Contract No. _____

The Oregon Public Defense Commission, referred to as “the OPDC,” and [entity name], referred to hereafter as “Contractor,” agree to the provision of public defense services as outlined below for the period July 1, 2023, to June 30, 2025 in [county/counties]. The Contract incorporates Exhibits A (Compensation), B (Caseload and Workload Standards), C (Additional Performance Requirements), D (Certification as Independent Contractor and Compliance with Oregon Tax Laws), and E (Notice). Contractor’s Contract Administrator is [name], [email, phone].

The following are the underlying bases for the Contract:

- Oregon has a constitutional and statutory responsibility to provide public defense services, and pursuant to ORS 151.216, the Oregon Public Defense Commission has responsibility for ensuring those services are available in circuit and appellate courts.
- The OPDC desires to have legal services performed for eligible persons entitled to public defense representation by Contractor, as authorized by law.
- Contractor agrees to accept appointments to represent eligible clients. Contractor agrees to provide, and the OPDC agrees to pay for, competent, zealous legal representation to its clients as required by this contract, the Oregon Rules of Professional Conduct, Oregon State Bar Performance Standards, American Bar Association Best Practice Standards, and Oregon and federal judicial opinions regarding the right to counsel. Contractor agrees to comply with OPDC policies and procedures.
- The OPDC and Contractor agree that any and all funds provided pursuant to this Contract are provided for the sole purpose of provision of representational services to eligible clients of Contractor, the training and educational expenses associated with providing those services, and overhead costs.

The parties agree as follows:

I. DURATION OF CONTRACT

This Contract shall commence on July 1, 2023, and terminate on June 30, 2025, unless extended or terminated earlier in a manner allowed by this Contract.

II. RULES

A. Interpretation of Terms: Words, terms, and phrases not specifically defined in this contract shall have the ordinary meaning ascribed to them unless the context clearly indicates otherwise. When not inconsistent with the context, words used in the present tense include the

future, words in the plural include the singular, and words in the singular include the plural. The word “shall” is mandatory and not merely directive.

B. Construction and Jurisdiction: This contract shall be construed in accordance with the laws of the State of Oregon. A party shall bring any action or suit arising under this contract to a court of competent jurisdiction in the State of Oregon.

C. Severability: If a court of competent jurisdiction declares, or the parties agree that any term or provision of this contract is illegal or in conflict with any other law, the remaining terms and provisions shall remain valid, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the term or provision held to be invalid.

D. Waiver: Either party’s failure to enforce any provision of this contract shall not constitute a waiver by the party of that or any other provision.

III. DEFINITIONS

A. Eligible client: An eligible client is a person who has been determined by a court or the OPDC to be entitled to a court-appointed attorney, pursuant to Oregon statute, the Oregon Constitution, or the United States Constitution.

B. Case: A Case shall mean any action in which there is one eligible client on one charging instrument, or on one petition and its successor.

C. Full Time Equivalent Attorney (FTE): A FTE Attorney is an attorney under contract with the OPDC to provide representational services. FTE Attorneys shall be eligible for appointment to the maximum number of cases as described in Exhibit B, based upon their time commitment to the OPDC. A FTE attorney must provide at least .5 of a maximum attorney caseload, unless the attorney provides services to a specialty court and the agency concludes it’s in the best interest to fund the attorney pursuant to this contract.

D. Maximum Attorney Caseload: The measurement in Exhibit B that defines the caseload and workload limits for FTE attorneys.

E. Caseload: The number of cases assigned to a FTE Attorney on an annual basis.

F. Workload: The number of open cases assigned to a FTE Attorney at a given point in time.

G. Representational Services: The services for which the OPDC is to pay Contractor are representational services, which includes lawyer services and appropriate support staff services, investigation and appropriate sentencing and disposition advocacy, and legal services including but not limited to interviews of clients and potential witnesses, legal research, preparation and filing of pleadings, negotiations with the appropriate prosecutor or other agency and court regarding possible dispositions, and preparation for and appearance at all court proceedings. The services for

which the OPDC is to pay Contractor do not include fees and expenses authorized as routine expenses or case support services as defined by the OPDC.

H. Misappropriation of Funds: Misappropriation of funds is the appropriation of funds received pursuant to this Contract for purposes other than those sanctioned by this Contract. The term shall include the disbursement of funds for which prior approval is required but is not obtained.

IV. INDEPENDENT CONTRACTOR

Contractor is, for all purposes arising out of this Contract, an independent contractor, and neither Contractor nor its employees, members, agents, or successors shall be deemed employees of the OPDC. Contractor shall complete the requirements of this Contract according to Contractor's own means and methods of work, which shall be in the exclusive charge and control of Contractor, and which shall not be subject to control or supervision by the OPDC, except as specified herein.

V. ASSIGNMENT AND SUBCONTRACTING

Contractor shall not subcontract, delegate, or assign any of the services or duties required under this contract without obtaining the OPDC's prior written consent.

VI. CONTRACTOR'S EMPLOYEES, MEMBERS, OFFICE, AND EQUIPMENT

Contractor agrees that it has secured or will secure at Contractor's own expense, all persons, employees, office space, and equipment required to perform the services contemplated/required under this Contract. Contractor agrees that all attorneys performing services pursuant to this Contract shall maintain an office in the judicial district in which they have contracted to provide representational services at which Contractor can have confidential communication with public defense clients. If Contractor contracts to provide services in more than one judicial district, then Contractor shall maintain an office in at least one of the judicial districts in which they have contracted to provide representational services.

VII. PERFORMANCE REQUIREMENTS

Any attorney working under this contract shall use their independent professional judgment in their representation at all proceedings related to the legal matters that are the subject of the representation.

Contractor agrees to provide representational services and comply with the requirements of this Contract. Contractors agrees to comply with the Oregon Rules of Professional Conduct, the Oregon State Bar Performance Standards, American Bar Association Best Practice Standards, and to provide competent legal representation as mandated by Oregon and federal judicial opinions regarding the right to counsel.

Contractor agrees to adhere to the caseload and workload standards in Exhibit B and the additional performance standards in Exhibit C.

VIII. ATTORNEY TRAINING

Ongoing professional training is a necessity in order for an attorney to keep abreast of changes and developments in the law and assure continued rendering of competent assistance of counsel. Contractor shall require sufficient training, whether in-house or through a qualified provider of continuing legal education (CLE), to keep all of its attorneys who perform work under this Contract abreast of developments in relevant law, procedure, and court rules.

Contractor shall ensure all of its attorneys comply with the CLE requirements of the Oregon State Bar and obtain 12 hours of CLE credit specific to their contract (criminal or juvenile) during the contract period.

IX. COMPENSATION AND METHOD OF PAYMENT

The OPDC shall pay Contractor pursuant to the rates specified in Exhibit A, which may be amended during the term of the Contract by mutual assent of the parties. Payments shall be made in monthly installments by direct deposit into the account designated by Contractor. Compensation rates for Attorney FTE will be determined by the types of cases attorneys are qualified and agree to accept. All funds provided pursuant to this Contract are provided for the sole purpose of provision of representational services to eligible clients of Contractor, the training and educational expenses associated with providing those services, and overhead costs.

Contractor shall not expend funds under this contract for work performed outside the scope of this contract; accept funds from anyone other than OPDC for work performed under the scope of this contract, except for grants or funds for work study, job experience, internships, or other such grants or funds; or solicit or accept payment from a client for representational services on a matter within the scope of services of this contract or on a matter which Contractor has been appointed by the court.

In the event of Contractor failure to substantially comply with any items and conditions of this Contract or to provide in any manner the work or services as agreed to herein, the OPDC reserves the right to withhold any payment until corrective action has been taken or completed. This option is in addition to and not in lieu of the OPDC's right to termination as provided in Section XV of this Contract.

At the time this contract is executed, sufficient funds either are available within the Contract Authority's current appropriation or are expected to become available to finance the costs of this contract. However, payments under this contract are subject to the availability and appropriation of funds. The OPDC may modify, suspend, or terminate this contract if it reasonably determines that funds will not be sufficient to pay anticipated costs of the contract. The OPDC shall seek to apportion expenditure reductions equally and fairly among all public defense contract agencies. The OPDC shall seek first to modify the contract through negotiation with Contractor. In negotiating any modification, the parties will consider the funds available, the legal

requirements to provide representation that satisfies state and federal constitutional rights to effective and adequate assistance of counsel, and the obligation of counsel to meet prevailing performance standards and rules of professional conduct. The OPDC may unilaterally suspend or terminate the contract if the parties cannot agree to modification.

X. CONTRACT MODIFICATION AND ADJUSTMENTS

If Contractor's caseload increases or decreases by 15% or more for six consecutive months, the OPDC shall notify Contractor and schedule a meeting to discuss the circumstances surrounding the increase or decrease. The OPDC may not decrease a Contractor's attorney FTE, or the financial value attached, without considering whether Contractor's declination of court appointments was required by Exhibit B. The OPDC may adjust the number of attorney FTE in the contract to meet the changing needs of the jurisdiction if:

- The actual or reasonably expected number of available cases increases or decreases substantially, such that the existing attorney FTE amount no longer corresponds with caseload needs;
- The introduction or discontinuation of a specialty court; or
- The OPDC determines that an increase or decrease in attorney FTE capacity is necessary.

XI. ESTABLISHMENT AND MAINTENANCE OF RECORDS

A. Contractor agrees to maintain accounts and records, including client case files, personnel records, property records, and financial records, which sufficiently and properly reflect all direct and indirect costs of services performed in the performance of this Contract.

B. Contractor's records shall show that all disbursements or expenditures of contract funds were ordinary, reasonable and necessary, and related to providing direct services required under the contract or services necessary to performance of the contract.

C. Records shall be maintained for a period of 5 years after termination of this Contract unless permission to destroy them is granted by the OPDC. In addition, Contractor agrees to retain all public defense client case files as required by the Oregon State Bar, with a minimum of 10 years from the time of closure for all cases except murder offenses, which shall be preserved for a minimum of 20 years.

XII. CONTRACTOR REPORTING AND INSPECTION

Contractor agrees to audits and inspections, and it agrees to submit to the OPDC reports, as prescribed below. Failure to comply with requested audits and inspections, or to submit required reports and records, may be considered a breach of this contract and may result in the OPDC withholding payment until the required reports are submitted and/or invocation of the Corrective Action procedures in Section XVIII (Corrective Action).

A. Position Profile

Contractor shall submit to the OPDC on September 1, and the first day of each subsequent quarter, a profile of Full-Time Equivalent (FTE) positions for both legal and support staff who perform work on this Contract, distributed by type of case. The report will designate the name, and the case types to which each attorney is eligible to receive appointments, in a format to be provided by the OPDC. The OPDC will not release this information except as required by law. If the employee splits his/her work between work under this Contract and other business, the report will indicate the amount of time that employee devotes to private matters compared to work under this Contract.

B. Caseload and Workload Reports

By the 20th day of the month, Contractor shall submit a monthly report to the OPDC detailing assigned and open cases, as required by the OPDC's Caseload and Workload Reporting Policy.

C. Other Reports

Contractor agrees to provide OPDC with other reports during the Contract if the OPDC commission determines additional reporting obligations are necessary and the OPDC provides a template to Contractor to submit the reports.

D. Audit and Inspection and Records

Contractor agrees to grant the OPDC full access to materials necessary to verify compliance with all terms of this Contract, including access to any entity audit required by state or federal law. At any time, upon ten days' notice during business hours and as often as the OPDC may reasonably deem necessary for the duration of the Contract and a period of five years thereafter, Contractor shall provide to the OPDC requested records and/or a right of access to its facilities to audit information relating to the matters covered by this Contract. Information that may be subject to any privilege or rules of confidentiality should be maintained by Contractor in a way that allows access by the OPDC without breaching such confidentiality or privilege. Contractor agrees to maintain this information in an accessible location and condition for a period of not less than five years following the termination of this Contract, unless the OPDC agrees in writing to an earlier disposition. Notwithstanding any of the above provisions of this paragraph, none of the Constitutional, statutory, and common law rights and privileges of any client are waived by this agreement. The OPDC will respect the attorney-client privilege.

E. Failure to Provide Reports

Except with prior approval from OPDC, Contractor shall submit timely and properly completed reports. If Contractor fails to submit a reasonably accurate report on the due date, the OPDC may withhold the following percentage of funds from Contractor's monthly payment,

and each subsequent monthly payment, until the OPDC receives the report and supporting documentation. Funds withheld may be paid to Contractor once reporting is current.

- Not received within 10 days of the due date: 5% of contract funds
- 30 days of the original due date: 10% of contract funds
- 60 days of the original due date: 15% of contract funds
- 90 days of the original due date: 25% of contract funds

XIII. EVALUATION OF CONTRACTOR

The OPDC may review information to monitor Contractor activity, including attorney caseloads and workloads, support staff/attorney ratios for each area of cases, the experience level and supervision of attorneys who perform Contract work, training provided to such attorneys, the compensation provided to attorneys and support staff to assure adherence, and whether Contractor is meeting the performance requirements of this Contract.

At the request of either party, and at least twice per year, the OPDC and Contractor will meet to discuss case assignment trends and any other matters needed to determine contract compliance or any necessary contract modifications. In counties where more than one Contractor provides representational services, these meetings will include a review by the OPDC of the number of appointments made to each Contractor. If the review shows that there is a substantial disparity in the actual appointment rates contemplated under the contracts, the OPDC shall notify the court and Contractors that appointment rates must be adjusted and corrected.

XIV. CORRECTIVE ACTION

If the OPDC reasonably believes that a material breach of this Contract has occurred, warranting corrective action, the following sequential procedure shall apply:

1. The OPDC will notify Contractor in writing of the nature of the breach.
2. Contractor shall respond in writing within five (5) working days of its receipt of such notification, which response shall present facts to show no breach exists or indicate the steps being taken to correct the specified deficiencies, and the proposed completion date for bringing the Contract into compliance.
3. The OPDC will notify Contractor in writing of the OPDC's determination as to the sufficiency of Contractor's corrective action plan. The determination of the sufficiency of Contractor's corrective action plan will be at the discretion of the OPDC and will take into consideration the reasonableness of the proposed corrective action in light of the alleged breach, as well as the magnitude of the deficiency in the context of the Contract as a whole. In the event Contractor does not concur with the determination, Contractor may request a review of the decision by the OPDC Executive Director. The OPDC agrees that it shall work with Contractor to implement an appropriate corrective action plan.

In the event that Contractor does not respond to the OPDC's notification within the appropriate time, or Contractor's corrective action plan for a substantial breach is determined by the OPDC to be insufficient, the OPDC may commence termination of this Contract in whole or in part pursuant to Section XV (Contract Termination and Suspension).

In addition, the OPDC reserves the right to withhold a portion of subsequent payments owed Contractor which is directly related to the breach of the Contract until the OPDC is satisfied the corrective action has been taken or completed.

XV. CONTRACT TERMINATION AND SUSPENSION

A. The OPDC may terminate this Contract in whole or in part upon 10 days' written notice to Contractor in the event that –

1. Contractor substantially breaches any duty, obligation, or service required pursuant to this Contract;
2. Contractor engages in misappropriation of funds; or
3. The duties, obligations, or services herein become illegal, or not feasible.

Before the OPDC terminates this Contract pursuant to Section XV A.1, the OPDC shall provide Contractor written notice of termination, which shall include the reasons for termination and the effective date of termination. Contractor shall have the opportunity to submit a written response to the OPDC within 10 working days from the date of the OPDC's notice. If Contractor elects to submit a written response, the OPDC will review the response and make a determination within 10 days after receipt of Contractor's response. In the event Contractor does not concur with the determination, Contractor may request a review of the decision by the OPDC Executive Director. In the event the OPDC Executive reaffirms termination, the Contract shall terminate in 10 days from the date of the final decision of the OPDC Executive Director. The Contract will remain in full force pending communication of the OPDC Executive Director to Contractor. A decision by the OPDC Executive affirming termination shall become effective 10 days after it is communicated to Contractor.

B. Contractor reserves the right to terminate this Contract with cause with 30 days written notice should the OPDC substantially breach any duty, obligation or service pursuant to this Contract. Contractor reserves the right to terminate this Contract without cause with 30 days written notice if Contractor is a sole proprietor.

C. In the event of the termination of this Contract, Contractor shall continue to represent clients that were previously assigned and the OPDC will be liable for any payments owed for the completion of that work. The OPDC and Contractor shall negotiate wind-down terms that allow Contractor to continue to provide representational services for existing clients. If wind-down terms cannot be agreed to, the OPDC shall pay Contractor at the existing OPDC hourly rate to wind-down their caseload. The OPDC may request that Contractor attempt to withdraw from any case assigned and not completed. Should a court require, after Contractor has attempted to withdraw, the

appearance of counsel from Contractor on behalf of any client previously represented by Contractor where such representation is no longer the obligation of Contractor pursuant to the terms of this Contract, the OPDC will honor payment to Contractor upon judicial verification that continued representation is required.

D. In the event that termination is due to misappropriation of funds, non-performance of the scope of services, or fiscal mismanagement, Contractor shall return to the OPDC those funds, unexpended or misappropriated, which, at the time of termination, have been paid to Contractor by the OPDC.

E. Otherwise, this Contract shall terminate on the date specified herein, and shall be subject to extension only by mutual agreement of both parties hereto in writing.

F. Nothing herein shall be deemed to constitute a waiver by either party of any legal right or remedy for wrongful termination or suspension of the Contract.

XVI. NOTICES

Contractor will immediately notify the OPDC in writing if one of the following events occurs:

- A. Bar Discipline. When it becomes aware that a complaint lodged with the Oregon State Bar has resulted in discipline, reprimand, suspension, or disbarment of any attorney who is a member of Contractor's staff or working for Contractor.

Contractor shall ensure that 1.0 FTE attorneys funded pursuant to this contract do not engage in other paid legal work, unless the OPDC agrees in writing.  - Representing one youth in a delinquency case after disposition counts as .5 of a case.
 - Pre-appointment representation of one child, youth, parent, or legal guardian, preapproved by OPDS, counts one case.
 - Pre-appointment representation of multiple children, preapproved by OPDS, counts as one case for the first child and as 0.5 cases for each additional child.
 - When representation on a case begins and ends within the same calendar month, the case can count toward the attorney’s open caseload until the end of that calendar month unless the court allows the attorney to withdraw due to a conflict.
- C. Case Count Adjustments
- Delinquency cases in which the alleged conduct, if committed by an adult, would constitute murder or a crime subject to ORS 137.707 shall be granted an additional case count.
 - Any case in which the attorney accepts an appointment in a county other than those specified in this Contract shall be granted an additional case count.
 - Cases that involve extraordinary circumstances and require work well beyond the range of work typically required in juvenile cases may be granted additional case

EXHIBIT C – ADDITIONAL PERFORMANCE REQUIREMENTS FOR PCRFP CONTRACT

Contractor agrees to provide legal services in accord with the additional performance standards:

- A. Continuity of representation. Continuity of representation at all stages of a case, sometimes referred to as “vertical” representation, promotes efficiency, thoroughness of representation, and positive attorney/client relations. Contractor agrees to make reasonable efforts to continue the initial attorney assigned to a client throughout all cases for that client assigned in this Contract. Nothing in this section shall prohibit Contractor from making necessary staff changes or staff rotations at reasonable intervals, or from assigning a single attorney to handle an aspect of legal proceedings for all clients where such method of assignment is in the best interest of the eligible clients affected by such method of assignment.
- B. Client contact. Contractor agrees that an attorney will make contact with all clients as soon as possible and not later than 48 hours after arraignment or first appearance (excluding weekends and legal holidays) for in-custody clients, and no later than 72 hours (excluding weekends and legal holidays) for out-of-custody clients. Contractor shall conduct a client interview as soon as practicable after appointment to represent the defendant in order to obtain information necessary to provide quality representation at the early stages of the case and to provide the client with information concerning Contractor’s representation and case proceedings.
- C. Conflicts/Withdrawal. Conflicts of interest may arise in numerous situations in the representation of indigent persons. Contractor agrees to screen all cases for conflict upon assignment and throughout the discovery process. Conflict decisions will be governed by the Oregon State Bar Rules of Professional Conduct. If a conflict rises to the point where withdrawal is necessary, Contractor shall promptly notify the court, shall ensure continuous representation of a client until withdrawal is granted, and, if withdrawal is allowed by the court, shall assist in the prompt establishment of a new attorney/client relationship.
- D. Attorney Departure/Continuous Representation. When a public defense attorney leaves a Contractor, they shall comply with the Oregon Rules of Professional Conduct and may not move to withdraw from their cases without contacting OPDC and obtaining OPDC’s written permission. If a public defense attorney leaves a Contractor and continues doing public defense work funded by OPDC in the same jurisdiction, the attorney shall take their existing cases with them unless OPDC authorizes otherwise. If a public defense attorney leaves a Contractor and continues doing public defense work funded by OPDC in a different jurisdiction, the attorney shall work collaboratively with their former Contractor, their new Contractor, and OPDC to ensure the due administration of justice and protect the rights of their existing clients. In no event shall a contractor withdraw from their cases without ensuring that representation of a client will continue.

- E. Proceedings Specifically Not Required. Representation under this contract specifically excludes matters related to Department of Motor Vehicle license suspension hearings, civil forfeiture proceedings, domestic relations, probate proceedings, and other civil proceedings not otherwise provided for under this contract. Representation in these matters may be undertaken at an attorney's discretion pro bono.
- F. Pre-appointment representation. Contractor may commence pre-appointment representation only with pre-approval from OPDC. In determining whether to authorize pre-appointment representation, OPDC will consider whether the agency has a good faith basis to conclude the individual seeks counsel, and it is reasonable for the agency to believe the person financially qualifies for public defense counsel.
- G. Initial Appearances. Contractor shall provide representation at all shelter hearings, detention hearings, and other initial appearances, unless the OPDC agrees in writing otherwise. The Contractor shall work with The OPDC and the court to determine schedules for providing representation at these hearings in jurisdictions in which there is more than one Contractor. The Contractor shall provide prompt notification to the court and client of the specific attorney assigned to each case. The Contractor will include the attorney's contact information in the notice to the client.
- H. Representation Obligations Following the Commencement of Proceedings. Contractor shall provide representation during the pendency of a case through judgment or other final order of the court on the case, including, but not limited to:

- Seeking modification or amendment of any judgment or final order that does not accurately reflect terms of disposition favorable to the client that were agreed upon in resolution of the case or pronounced by the court and through inadvertence or error not correctly included in a judgment or final order;
