(b) The Commission shall accept applications if the following conditions are met:

The number of licenses will be determined using OLCC licensing data of the number of active marijuana licenses for each license type as of April 15 of that year.

(d) If the Commission finds the number of active licenses for any license type does not exceed the per capita criteria, the Commission will notify the public on the second Monday in May of:

An application may be considered incomplete if an application form is not complete, the full application and license fee has not been paid, or some or all of the additional information required under these rules is not submitted.

~~(6)~~ 7) A retailer application may be considered incomplete if all certificates of tax compliance are not submitted as described in subsection (3)(g) of this rule and in accordance with OAR 845-025-1135.
