Good Morning, We are following up on training needs for the 2 CFR 200 regulations and changes that will be implemented by the federal government to these regulations that will be effective 10/1/24. This is critical training that all CAA's need in order to administer state and federal grants and this type of training has previously been requested by the network.

We have been able to work with Wipfli to hold open 54 slots in their training to occur **on 9/10/2024 10:30 AM - 9/12/2024 02:00 PM (CT)**.

This will be **3 half-day** trainings to learn about the Office of Management and Budget's (OMB's) Uniform Guidance regulations (2 CFR Part 200: Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards).

THIS IS A MANDATORY TRAINING. OHCS will be submitting a NOA for each agency to receive \$2,850 each to pay for the training. **This will allow 3 people from each agency to attend.** Additionally, if you want to use a conference room and have more people watch the training, you could do that in order to extend the training to more of your staff, if needed.

The NOA will be loaded into the EHA DISC 25 grant under Admin. You will need to draw the funds directly from this pot of money. Wipfli has agreed to a discounted rate for this training by using the **Promo Code: Oregon**. A secured spot for registration will be available until September 3, 2024. After this date, you may not be able to register as it will depend on whether or not there is space available.

WHAT ARE MY NEXT STEPS?:

- 1) Register by 09/03/24
- 2) Register at the WIPFLI website [HERE](#)
- 3) Use Promo Code: Oregon
- 4) Attend the training
