**STATE OF OREGON
HOUSING AND COMMUNITY SERVICES DEPARTMENT
COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER RECOVERY SUBRECIPIENT GRANT
AGREEMENT**

This Subrecipient Grant Agreement #9025 (this “**Agreement**”) is entered into on the Effective Date (as hereinafter defined) by and between the State of Oregon, acting by and through its Housing and Community Services Department (“**OHCS**” or “**Agency**”), and Lane County, acting by and through its Human Services Division (the “**Subrecipient**”). OHCS and the Subrecipient may be jointly referred to herein as the “**Parties**” or, individually as a “**Party**”.

RECITALS

A. Pursuant to Public Law (P.L.)117-43 and the Federal Register Notice dated February 3, 2022 at 87 FR 6364, the U.S. Department of Housing and Urban Development (“**HUD**”) awarded \$422,286,000 in Community Development Block Grant Disaster Recovery (“**CDBG-DR**”) funds to OHCS (the “**OHCS Award**”) for activities authorized under Title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) and described in OHCS’ Action Plan that was approved by HUD (the “**Action Plan**”).

B. The Action Plan describes how OHCS will support wildfire recovery in the eight most impacted counties (Clackamas, Douglas, Jackson, Klamath, Lane, Lincoln, Linn, and Marion counties) (collectively, the “**Impacted Area**”) by the 2020 Labor Day fires in Oregon. OHCS will disburse the OHCS Award to counties, municipalities, nonprofit organizations, school districts, public housing authorities, special districts or other public or quasi-public entities (collectively, “**Subrecipients**” in the Impacted Area.

C. The Action Plan also describes the various CDBG-DR recovery programs (collectively, the “**Programs**” and each, a “**Program**”) under which Subrecipients will conduct allowable recovery activities in the Impacted Area. The Program applicable to the Subrecipient’s allowable recovery activities and the Subrecipient’s Program requirements, are defined in Exhibit A attached hereto (the “**Program Requirements**”).

D. For the Subrecipient’s delivery of the Program Activities as set forth in Exhibit A (the “**Program Activities**”) OHCS is subawarding a portion of the OHCS Award to the Subrecipient in an amount not to exceed **FIVE HUNDRED TWENTY-EIGHT THOUSAND FOUR HUNDRED AND SIXTY DOLLARS AND FORTY ONE CENTS (\$528,460.41)** (the “**Grant**” or the “**Grant Amount**”), subject to the terms and conditions set forth herein.

AGREEMENT

NOW, THEREFORE, for good and sufficient consideration, including the terms, conditions, covenants, warranties, and undertakings set forth herein, the Parties hereto hereby agree as follows:

1. TERM

This term of this Agreement (the “**Term**”) will become effective on October 1, 2024 (the “**Effective Date**”) and expires on March 31, 2027 (the “**Expiration Date**”), unless otherwise terminated as provided in this Agreement or extended as required below. To the extent that the Subrecipient desires to extend the Term, a request for an amendment must be sent in writing to OHCS thirty (30) calendar days prior to the Expiration Date outlining the reasons for the delay and specify the request for additional time needed.

Attachments

The following Exhibits and referenced documents are incorporated herein by reference to the same extent and with the same force and effect as if fully set forth herein, provided, however, that nothing in the Exhibits or in the incorporated documents will be deemed to modify the express provisions hereinafter set forth.

Exhibit B: Insurance Requirements

Exhibit C: Federal Grant Award Information

Exhibit D: HUD General Provisions and other Federal Statutes

Exhibit E: Approved Project Budget

Exhibit F: Project Description, Attachments & Certifications (Application)

2. GENERAL REQUIREMENTS

2.1 The Subrecipient shall conduct, in a satisfactory manner as determined by OHCS, Program Requirements and provide the Program Activities for emergency relief in the Impacted Area as defined in Exhibit A. The Subrecipient shall perform all requirements in accordance with the terms of this Agreement and all exhibits, which are hereby incorporated.

2.2 The Subrecipient shall prepare and submit to OHCS all required project(s) documentation in accordance with the attached Exhibit A. OHCS reserves the authority and discretion to review and require revisions before approving the use of funds for project implementation.

- 2.3 The Subrecipient may only carry out the roles and responsibilities described in this Agreement.
- 2.4 The Subrecipient is prohibited from charging to Grant the costs of ineligible activities, including those described at 24 C.F.R. 570.207, unless waived or made eligible by applicable Federal Register Notice, from using funds provided herein or personnel employed in the administration of activities under this Agreement for political activities, inherently religious activities, or lobbying. The Subrecipient may be financially liable for the carrying out of activities outside the parameters of the Program or the contemplated Program Requirements.
- 2.5 All activities funded with CDBG-DR funds must meet one of two CDBG-DR Program's National objectives: benefit low-and-moderate-income (LMI) persons or addressing urgent need. The Subrecipient certifies that the activities carried under this Agreement must meet at least one of these national objectives. Additionally, Subrecipient ensures collection of the necessary information and applicable forms to document National Objectives met.

The Subrecipient shall ensure that the services meet the applicable CDBG-DR National Objective(s) and that all subgrantees, subcontractors or third party completes the applicable forms to document the National Objective(s). The urgent need national objective will only be used when an LMI national objective cannot be achieved through the project, but the project has demonstrable recovery or mitigation benefits within the HUD- or grantee- identified Most Impacted and Distressed (MID) areas. Each approved Project Description Form will describe the urgency, type, scale, and location of the disaster-related impact that will be addressed through the project. For planning activities, in accordance with 87 FR 6364: "To assist state grantees, HUD is waiving the requirements at 24 CFR 570.483(b)(5) and (c)(3), which limit the circumstances under which the planning activity can meet a low and moderate-income or slum-and-blight national objective. Instead, as an alternative requirement, 24 CFR 570.208(d)(4) applies to states when funding disaster recovery-assisted, planning-only grants, or when directly administering planning activities that guide disaster recovery. In addition, 42 U.S.C. 5305(a)(12) is waived to the extent necessary so the types of planning activities that states may fund or undertake are expanded to be consistent with those of CDBG Entitlement grantees identified at 24 CFR 570.205."

3 PERFORMANCE MONITORING AND REPORTING

3.1 Monitoring. OHCS shall monitor the performance of the Subrecipient as necessary to ensure that the funds allocated to the Subrecipient are used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of this Agreement, including the timeframes and performance goals associated with the activities under this program. The review will include reviewing financial and performance reports required by OHCS; following up and ensuring that the Subrecipient takes timely and appropriate actions on all deficiencies pertaining to the Federal award provided to the

Subrecipient from OHCS detected through audits, on-site monitoring and other means; and issuing a management decision for audit finding pertaining to the Subrecipient from OHCS as required by 2 C.F.R 200.521.

Substandard performance, defined as a performance that falls short of the standard expected of the Subrecipient, will constitute noncompliance, and may be suspended or terminated as described in Section 6.2 of this agreement.

If action to correct such substandard performance is not taken by the Subrecipient within mutually agreed timeline, OHCS may impose additional conditions, disallow all or part of the cost of the activity or action not in compliance or initiate other remedies for noncompliance, as appropriate and permitted under 2 C.F.R Part 200.339.

3.2 Reporting. The Subrecipient shall complete and submit a monthly report by the 15th of each month for the previous month for each individual project, unless otherwise agreed by OHCS. The report must be submitted in the form and with the content specified and required by OHCS. OHCS shall notify the Subrecipient in writing of the guidelines and requirement applicable to submittal of each project’s performance report, and such notification will be deemed incorporated by reference to this Agreement.

The Subrecipient shall provide OHCS with a final project report upon completion of the project. It is expressly understood and agreed by the parties that if the Subrecipient fails to submit to OHCS in a timely and satisfactory manner any report required by this agreement, OHCS may, at its sole option and in its sole discretion, withhold any or all payments otherwise due or requested by the Subrecipient. If OHCS withholds such payments, it shall notify the Subrecipient in writing of its decision and the reasons, therefore. Payments withheld pursuant to this paragraph may be held by OHCS until such time as the delinquent obligations for which funds are withheld are fulfilled by the Subrecipient.

The Subrecipient is required to immediately report to OHCS any incident of criminal misapplication of funds associated with this agreement.

4 GRANT FUNDS AND DISBURSEMENT

4.1 Budget. The Subrecipient shall complete all activities in Exhibit A of this Agreement in accordance with the approved project budget (Exhibit E) attached hereto. OHCS may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide any requested supplementary budget information in the form and content prescribed by OHCS. Any amendment to the budget must be approved in writing and signed by OHCS and the Subrecipient.

4.2 Budget Changes. Subrecipient may make changes to any budget category amounts up to 10% of the total award amount per line item with the approval of OHCS so long as budget categories are not added or deleted, the total dollar amount of the Agreement is not affected, and the outcomes of the Agreement will not be materially affected as determined by OHCS. Such changes to the budget must be approved in writing and signed by OHCS and the Subrecipient. Agreement amendments are required for any other budget changes.

4.3 Working Capital Advance. If lacking sufficient working capital, the Subrecipient can request a Working Capital Advance to cover anticipated initial expenses. After the initial period, the Subrecipient will receive funds on a reimbursement basis. In its request to Agency, the Subrecipient must provide documentation demonstrating financial need. The Subrecipient must also maintain, or demonstrate the willingness to maintain, both written procedures that minimize the time elapsing between the transfer of funds and disbursement, and financial management systems that meet the standards for fund control and accountability as established in this part. Working Capital Advance payments to the Subrecipient must be limited to the minimum amounts needed for the initial period and be timed to be in accordance with the estimated, immediate cash requirements of the Subrecipient in carrying out the purposes of the grant as described in this Agreement. The timing and amount of Working Capital Advance payment must be as close as is administratively feasible to the actual disbursements by the Subrecipient for allowable grant direct costs and the proportionate share of any allowable indirect costs. Working Capital Advance fund payments are at Agency's sole discretion and will be made only as close as is administratively feasible to the actual use by the Subrecipient for applicable direct or indirect costs incurred in performing Program Activities, and only up to the proportionate share of such allowable costs as is permitted under the Agreement, including applicable Program Requirements.

4.4 Cash Advance. If the Subrecipient has insufficient cash flow to cover the costs of administering this agreement, then cash advances may be requested. This method transfers CDBG-DR funds to the subrecipient to meet obligations before actual cash disbursements have been made. The services are rendered, costs are incurred, but the invoice received (or expected) has not been paid. Cash advances are considered expended by HUD and do not require an interest-bearing account. These funds will need to be substantiated with supporting documentation within a reasonable timeframe. Upon receipt of the cash advance, the subrecipient will pay the invoice within three (3) days to be compliant with the federal Cash Management Improvement Act and OHCS' timely expenditures policy. As an additional financial safeguard, OHCS may require subrecipients to deposit any amount exceeding \$25,000.00 into an interest-bearing account if the funds are not utilized within three (3) business days of receipt.

- 4.5 Indirect Costs.** Indirect costs may be charged to OHCS, under a negotiated indirect cost rate agreement with a federal cognizant agency, a de minimis indirect cost rate (for applicable entities) or indirect cost proposal prepared and approved prior to the charging to the grant, in accordance with 2 C.F.R. Part 200, subpart E, as approved by OHCS in writing.
- 4.6 Program Income.** The Subrecipient shall notify OHCS, within twenty-four (24) hours of receipt of any Program Income generated by activities carried out with CDBG-DR funds made available under this Agreement. All Program Income, as defined at 24 C.F.R Part 570.500 generated by activities carried out with Grant funds must be returned to OHCS if retention of such is not previously approved, in writing, by OHCS. Program Income is subject to all applicable CDBG-DR laws, regulations and OHCS policies and procedures for so long as it exists. All program assets, other than Program Income (property, equipment, etc.) will revert to OHCS upon the termination of this Agreement in accordance with applicable Federal laws, regulations, HUD Notices, policies and guidelines. OHCS will notify the Subrecipient in writing of the applicable procedures for the return or reversion of Program Income and Program Assets to OHCS, as applicable to the activities.
- 4.7 Request for Reimbursement.** The Subrecipient shall submit to the Agency request for reimbursements of activities under this Agreement and consistent with the approved budget and scope of work for each project, by the 15th of the month, for the previous month, unless otherwise agreed by the Agency. Each Request for Reimbursement must be broken down into requested reimbursements against the budget line items associated with the individual approved budget for each project. The Subrecipient shall submit Request for Reimbursements to the Agency, on the form and with the content specified and required by OHCS. The request for Reimbursements must be submitted with all documents necessary to justify the payment or any other supporting documents requested by OHCS. Documentation must be provided by Subrecipient demonstrating that all vendor procurements for which payment is requested have been made in accordance with this Agreement, unless such a vendor procurement record has already been provided to OHCS. If OHCS determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice must be approved for payment. The Agency reserves the right to conduct any audit it deems necessary. If OHCS determines that any completed grant activities or documentation are not acceptable and that any deficiencies are the responsibility of Subrecipient, OHCS shall prepare a written description of the deficiencies and will deliver such notice to Subrecipient. The Parties shall correct any deficiencies at no cost to OHCS.

4.8 Cash Management. In accordance with U.S. Department of Treasury Regulations, 31 CFR Part 205, implementing the Cash Management Improvement Act, the Subrecipient shall limit any request for funds to the minimum amount needed to accomplish its described purposes and to time the requests in accordance with the actual, immediate requirements in carrying out Grant programs to be funded through Request for Funds.

5. FUNDING APPROPRIATION

Funding under this Agreement is contingent on a CDBG-DR award to OHCS or a Grant Agreement between the State of Oregon or OHCS, and HUD, and OHCS' receipt of CDBG-DR funds. It is expressly agreed and understood that the total funding amount to be paid by OHCS to the Subrecipient under this Agreement must not exceed the amount specified in this Agreement. Such payment will be compensation for all allowable services required, performed, and accepted under this Agreement. However, OHCS reserves the right to reduce the funding amount if CDBG-DR funding is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in this Agreement.

6. SUSPENSION OR TERMINATION

6.1 Nonperformance Standard. If at the end of the six (6) months from the Effective Date, as defined in Section 1, of this Agreement, the Program activity has not begun or at any time during the term the Program activity has not accomplished the performance objectives set forth by OHCS, OHCS may, at its sole discretion, terminate this Agreement, de-obligate funds made available under this Agreement, and/or recapture funds previously expended by the Subrecipient under this Agreement from non-federal funds. No extensions of this Agreement will be granted unless the Subrecipient can document circumstances beyond its control that prevented start of the activities. OHCS shall review the properly filed and documented circumstances which are alleged to have prevented initiation of activity and exclusively reserves the right to decide if an extension is warranted, relative to the reasons stated as well as the prevailing circumstances.

6.2 Termination. OHCS may terminate this Agreement, in whole or in part, upon 45 calendar days' notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement or provision of this Agreement. Failure to comply with any terms of this Agreement, include (but are not limited to) the following:

1. Failure to comply with any of the rules, regulations, or provisions referred herein, or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may become applicable at any time;
2. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement;
3. Ineffective or improper use of Grant funds provided under this Agreement; or
4. Submission by the Subrecipient to OHCS of reports that are incorrect or incomplete in any material respect.

5. Continuing to provide misinformation to applicants or the public regarding allowable recovery activities under the Programs after receiving notice from OHCS that identifies the misinformation previously provided.

6.2.1 OHCS shall promptly notify the Subrecipient, in writing, of its determination and the reasons for the termination together with the date on which the termination will take effect and any other notifications required under 2 CFR part 200.339 through 200.343. Upon termination, OHCS reserves the right to recover any improper expenditures from the Subrecipient and the Subrecipient shall return to OHCS any improper expenditures no later than thirty (30) calendar days after the date of termination.

6.2.2 OHCS may, at its sole discretion, allow the Subrecipient to retain or be reimbursed for costs reasonably incurred prior to termination, that were not made in anticipation of termination and cannot be canceled provided that said costs meet the provisions of this Agreement, 2 CFR Part 200, Subpart E, Cost Principles, and any other applicable State or Federal statutes, regulations, or requirements.

6.2.3 This Agreement may be terminated in whole or in part by either OHCS or the Subrecipient or based on agreement by both parties in accordance with the requirements in 2 CFR part 200.339 through 200.343.

7. CONTRIBUTION

7.1 If any third party makes any claim or brings any action, suit, or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“**Third Party Claim**”) against a party (the “**Notified Party**”) with respect to which the other party (“**Other Party**”) may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party’s liability with respect to the Third Party Claim.

7.2 With respect to a Third Party Claim for which the State is jointly liable with the Subrecipient (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Subrecipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Subrecipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts,

as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the Subrecipient on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

7.3 With respect to a Third Party Claim for which the Subrecipient is jointly liable with the State (or would be if joined in the Third Party Claim), the Subrecipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the Subrecipient on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Subrecipient on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines, or settlement amounts. The Subrecipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

7.4 The Subrecipient shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend (subject to ORS Chapter 180), save and hold harmless the State of Oregon, OHCS and their officers, employees and agents ("**Indemnitee**") from and against any and all claims, actions, liabilities, damages, losses, costs and expenses (including attorneys' fees) caused, or alleged to be caused, in whole or in part, by the acts or omissions of the Subrecipient's contractor or any of the officers, agents, employees or subcontractors of the contractor ("**Claims**"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

8. NOTICES

Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given must be given in writing by personal delivery, email, or mailing the same, postage prepaid, or other written instrument, to the Subrecipient or OHCS at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may hereinafter indicate pursuant to this Section; provided however that any notice of termination must be given by certified or registered mail, return receipt requested. Any communication or notice so addressed and mailed will be deemed given five (5) calendar days

after mailing. Any communication or notice delivered by email will be deemed to be given when receipt of transmission is generated by the transmitting machine. Any communication or notice by personal delivery will be deemed to be given when actually delivered.

9. MERGER CLAUSE

This Agreement constitutes the entire agreement between the Parties on the subject matter hereof. No modification or amendment of this Agreement will bind either Party unless in writing and signed by the Parties (and the necessary approvals obtained), and no waiver or consent will be effective unless signed by the party against whom such waiver or consent is asserted. Such waiver or consent, if given, will be effective only in the specific instance and for the specific purpose given. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement.

OHCS or the Subrecipient may amend this agreement at any time provided that such amendments make specific reference to this Agreement, are approved by OHCS' governing body, and are signed in writing by a duly authorized representative of OHCS and the Subrecipient. Such amendments will not invalidate this Agreement, nor relieve or release OHCS or the Subrecipient from its obligations under this Agreement. Amendments will generally be required when any of the following are anticipated: i) revision to the scope or objectives of the Program, including purpose or beneficiaries; ii) need to extend the availability of Grant Funds; iii) revision that would result in the need for additional funding; and iv) expenditures on items for which applicable cost principles require prior approval (see 24 CFR 570.200h for pre-award/pre-agreement costs).

OHCS may, in its discretion, amend this Agreement to conform with Federal, State or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this agreement, such modifications will be incorporated only by written amendment signed by both OHCS and the Subrecipient.

10. CONFIDENTIALITY

The Subrecipient shall and shall require and cause its subcontractors and vendors to protect the confidentiality of all information concerning clients and other applicants for and recipients of services funded by this Agreement. Neither it nor they shall release or disclose any such information except as necessary for the administration of the program(s) funded under this Agreement, as authorized in writing by the client, applicant or recipient of such services, or as required by law. All records and files shall be appropriately secured to prevent access by unauthorized persons.

The Subrecipient shall and shall require and cause its subcontractors and vendors to adhere to the CDBG-DR Personally Identifiable Information Policy found on the ReOregon website at <https://re.oregon.gov>, as updated from time to time.

The Subrecipient shall and shall require and cause its subcontractors and vendors to ensure that all its officers, employees and agents are aware of and comply with this confidentiality requirement.

11. INSURANCE REQUIREMENTS

Subrecipient shall provide all necessary insurance, or self-insurance, as described in Exhibit B. Subrecipient shall require and ensure that each of its subrecipients and subcontractors complies with these requirements.

12. DUAL PAYMENT

The Subrecipient shall not be compensated for work performed under this Agreement from any other department of the State of Oregon, nor from any other source, including the federal government, unless such funds are used solely to increase the total work required under this Agreement for performance of the Program Activities. Any additional funds received through or for activities arising under this Agreement shall immediately be reported to Agency.

13. RESERVED

14. GOVERNING LAW; VENUE; CONSENT TO JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") involving Agency that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County, for the State of Oregon or, if necessary, the United States District Court for the District of Oregon. Grantee expressly consents to the *in personam* jurisdiction of such courts.

Notwithstanding the foregoing, OHCS and the State of Oregon, as well as any other public-body party hereto, expressly reserve, and do not waive or limit any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court.

15. DIVERSITY, EQUITY, AND INCLUSION

OHCS is honored to be a part of the communities we serve. We acknowledge the long history of racial and other forms of discrimination in housing policy and programs. While we cannot change the past, we can commit ourselves to advance equity and racial justice now and in the future. Through meaningful stakeholder engagement, we can achieve equitable outcomes that result in economic prosperity for communities of color and culture and all other people living without affordable housing, social services, and other basic human rights. OHCS is deeply dedicated to reversing the multigenerational effects of structural racism and inequity.

EXHIBIT A

Scope of Work

1. **Program Purpose.** As outlined in the ReOregon Action Plan, the Intermediate Housing Assistance (IHA) Program will provide assistance to eligible residents located in the Impacted Area who lack the necessary resources or support networks to obtain affordable rental housing or need alternative housing until permanent housing solutions are secured. “Allowable Program Activities” (Section 2) describes the activities the Subrecipient will provide to develop and implement the IHA program.

2. **Allowable Program Activities.** Subrecipient shall comply and perform and shall cause and require by contract that its subrecipients comply and perform all Program Activities to the satisfaction of Agency and in accordance with the terms of this Agreement and the Program Requirements. The remaining provisions of this Section 2 are supplemental to and do not limit the obligations of Subrecipient or its subrecipients arising under this Subsection 2a or otherwise under this Agreement. The Subrecipient will provide the following scope of services through program close-out or termination of this Agreement, including but not limited to:
 - a. Develop and implement a comprehensive IHA program that conforms to the ReOregon IHA Policy Manual (and any subsequent updates/changes) and any other applicable Program Guidance to enable a timely and equitable delivery of resources to communities who are impacted by the 2020 Wildfires, including, but not limited to, communities of color, people with disabilities, and other groups.  - d. Conduct inspections of IHA-assisted units (except in cases where participant is only receiving utility assistance) in accordance with Program Guidance. Subrecipient may use any standard inspection method allowable by Program Guidance but must select the same inspection type to be used across all Applicants to ensure that assistance is provided in an equitable manner. Subrecipient will inform OHCS of the allowable inspection type selected and will notify OHCS in advance of any change to the type of inspection being conducted;
 - e. Ensure support and services help survivors overcome any accessibility barriers, including but not limited to language, disability, and national origin/residency status;
 - f. Ensure all staff working on the program are trained, have access to, and understand all current program policies and procedures;
 - g. Create a welcoming environment for applicants and participants based on trauma-informed communication practices;
 - h. Provide housing navigation and case management services to eligible households, including

but not limited to:

- i. Conduct an assessment of each household’s housing needs (including financial) and assist applicants in finding, selecting, and securing decent, safe, and sanitary housing.
- ii. In collaboration with each household, create a housing stabilization plan that specifies a housing stabilization goal and specific steps that the household and the Subrecipient will take to help achieve that goal.
- iii. Conduct at least one case management appointment per month with each household to support progress on achieving the housing stabilization plan.
- iv. Be available to applicants to answer questions regarding the program; program policies and procedures, such as appeals or exception requests; and to support applicants in identifying, collecting, and/or digitizing additional documents or other materials requested by Agency and/or Agency representatives.
- v. Support applicants in developing appeals, as needed.
- vi. Coordinate with ReOregon HARP and HSS Down Payment Assistance (DPA), Housing Counseling and Affordable Housing Development programs as needed or required by program design as described in the ReOregon IHA Policy Manual, to support IHA participant transition into permanent housing.
 - i. Provide direct, timely, and accurate payment of IHA benefits to landlords and vendors on behalf of eligible households in accordance with Policy Guidance.
 - j. Collect required program data and maintain documentation of program determinations (including application, eligibility, unit inspection, rental and other subsidies, and termination/client closeout) and case management activities.
 - i. Files must use documents and file checklists provided by OHCS where applicable.

3. **Service Area.** Subrecipients are to serve applicants in their appropriate service area, which may include if an applicant currently lives in the service area or is seeking to find housing in that service area. Service areas are delineated at the county level. Below is the service area for each participating subrecipient:

Subrecipient	Service Area
Access	Douglas County, Jackson County, Klamath County
CSC	Lincoln County, Linn County
Lane County	Lane County
Mid-Willamette Valley	Marion County, Clackamas County

4. **Limitations Pending Environmental Clearance.** OHCS shall coordinate all necessary information to file for an exemption from Environmental Review for the Project(s) in accordance with 24 C.F.R. Part 58 regulation. The Subrecipient acknowledges that it has no legal claim to any amount of Grant funds for any Projects under this Agreement until the environmental review process is completed and approved by OHCS. The Subrecipient acknowledges that it will not begin any actions related to the project until the environmental review process is completed and Subrecipient has received written approval and Notice to Proceed from OHCS.

5. **Required Use of System of Record.** Applications must be entered into the HMIS Service Point software, either provided by the Agency or provided by the Subrecipient, as the platform for capturing applicant information for processing prioritization. Subrecipient must also use HMIS for ongoing case management, including but not limited to recording income recertifications and assistance payments. Data must be entered into HMIS within three business days of enrollment into the program.
6. **Secondary System of Record for Referrals.** Neighborly will be the System of Record to allow secure information sharing for referrals between ReOregon programs. Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any Program or activity funded in whole or in part with Federal financial assistance. The Subrecipient shall adhere to the prohibitions against

discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (Section 504). Section 109 of the Housing and Community Development Act of 1974 makes these requirements applicable to Programs or activities funded in whole or in part with CDBG-DR funds. Thus, the Subrecipient shall comply with regulations of 24 C.F.R. Part 8, which implement Section 504 for HUD Programs, and the regulations of 24 C.F.R. Part 146, which implement the Age Discrimination Act for HUD Programs.

The Subrecipient shall ensure that all CDBG-DR activities conducted by itself or its contractors are consistent with the applicable federal and local legal provisions, regulations, and policies that prohibit discrimination on the basis of race, creed, color, national origin, religion, sex, disability, familial status, actual or perceived sexual orientation or gender identity, marital status, or age, as established in the CDBG-DR Fair Housing and Equal Opportunity (FHEO) Policy for CDBG-DR Programs.

41. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT

The Subrecipient shall ensure that its Activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act.

The Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of “residential structure” as defined in 24 C.F.R. § 40.2 or the definition of “building” as defined in 41 C.F.R. § 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 C.F.R. Part 40 for residential structures, and appendix A to 41 C.F.R. Part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. § 12131; 47 U.S.C. § 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

The Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as

revised by Executive Order 13279. The applicable non- discrimination provisions in Section 109 of the HCDA are still applicable.

No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Program or activity funded by this Agreement. The specific nondiscrimination provisions at 24 C.F.R. § 1.4 apply to the use of these funds. The Subrecipient shall not intimidate, threaten, coerce, or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 C.F.R. Part 1, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under 24 C.F.R. Part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 C.F.R. Part 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

b) Assurances and Real Property Covenants:

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the Subrecipient assures that the Program or activities described in this Agreement shall be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided shall be operated and administered in compliance with all requirements imposed by or pursuant to this Agreement.

If the Federal financial assistance under this Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the Subrecipient's assurance herein shall obligate the Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases the assurance shall obligate the Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application.

This assurance gives OHCS and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-DR funds and provided to the Subrecipient under this Agreement, the instrument effecting any disposition by the Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for

which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

If the Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the Program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

c) Women- and Minority-Owned Businesses (W/MBE)

The Subrecipient shall take the affirmative steps listed in 2 C.F.R. § 200.321(b)(1) through (5) to assure that minority businesses, women’s business enterprises, and labor surplus area firms are used when possible, when the Subrecipient procures property or services under this Agreement. As used in this Agreement, the terms “small business” means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. § 632), and “minority and women’s business enterprise” means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, “minority group members” are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian- Americans, and American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

In compliance with the CDBG-DR Minority and Women-Owned Business Enterprise Policy (M/WBE Policy), the Subrecipient shall complete a utilization plan to identify how they plan on successfully achieving the contracting goals for MBE and WBE’s. Subrecipient shall also complete monthly reporting to provide information on contracting opportunities and payouts provided to WBE or MBE contractors or subcontractors. Subrecipient shall also document their efforts and submit those to OHCS on a monthly basis. See the M/WBE Policy, as found in the ReOregon Website (<https://re.oregon.gov>) which is herein included and made integral part of this Agreement, as it may be updated from time to time.

d) Notifications

The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker’s representative of the Subrecipient’s commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

e) Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The Subrecipient shall, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

43. LABOR STANDARDS

The Subrecipient shall comply with the in labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended, and ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this Agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis Bacon Act, as amended (40 U.S.C. § 3141, et seq.), and 29 C.F.R. Part 1, 3, 5, 6, and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than eight (8) units.

The Subrecipient agrees to comply with the (18 U.S.C. § 874) and it's implementing regulations of the U.S. Department of Labor at 29 C.F.R. Part 3 and part 5. The Subrecipient shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to OHCS for review upon request.

The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the Program for: political activities; inherently religious activities; lobbying; political patronage; or nepotism activities.

44. CITIZEN GRIEVANCES

If the Subrecipient receives any complaint or grievance, it shall refer said complaint or grievance immediately to the Program so that OHCS may respond appropriately within fifteen (15) business days of the receipt of the complaint.

45. TECHNICAL ASSISTANCE AND TRAININGS

The Subrecipient shall certify attendance for any and all technical assistance and/or applicable program trainings that the OHCS requires from time to time at its discretion. Failure to attend may be considered as cause for termination.

46. UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT (URA)

Every project funded in part or in full by CDBG-DR funds, and all activities related to that project, are subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended, 42 U.S.C. § 4601 et seq., and section 104(d) of the Housing and Community Development Act of 1992, as amended (HCDA), 42 U.S.C. § 5304(d), except where waivers or alternative requirements have been provided by HUD. The implementing regulations for URA are at 49 C.F.R. Part 24, and the regulations for section 104(d) are at 24 C.F.R. Part 42, subpart C. Additionally, HUD has established regulations specific to CDBG-funded housing activities at 24 C.F.R. § 570.606. The primary purpose of these laws and regulations is to provide uniform, fair, and equitable treatment of persons whose real property is acquired or who are displaced in connection with federally funded projects.

When CDBG-DR funds are planned, intended, or used for any activity or phase of a project and the phases are interdependent, URA applies to that activity or project. This includes any property

acquisition, even if CDBG-DR funds are not used to fund the purchase, if the contract to acquire property is executed with the intention of seeking CDBG-DR funds to complete the project or an interdependent phase of the project. Subrecipients are responsible for ensuring URA compliance throughout the design, proposal, and implementation of any project that includes real property acquisition or displacement of residential or business occupants.

47. ADDITIONAL SPECIFIC CONDITIONS

Notwithstanding the special conditions established in this Agreement and its exhibits, in accordance with 2 C.F.R. § 200.208, OHCS reserves the right and authority to impose additional specific conditions under any of the following circumstances:

- a) At the OHCS' sole discretion when OHCS finds that Subrecipient has a history of failure to comply with the general or specific terms and conditions applicable to the CDBG-DR funds allocated under this Agreement or any other agreement with OHCS.
- b) When Subrecipient fails to meet expected performance goals under this Agreement.
- c) When Subrecipient poses an increased risk for noncompliance based on factors including, but not limited to, financial stability, quality of management systems, history of performance under Federal awards, history of timeliness under Federal awards, history of conformance with terms and conditions of previous federal awards, and reports and findings from audits.
- d) When, in the OHCS' sole discretion, such conditions are necessary to ensure timely and compliant performance under the CDBG-DR Program.

Such additional specific conditions may include but are not limited to, withholding of authority to proceed to the next phase of an otherwise eligible Project, requiring additional detailed financial reports, requiring additional project monitoring, requiring the Subrecipient to obtain technical or management assistance, establishing additional prior approvals, or any other condition OHCS deems reasonable and necessary to safeguard Federal funds or the OHCS' interests.

Notice of additional specific conditions shall include, but not be limited to, the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the action needed to remove the additional requirement (if applicable), and the time allowed for completion of the actions (if applicable).

48. USE AND REVERSION OF ASSETS

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 24 CFR Part 85 and 24 CFR 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

- a) The Subrecipient shall transfer to the Grantee any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
- b) Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of

- this Agreement [or such longer period of time as the Grantee deems appropriate]. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the Grantee. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period [or such longer period of time as the Grantee deems appropriate].
- c) In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee [an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment].

2) IHA Invoice Documentation Plan - Checklist and Review Process

This IHA documentation checklist covers what documentation subrecipients are required to submit in order for OHCS to conduct a programmatic review of direct assistance costs. Some documentation for direct assistance can be retained by the subrecipient until requested by OHCS.

For staff payroll and other direct costs (e.g., travel, materials, supplies, and facilities and admin), IHA subrecipients should refer to the Supporting Document Checklist contained in Chapter 4 (Financial Management) of the Subrecipient Manual. These costs will be invoiced by the subrecipient and supporting documentation should be provided.

¹ Column indicates whether a particular document will be provided to OHCS as part of the review of the invoice package or retained in the subrecipient’s case file and sampled by OHCS in a later monitoring.

² Case Management covers the transportation to conduct outreach/meetings with program participants.

³ Housing Navigation covers the transportation to obtain housing for program participants.

Additional Note: Invoices and documentation of expenditures must be accompanied by proof of payment and must properly reference the client, when applicable:

- Detailed receipts (date of purchase, itemization, costs, etc.)
- Cancelled Checks (front and back reflecting tendered instrument)
- Bank Statements reflecting transaction or batch including transaction
- Credit Card Statements (for expenses paid with CC)
- Detailed G/L reflecting debit (payment)
- ACH Proof of Payment
- Paid invoice from vendor

Invoice Review and Approval Process:

- For monthly invoices, OHCS will review packages for completeness and accuracy before processing reimbursements.
 - Apart from the landlord rent register or an invoice, IHA subrecipients are not required to submit specific documentation to OHCS for direct assistance costs at the time of reimbursement.
- For the first three months (from the time the subrecipient starts to invoice costs), **10 percent** of the file documentation will be sampled and reviewed prior to approval for reimbursement. For subrecipients with fewer caseloads, a **minimum of 3 files** will be reviewed.
 - OHCS will review the sampled files to verify:
 - 1) that documentation exists to support the sampled cost,
 - 2) that retained documentation can be received in a timely manner when requested,
 - 3) that there are no inconsistencies in the rent register, and
 - 4) that the total amount being requested for reimbursement is accurate.
 - In order for OHCS to feel comfortable moving to a more periodic monitoring, the sampled files need meet a 100% accuracy rate by the end of first three months.
 - Once IHA subrecipients have demonstrated a grasp on the program policies and required documentation, OHCS would move to independent sampling review on a **quarterly or ad-hoc basis**.
- If a subrecipient fails to pass the sampling and review of file documentation after the first three months, OHCS may choose to conduct three additional quarters (9 more months) of QA/QC. The fourth quarter will likely be a more expansive review done through the annual monitoring.

OHCS will conduct annual monitoring of IHA subrecipients. The results of the sampling and review will likely inform how OHCS conducts the monitoring visit with each subrecipient.

INSTRUCTIONS FOR HOW TO COMPLETE THE BUDGET FORM

Purpose: This budget form will allow subrecipients to inform OHCS of their program budget. If the subrecipients is associated with more than one CDBG-DR program or project, the subrecipient will need to develop more than one budget; one per program or project. This budget form acts like a summary sheet. The subrecipient is encouraged to either include additional tabs for more detail or submit supporting documentation to explain how budgets are derived. In addition, the "Review Qs" tab provides a checklist for OHCS reviewers and questions that OHCS may ask, so subrecipients may want to look at that tab when preparing their budgets.

On the bottom of the form, if needed, be sure to identify if there will be contingency in the budget and whether the subrecipient elects to include indirect costs as part their budget. If the subrecipient has an approved indirect cost rate, please provide support.

REMINDER: After the execution of the Subrecipient Agreement, this budget form will be updated on a quarterly basis. If there are changes, make sure to highlight them (e.g., change to line items, contingency, or need for more/less funding). If there is no change, feel free to indicate that nothing was changed in the budget.

Note: The Personnel (2nd tab) may be utilized to calculate an annual rate to utilize on the Sub Budget tab (1st tab) in the Payroll section. If using this tab, formulas are already in place to pull the role/title, duration, and annual rate over from the Personnel tab. If the user is not using the Personnel tab, then the user should overwrite the formulas.

Category	Category Item	Required Info
PAYROLL (1st tab)	Unit	Specify if the employee is paid hourly, weekly, monthly, or annually. This will influence how we calculate the LOE and what is entered for the Rate.
	Duration	Information entered into the "Duration" field corresponds with "Unit" and represents how much time the program/project will operate during the grant life cycle. Please pay attention to the "Unit" specified and what the associated "Duration" will be.
	Level of Effort (LOE)	LOE represents how much time each staff member expects to allocate to the program/project in a percentage format.
	Rate	Amounts entered into the Rate column would include the total of salaries, fringe, and benefits as well as projected increases in salaries and fringe.
	Estimated Budget	Uses the "Duration", "LOE", and "Rate" to calculate the total cost.

LANE COUNTY PROOF OF SELF-INSURANCE COVERAGE

DATE: October 10, 2016, and continuous until cancelled
FROM: Lane County Risk Management
TO: Whom It May Concern

Lane County maintains a comprehensive program of self-insurance and purchased excess coverages to protect County interests to the extent permitted by law. This letter is being provided to set forth Lane County's self-insurance program.

The Lane County Board of County Commissioners (Board), established a Self-Insurance program by Board Order 79-4-3-9, which has been in effect since April 3, 1978. The County's Self-Insurance program operates in accordance with Oregon Law and provides statutory limits for liability without waiver of sovereign immunity. Lane County maintains a \$1M self-insured retention in this self-administered program.

The general liability program is fully funded self-insured and self-administered, and the Board has elected to purchase excess coverage.

The workers' compensation program is fully funded self-insured and administered by a third-party administrator, and the Board has elected to purchase excess coverage.

The property program is a purchased-insurance program. The Board has purchased commercially marketed insurance for County-owned assets.

Various other coverages are purchased to protect County interests.

Lane County is often requested by outside parties to provide evidence of the County's self-insurance coverage in conjunction with agreements and contracts. Lane County Risk Management has developed a Certificate of Self-Insurance Coverage document (COSI) for entities conducting business with the County to illustrate the liability limits set forth by the Oregon Tort Claims Act. The self-insurance limits accepted in each specific written agreement or contract shall be the limits set forth in the Oregon Tort Claims Act that apply should a loss arise, regardless of the limits provided in the COSI document. The COSI provided by Lane County is solely for the use and benefit of the vendors and organizations that contract with the County. You may print copies for use within your organization, provided that you do not modify the COSI in any way or distribute any copies outside your organization

Please contact Lane County Risk Management at lcriskmg@co.lane.or.us if you have any questions.

Very truly yours,
