Financial Information:

AWARD AMOUNT:

Generally, awards are \$1000-\$8000. The Oregon Heritage Commission attempts to fully fund grant requests. The funding is by reimbursement for work completed.

MATCH:

A dollar match for funds requested is not required, though we encourage you to seek local funding and donations in addition to your grant request. Local support allows the program to assist more cemeteries, shows community value for the project, and makes the application more competitive.

- Match can be in the form of cash, in-kind donations and volunteer time.
- Rates for volunteer services may not exceed Oregon minimum wage, except in those instances in which the volunteer is using their professional skills for the grant assisted work. Documentation of their rate is required.

- Indirect costs (general operations costs associated with the grant funded project) or grant administration costs (staff time managing grant reporting and reimbursement) can be applied to the grant for funding or match, only one can be used in the same grant. Both indirect costs and grant administrations costs are limited to 6% of the award amount.

BUDGET INFORMATION:

Bids and estimates strengthen the grant request when applicable. If awarded the grant requires at least three estimates for work over \$25,000.

GRANT REPORTING AND PAYMENT:

Awarded projects will be the subject of binding agreements between the State and the grantee. Grant funds are dispersed on a reimbursable basis. Details of payment arrangements and grant reporting are included in the grant guidelines.
