Hello CAA Network,

On Wednesday, September 25, 2024, OHCS will host a training from 9-10:30 a.m. on completing the ESG Expenditures and Match Report. This training will go over key elements of the match report, will provide a detailed explanation of each section of the report, and will go over actions that OHCS may take for agencies who fail to submit timely, completed reports.

This training is mandatory for subgrantees who received a notice that they must attend an OHCS-led training. For all others, it is optional but strongly encouraged.

Sign up for the training here:
