Other: Updates on CSBG Funding Allocations and Expenditures for FFYs 2023, 2024, and 2025

Greetings,

This message serves to provide updates and reminders regarding CSBG funding allocations and expenditures for Federal Fiscal Years (FFYs) 2023, 2024, and 2025.

CSBG 23 FY23 and CSBG 23 Discretionary Funds

Please be reminded that **FSRs for CSBG 23 FY23 and CSBG 23 Discretionary funds are due by November 30, 2024**. Thank you to those who have already submitted these reports.

CSBG FY24 Funds

The CSBG FY24 funds have been fully allocated. Extensions have been granted until **June 30, 2025**, for agencies requiring additional time to expend these funds.

CSBG FY25 Funds

We have received the first **Continuing Resolution (CR) award** for CSBG FY25. This is currently being processed through the funding formula and will be available in OPUS shortly. The final phase-in of the updated funding formula has been completed, and the allocation amounts are expected to be similar to last year's, pending Congressional approval of the full CSBG award without reductions.

Thank you for your continued efforts in managing and utilizing these funds effectively. If you have any questions, please feel free to reach out.
