

**STATE OF OREGON  
HOUSING AND COMMUNITY SERVICES DEPARTMENT  
COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER RECOVERY SUBRECIPIENT GRANT  
AGREEMENT  
CDBG-DR-24-014**

This Subrecipient Grant Agreement (this “**Agreement**”) is entered into on the Effective Date (as hereinafter defined) by and between the State of Oregon, acting by and through its Housing and Community Services Department (“**OHCS**” or “**Agency**”), and **Community Services Consortium**, (the “**Subrecipient**”), an intergovernmental entity established pursuant to ORS.190.010. OHCS and the Subrecipient may be jointly referred to herein as the “**Parties**” or, individually as a “**Party**”.

**RECITALS**

A. Pursuant to Public Law (P.L.)117-43 and the Federal Register Notice dated February 3, 2022 at 83 FR 6364, the U.S. Department of Housing and Urban Development (“**HUD**”) awarded \$422,286,000 in Community Development Block Grant Disaster Recovery (“**CDBG-DR**”) funds to OHCS (the “**OHCS Award**”) for activities authorized under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) and described in OHCS’ Action Plan that was approved by HUD (the “**Action Plan**”).

B. The Action Plan describes how OHCS will support wildfire recovery in the seven most impacted counties (Clackamas, Douglas, Jackson, Klamath, Lane, Lincoln, and Marion counties) (collectively, the “**Impacted Area**”) by the 2020 Labor Day fires in Oregon. OHCS will disburse the OHCS Award to counties, municipalities, nonprofit organizations, school districts, public housing authorities, special districts or other public or quasi-public entities (collectively, “**Subrecipients**”) in the Impacted Area.

C. The Action Plan also describes the various CDBG-DR recovery programs (collectively, the “**Programs**” and each, a “**Program**”) under which Subrecipients will conduct allowable recovery activities in the Impacted Area. The Program applicable to the Subrecipient’s allowable recovery activities and the Subrecipient’s Program requirements, are defined in Exhibit A attached hereto (the “**Program Requirements**”).

D. For the Subrecipient’s delivery of the Program Activities, OHCS is subawarding a portion of the OHCS Award to the Subrecipient in an amount not to exceed **ONE HUNDRED EIGHTY-SEVEN THOUSAND DOLLARS (\$187,000.00)** (the “**Grant**” or the “**Grant Amount**”), subject to the terms and conditions set forth herein.

## AGREEMENT

NOW, THEREFORE, for good and sufficient consideration, including the terms, conditions, covenants, warranties, and undertakings set forth herein, the Parties hereto hereby agree as follows:

### 1. TERM

This term of this Agreement (the “**Term**”) will become effective on January 15, 2024 or the date this Agreement has been signed by every party, whichever is later (the “**Effective Date**”) and expires on June 30, 2024 (the “**Expiration Date**”), unless otherwise terminated as provided in this Agreement or extended as required below. To the extent that the Subrecipient desires to extend the Term, a request for an amendment must be sent in writing to OHCS thirty (30) calendar days prior to the Expiration Date outlining the reasons for the delay and specify the request for additional time needed.

#### **Attachments**

The following Exhibits and referenced documents are incorporated herein by reference to the same extent and with the same force and effect as if fully set forth herein, provided, however, that nothing in the Exhibits or in the incorporated documents will be deemed to modify the express provisions hereinafter set forth.

Exhibit A: Allowable Program Activities and Requirements

Exhibit B: Insurance Requirements

Exhibit C: Federal Grant Award Information

Exhibit D: HUD General Provisions and other Federal Statutes

Exhibit E: Budget Template

### 2. GENERAL REQUIREMENTS

- 2.1 The Subrecipient shall conduct, in a satisfactory manner as determined by OHCS, Program Requirements and provide the Program Activities for emergency relief in the Impacted Area as defined in Exhibit A. The Subrecipient shall perform all requirements in accordance with the terms of this Agreement and all exhibits, which are hereby incorporated.
- 2.2 The Subrecipient shall prepare and submit to OHCS all required project(s) documentation in accordance with the Exhibit A. OHCS reserves the authority and discretion and discretion to review and require revisions before approving the use of funds for project implementation.

- 2.3 The Subrecipient may only carry out the roles and responsibilities described in this Agreement.
- 2.4 The Subrecipient is prohibited from charging to Grant the costs of ineligible activities, including those described at 24 C.F.R. 570.207, unless waived or made eligible by applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this Agreement for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for the carrying out of activities outside the parameters of the Program or the contemplated Program Requirements.
- 2.5 All activities funded with CDBG-DR funds must meet one of two CDBG-DR Program's National objectives: benefit low-and-moderate-income persons or addressing urgent need. The Subrecipient certifies that the activities carried under this Agreement must meet at least one of these national objectives. Additionally, Subrecipient ensures collection of the necessary information and applicable forms to document National Objectives met.

The Subrecipient shall ensure that the services meet the applicable CDBG-DR National Objective(s) and that all subgrantees, subcontractors or third party completes the applicable forms to document the National Objective(s). The urgent need national objective will only be used when an LMI national objective cannot be achieved through the project, but the project has demonstrable recovery or mitigation benefits within the HUD- or grantee- identified MID. Each approved Project Description Form will describe the urgency, type, scale, and location of the disaster-related impact that will be addressed through the project. For planning activities, in accordance with 87 FR 6364: "To assist state grantees, HUD is waiving the requirements at 24 CFR 570.483(b)(5) and (c)(3), which limit the circumstances under which the planning activity can meet a low and moderate-income or slum-and-bligh national objective. Instead, as an alternative requirement, 24 CFR 570.208(d)(4) applies to states when funding disaster recovery-assisted, planning-only grants, or when directly administering planning activities that guide disaster recovery. In addition, 42 U.S.C. 5305(a)(12) is waived to the extent necessary so the types of planning activities that states may fund or undertake are expanded to be consistent with those of CDBG Entitlement grantees identified at 24 CFR 570.205."

### **3 PERFORMANCE MONITORING AND REPORTING**

**3.1 Monitoring.** OHCS shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of this Agreement, including the timeframes and performance goals associated with the activities under this program. The review will include reviewing financial and performance reports required by OHCS; following up and ensuring that the Subrecipient takes timely and appropriate actions on all deficiencies pertaining to the Federal award provided to the Subrecipient from OHCS detected through audits, on-site monitoring and other means; and

issuing a management decision for audit finding pertaining to the Subrecipient from OHCS as required by 2 C.F.R 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, will constitute noncompliance, and may be suspended or terminated as described in Section X of this agreement.

If action to correct such substandard performance is not taken by the Subrecipient within mutually agreed timeline, OHCS may impose additional conditions, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R Part 200.339.

**3.2 Reporting.** The Subrecipient shall complete and submit a monthly report by 15th of each month for previous month for each individual project, unless otherwise agreed by OHCS. The report must be submitted in the form and with the content specified and required by OHCS. OHCS shall notify the Subrecipient in writing the guidelines and requirement applicable to submittal of each project's performance report, and such notification will be deemed incorporated by reference to this Agreement.

The Subrecipient shall provide OHCS with a final project report upon completion of the project. It is expressly understood and agreed by the parties that if the Subrecipient fails to submit to OHCS in a timely and satisfactory manner any report required by this agreement, OHCS may, at its sole option and in its sole discretion, withhold any or all payments otherwise due or requested by the Subrecipient. If OHCS withholds such payments, it shall notify the Subrecipient in writing of its decision and the reasons, therefore. Payments withheld pursuant to this paragraph may be held by OHCS until such time as the delinquent obligations for which funds are withheld are fulfilled by the Subrecipient.

The Subrecipient is required to immediately report to OHCS any incident of criminal misapplication of funds associated with this agreement.

## **4 GRANT FUNDS AND DISBURSEMENT**

**4.1 Budget.** The Subrecipient shall complete all activities in Exhibit A of this Agreement in accordance with the Budget attached hereto. OHCS may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in the form and content prescribed by OHCS. Any amendment to the budget must be approved in writing and signed by OHCS and the Subrecipient.

4.2 Working Capital Advance. If lacking sufficient working capital, the Subrecipient can request a Working Capital Advance to cover anticipated initial expenses. After the initial period, the Subrecipient will receive funds on a reimbursement basis. In its request to Agency, the Subrecipient must provide documentation demonstrating financial need. The Subrecipient must also maintain, or demonstrate the willingness to maintain, both written procedures that minimize the time elapsing between the transfer of funds and disbursement, and financial management systems that meet the standards for fund control and accountability as established in this part. Working Capital Advance payments to the Subrecipient must be limited to the minimum amounts needed for the initial period and be timed to be in accordance with the estimated, immediate cash requirements of the Subrecipient in carrying out the purposes of the grant as described in this Agreement. The timing and amount of Working Capital Advance payment must be as close as is administrative feasible to the actual disbursements by the Subrecipient for allowable grant direct costs and the proportionate share of any allowable indirect costs. Working Capital Advance fund payments are at Agency's sole discretion and will be made only as close as is administratively feasible to the actual use by the Subrecipient for applicable direct or indirect Work costs and only up to the proportionate share of such allowable costs as is permitted under the Agreement, including applicable Program Requirements.

4.3 Indirect Costs. Indirect costs may be charged to OHCS, under a negotiated indirect cost rate agreement with a federal cognizant agency, a de minimis indirect cost rate (for applicable entities) or indirect cost proposal prepared and approved prior to the charging to the grant, in accordance with 2 C.F.R. Part 200, subpart E, as approved by OHCS in writing.

4.4 Program Income. The Subrecipient shall notify OHCS, within twenty-four (24) hours of receipt of any Program Income generated by activities carried out with CDBG-DR funds made available under this Agreement. All Program Income, as defined at 24 C.F.R Part 570.500 generated by activities carried out with Grant funds must be returned to OHCS if retention of such is not previously approved, in writing, by OHCS. Program Income is subject to all applicable CDBG-MIT laws, regulations and OHCS policies and procedures for so long as it exists. All program assets, other than Program Income (property, equipment, etc.) will revert to OHCS upon the termination of this Agreement in accordance with applicable Federal laws, regulations, HUD Notices, policies and guidelines. OHCS will notify the Subrecipient in writing of the applicable procedures for the return or reversion of Program Income and Program Assets to OHCS, as applicable to the activities.

- 4.5 Request for Reimbursement. The Subrecipient shall submit to the Agency request for reimbursements of activities under this Agreement and consistent with the approved budget and scope of work for each project, by 15th of the month, for the previous month, unless otherwise agreed by the Agency. Each Request for Reimbursement must be broken down into requested reimbursements against the budget line items associated with individual approved budget for each project. The Subrecipient shall submit Request for Reimbursements to the Agency, on the form and with the content specified and required by OHCS. The request for Reimbursements must be submitted with all documents necessary to justify the payment or any other supporting documents requested OHCS. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this Agreement. If OHCS determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice must be approved for payment. The Agency reserves the right to conduct any audit it deems necessary. If OHCS determines that any completed grant activities or documentation are not acceptable and that any deficiencies are the responsibility of Subrecipient, OHCS shall prepare a detailed written description of the deficiencies and will deliver such notice to Subrecipient. The Parties shall correct any deficiencies at no cost to OHCS. If OHCS determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice must be approved for payment. OHCS reserves the right to conduct any audit it deems necessary.
- 4.6 In accordance with U.S. Department of Treasury Regulations, 31 CFR Part 205, implementing the Cash Management Improvement Act, the Subrecipient shall limit any request for funds to the minimum amount needed to accomplish its described purposes and to time the requests in accordance with the actual, immediate requirements in carrying out Grant programs to be funded through Request for Funds.

## **5. FUNDING APPROPRIATION**

Funding under this Agreement is contingent on a CDBG-DR award to OHCS or a Grant Agreement between the State of Oregon or OHCS, and HUD, and OHCS' receipt of CDBG-DR funds. It is expressly agreed and understood that the total funding amount to be paid by OHCS to the Subrecipient under this Agreement must not exceed the amount specified in this Agreement. Such payment will be compensation for all allowable services required, performed, and accepted under this Agreement. However, OHCS reserves the right to reduce the funding amount if CDBG-DR funding is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in this Agreement.

## 6. SUSPENSION OR TERMINATION

**6.1 Nonperformance Standard.** If at the end of the six (6) months from the Effective Date, as defined in Section 1, of this Agreement, the Program activity has not begun or at any time during the term the Program activity has not accomplished the performance objectives set forth by OHCS, OHCS may, at its sole discretion, terminate this Agreement, de-obligate funds made available under this Agreement, and/or recapture funds previously expended by the Subrecipient under this Agreement from non-federal funds. No extensions of this Agreement will be granted unless the Subrecipient can document circumstances beyond its control that prevented start of the activities. OHCS shall review the properly filed and documented circumstances which are alleged to have prevented initiation of activity and exclusively reserves the right to decide if an extension is warranted, relative to the reasons stated as well as the prevailing circumstances.

**6.2 Termination.** OHCS may terminate this Agreement, in whole or in part, upon 45 calendar days' notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement or provision of this Agreement. Failure to comply with any terms of this Agreement, include (but are not limited to) the following:

1. Failure to comply with any of the rules, regulations, or provisions referred herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may become applicable at any time;
2. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement;
3. Ineffective or improper use of Grant funds provided under this Agreement; or
4. Submission by the Subrecipient to OHCS of reports that are incorrect or incomplete in any material respect.
5. Misrepresenting the Program with applicants or providing misinformation to the public. Errors or mistakes made in "good faith" by the Subrecipient are not grounds for termination. However, if the Subrecipient continues to mislead applicants or misrepresent the Program to the public after clear notice from OHCS identifying such errors, OHCS may initiate the termination process.

**6.2.1** OHCS shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination will take effect and any other notifications required under 2 CFR part 200.339 through 200.343. Upon termination, OHCS reserves the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to OHCS any improper expenditures no later than thirty (30) calendar days after the date of termination.

**6.2.2** OHCS may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this Agreement, 2 CFR Part 200, Subpart E, Cost Principles, and any other applicable State or Federal statutes, regulations, or requirements.

**6.2.3** This Agreement may be terminated in whole or in part by either OHCS or the Subrecipient or based on agreement by both parties in accordance with the requirements in 2 CFR part 200.339 through 200.343.

## **7. CONTRIBUTION**

**7.1** If any third party makes any claim or brings any action, suit, or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“**Third Party Claim**”) against a party (the “**Notified Party**”) with respect to which the other party (“**Other Party**”) may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party’s liability with respect to the Third Party Claim.

**7.2** With respect to a Third Party Claim for which the State is jointly liable with the Subrecipient (or would be if joined in the Third Party Claim ), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Subrecipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Subrecipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the Subrecipient on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

**7.3** With respect to a Third Party Claim for which the Subrecipient is jointly liable with the State (or would be if joined in the Third Party Claim), the Subrecipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the Subrecipient on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the

Subrecipient on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Subrecipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

**7.4** The Subrecipient shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("**Indemnitee**") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the Subrecipient's contractor or any of the officers, agents, employees or subcontractors of the contractor, including Subcontractors ("**Claims**"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

## **8. NOTICES**

Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given must be given in writing by personal delivery, email, or mailing the same, postage prepaid, or other written instrument, to the Subrecipient or OHCS at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may hereinafter indicate pursuant to this Section; provided however that any notice of termination must be given by certified or registered mail, return receipt requested. Any communication or notice so addressed and mailed will be deemed given five (5) calendar days after mailing. Any communication or notice delivered by email will be deemed to be given when receipt of transmission is generated by the transmitting machine. Any communication or notice by personal delivery will be deemed to be given when actually delivered.

## **9. MERGER CLAUSE**

This Agreement constitutes the entire agreement between the Parties on the subject matter hereof. No modification or amendment of this Agreement will bind either Party unless in writing and signed by the Parties (and the necessary approvals obtained), and no waiver or consent will be effective unless signed by the party against whom such waiver or consent is asserted. Such waiver or consent, if given, will be effective only in the specific instance and for the specific purpose given. There are no understandings, agreements or representations, oral or written, not specified herein regarding this Agreement.

OHCS or the Subrecipient may amend this agreement at any time provided that such amendments make specific reference to this Agreement, are approved by OHCS' governing body,

and are signed in writing by a duly authorized representative of OHCS and the Subrecipient. Such amendments will not invalidate this Agreement, nor relieve or release OHCS or the Subrecipient from its obligations under this Agreement. Amendments will generally be required when any of the following are anticipated: i) revision to the scope or objectives of the Program, including purpose or beneficiaries; ii) need to extend the availability of Grant Funds; iii) revision that would result in the need for additional funding; and iv) expenditures on items for which applicable cost principles require prior approval (see 24 CFR 570.200h for pre-award/pre-agreement costs).

OHCS may, in its discretion, amend this Agreement to conform with Federal, State or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this agreement, such modifications will be incorporated only by written amendment signed by both OHCS and the Subrecipient.

#### **10. CONFIDENTIALITY**

The Subrecipient shall and shall require and cause its subcontractors and vendors to protect the confidentiality of all information concerning clients and other applicants for and recipients of services funded by this Agreement. Neither it nor they shall release or disclose any such information except as necessary for the administration of the program(s) funded under this Agreement, as authorized in writing by the client, applicant or recipient of such services, or as required by law. All records and files shall be appropriately secured to prevent access by unauthorized persons.

The Subrecipient shall and shall require and cause its subcontractors and vendors to adhere to the CDBG-DR Personally Identifiable Information Policy found on the REOregon website at <https://re.oregon.gov>, as updated from time to time.

The Subrecipient shall and shall require and cause its subcontractors and vendors to ensure that all its officers, employees and agents are aware of and comply with this confidentiality requirement.

#### **11. INSURANCE REQUIREMENTS**

Subrecipient shall provide all necessary insurance, or self-insurance, as described in Exhibit B. Subrecipient shall require and ensure that each of its subrecipients and subcontractors complies with these requirements.

#### **12. DUAL PAYMENT**

The Subrecipient shall not be compensated for work performed under this Agreement from any other department of the State of Oregon, nor from any other source, including the federal government, unless such funds are used solely to increase the total Work provided under this Agreement. Any additional funds received through or for activities arising under this Agreement shall immediately be reported to Agency.

**13. INDEMNITY**

Subject to applicable law, the Subrecipient shall and shall require by contract that its subgrantees shall, defend, save, hold harmless, and indemnify (consistent with ORS Chapter 180) the State of Oregon and OHCS and their officers, employees and agents from and against all claims, suites, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever resulting from, arising out of, or, relating to the activities of the Subrecipient or its officers, employees, subgrantees, subcontractors, or agents under this Agreement.

**14. GOVERNING LAW; VENUE; CONSENT TO JURISDICTION**

This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") involving Agency that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County, for the State of Oregon or, if necessary, the United States District Court for the District of Oregon. Grantee expressly consents to the *in personam* jurisdiction of such courts.

Notwithstanding the foregoing, OHCS and the State of Oregon, as well as any other public-body party hereto, expressly reserve, and do not waive or limit any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court.

**15. DIVERSITY, EQUITY, AND INCLUSION**

OHCS is honored to be a part of the communities we serve. We acknowledge the long history of racial and other forms of discrimination in housing policy and programs. While we cannot change the past, we can commit ourselves to advance equity and racial justice now and in the future. Through meaningful stakeholder engagement, we can achieve equitable outcomes that result in economic prosperity for communities of color and culture and all other people living without affordable housing, social services, and other basic human rights. OHCS is deeply dedicated to reversing the multigenerational effects of structural racism and inequity.

A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of “residential structure” as defined in 24 C.F.R. § 40.2 or the definition of “building” as defined in 41 C.F.R. § 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. The Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. § 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The Subrecipient shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

b) Assurances and Real Property Covenants:

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the Subrecipient assures that the Program or activities described in this Agreement shall be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided shall be operated and administered in compliance with all requirements imposed by or pursuant to this Agreement.

If the Federal financial assistance under this Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the Subrecipient's assurance herein shall obligate the Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives OHCS and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-DR funds and provided to the Subrecipient under this Agreement, the instrument effecting any disposition by the Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or

under any such property are included as part of the Program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.
