

ARH Capacity Building

Activities and resources needed to bring an individual, organization, or system to the next level of operational, programmatic, financial, or comprehensive development, so it may more effectively and efficiently advance our shared goals related to affordable rental housing in Oregon.

Knowledge & Power / Self-Determination / Stability / Leadership

PROGRAM GOALS

Increase housing production, preservation, and sustainability in regions and communities with unmet needs

Strengthen capacity of eligible entities and geographic areas with high need for housing and limited local resources
