may attend a school or facility under ORS 433.267(1) if the child is up-to-date and remains up-to-date and in compliance with immunization schedules for spacing between doses presented in OAR 333-050-0120.</p>	<p>(36) "Up-to-date" means not complete with required immunizations but currently on schedule and not subject to exclusion, based on the immunization schedule for spacing doses, as prescribed in the Primary Review Table described in OAR 333-050-0240(1).</p>
<p><b>333-050-0010</b> <b>Definitions Used in the Immunization Rules</b></p> <p>(32) "Vaccine Educational Module" means a resource approved by the Public Health Division to fulfill the requirement of receiving information about the risks and benefits of immunization in order to claim a nonmedical exemption.</p>	<p>(37) "Vaccine educational module" means an education module approved by the Public Health Division to fulfill the requirement in ORS 433.267 to claim a nonmedical exemption.</p>
<p><b>333-050-0010</b> <b>Definitions Used in the Immunization Rules</b></p> <p>(9) "Exempted Children's Facilities" are those that:  (a) Are primarily for supervised training in a specific subject, including, but not limited to, dancing, drama, or music;  (b) Are primarily an incident of group athletic or social activities sponsored by or under the supervision of an organized club or hobby group;</p>	<p><b>333-050-0220</b> <b>Exempt Children's Facility and Schools</b></p> <p>The following schools and children's facilities are exempt from the requirements in these rules:  (1) Schools and facilities whose primary purpose is to supervise the training of children in a specific subject including but not limited to, dancing, drama, or music.</p>

Current Text	Proposed Text
<p>(c) Are operated at a facility where children may only attend on a limited basis not exceeding four different days per year; or  (d) Are operated on an occasional basis by a person, sponsor, or organization not ordinarily engaged in providing child care.</p> <p><b>333-050-0020</b>  <b>Purpose and Intent</b></p> <p>(4) The only exception is for family child care homes, either registered or exempt from registration, providing child care, six weeks of age to kindergarten entry, in a residential or nonresidential setting. These programs are exempt from all requirements except an up-to-date Certificate of Immunization Status form on each child in attendance.</p>	<p>(2) Schools and facilities whose primary purpose is related to children’s group athletic or social activities sponsored by or under the supervision of an organized club or hobby group.  (3) Schools and facilities operated at a location where children may only attend on a limited basis not more than four different days per year.  (4) Schools and facilities operated on an occasional basis by a person, sponsor, or organization not ordinarily engaged in providing child care.  (5) Registered family child care homes, as defined in OAR 414-205-0010.</p>
<p><b>333-050-0040</b>  <b>Statements (Records) Required</b></p> <p>(2) If age appropriate, required for the child's grade level, and the child has not claimed an exemption or immunity documentation, a minimum of one dose each of the following vaccines must be received for new enterers prior to attendance: Polio, Measles, Mumps, Rubella, Hepatitis B, Hepatitis A, Varicella, Haemophilus influenzae Type b vaccine and Diphtheria/Tetanus/Pertussis containing vaccine. (See Primary Review Table); [Table not included. See ED. NOTE.]</p> <p><b>333-050-0020</b></p>	<p><b>333-050-0230</b>  <b>Documentation Requirements to Attend a Children’s Facility or School</b></p> <p>(1) Prior to attending any children’s facility or school in Oregon, the parent of a newly entering child must submit to the administrator:  (a) Documentation of a minimum of one dose of each vaccine required for the child’s age and grade as identified in OAR 333-050-0240 through 333-050-0250;  (b) A medical or nonmedical exemption from vaccinations in accordance with OAR 333-050-0270; or  (c) Immunity documentation, in accordance with OAR 333-050-050-0260.</p>

Current Text	Proposed Text
<p><b>Purpose and Intent</b></p> <p>(1) The purpose of these rules is to implement ORS 433.235 through 433.284, which require evidence of immunization, a medical or nonmedical exemption, or immunity documentation for each child as a condition of attendance in any school or facility, and which require exclusion from school or facility attendance until such requirements are met.</p> <p>(2) The intent of the school and facility immunization statutes and these rules is to require that:</p> <p>(a) A new enterer provide a signed and dated Certificate of Immunization Status form documenting evidence of immunization, documentation of medical or nonmedical exemption, or immunity documentation.</p>	
<p>(1) (b) A transferring child provide evidence of immunization, immunity documentation or an exemption:</p> <p>(A) Within 30 days of initial attendance if records will be requested from a school in the United States;</p> <p>(B) Prior to initial attendance, as specified in OAR 333-050-0020(2)(a), if records will not be requested from a school in the United States;</p> <p>(C) Prior to initial attendance, as specified in OAR 333-050-0020(2)(a), if the child is transferring from one facility to another;</p> <p>(c) A child currently attending not be allowed to continue in attendance without complete or up-to-date evidence of immunization, immunity documentation, or an exemption.</p>	<p>(2) If a transfer record does not arrive from a previous school within 30 days, the parent of a transferring child must submit to the administrator:</p> <p>(a) Documentation of required immunizations as identified in OAR 333-050-0240 through 333-050-0250;</p> <p>(b) A medical or nonmedical exemption from vaccinations in accordance with OAR 333-050-0270; or</p> <p>(c) Immunity documentation, in accordance with OAR 333-050-050-0260.</p>

Current Text	Proposed Text
<p><b>333-050-0040</b> <b>Statements (Records) Required</b></p> <p>(6) When a transferring student enters an Oregon school, the receiving school will attempt to obtain immunization records from the previous school. If immunization records are not immediately available, the receiving school may, according to school policy, allow the student to enroll conditionally. If immunization records are not received, the school will include the student on the Primary Review Summary report.</p> <p>(7) If the student transfers to a new school district, except when the move is due to the normal progression of grade levels, such as to a junior high or senior high from a feeder school, the receiving school shall ensure that the transferred records are on a signed Certificate of Immunization Status form or another Public Health Division-approved form. The original transferred records that are not on an approved form shall be attached to a Certificate of Immunization Status form and the form shall be marked with a reference to the attached records, signed, and dated by the person transcribing the information on the form.</p> <p>(8) The records relating to the immunization status of children in schools shall be transferred to the receiving schools pursuant to ORS 326.575(2) within 30 days.</p>	
<p><b>333-050-0030</b> <b>Visitors, Part-Time Students, and Residents</b></p>	<p>(3) For children’s facilities providing drop-in child care, the parent of a newly entering child must submit to the administrator the same information required in section (1) of this rule prior to the child attending on the fifth visit.</p>

Current Text	Proposed Text
<p>(4) For facilities providing drop-in child care, a child may attend on up to four different days without a Certificate of Immunization Status on file. Before allowing attendance on the fifth visit, a Certificate of Immunization Status must be provided showing at least one dose of each required vaccine or an appropriately signed exemption.</p>	
<p><b>333-050-0040</b>  <b>Statements (Records) Required</b></p> <p><i>(9) When a new enterer is admitted in error to a school or facility without an immunization history, immunity documentation or appropriately signed exemption, the school or facility may contact the local health department to request that an Exclusion Order for No Record be issued, or include the student on the Primary Review Summary report.</i></p>	<p><i>Removed from proposed text.</i></p>
<p><b>333-050-0020</b>  <b>Purpose and Intent</b></p> <p><i>(6) Nothing prohibits a school, children's facility, or post-secondary educational institution from adopting additional or more stringent requirements than the statutes or rules as long as:</i></p> <p><i>(a) Medical and nonmedical exemptions and immunity documentation are included;</i></p> <p><i>(b) The requirements are in compliance with the recommendations of the Advisory Committee on Immunization Practices, Department of Health and Human Services, Centers for Disease Control and Prevention; and</i></p>	<p><i>Removed from proposed text. Establishment of more stringent requirements is discussed in ORS 433.284.</i></p>

Current Text	Proposed Text
<p><i>(c) Public schools are required to allow transferring students at least 30 days to provide an immunization record.</i></p>	
<p>(7) Nothing in these rules is intended to prevent a person from using or accepting an electronic form, using or accepting an electronic signature as that is defined in ORS 84.004, or using, accepting, transmitting or storing documents electronically.</p>	<p>(4) Nothing in this rule is intended to prevent a person from using or accepting an electronic document, using or accepting an electronic signature, or using, accepting, transmitting or storing documents electronically.</p>
<p><b>333-050-0120</b>  <b>Immunizations Schedules for Spacing of Doses</b></p> <p>See Primary Review Table for the judgment of compliance or non-compliance with the required immunizations.  [ED.
