SECTION 2. PROGRAM AND POSITION INFORMATION

a. Describe the program in which this position exists. Include program purpose, who is affected, size, and scope. Include relationship to agency mission.

Oregon Parks and Recreation Department (OPRD) fulfills its mission to "Provide and protect outstanding natural, scenic, cultural, historic and recreational sites for the enjoyment and education of present and future generations" by operating a system of State Parks Recreation, Historic and Natural Areas; by managing special programs including Scenic Rivers, Recreation Trails, Historic Preservation, and Ocean Shores; and by providing assistance to local governments for recreation and heritage conservation. OPRD serves more than 45 million visitors per year through a State Parks Recreation system of more than 250 park areas statewide. OPRD does this through its vision of "Taking the long view to protect Oregon's special places and provide the greatest experience while creating stable future funding". OPRD upholds its mission and vision through the following operating principles: *Accountability, Commitment, Empathy, Empowerment, Fun, Integrity, Respect and Well Being*. The agency's current approved budget information can be found at www.oregon.gov/oprd under *Budget & Facts*.

Valley Region is one of three field operation areas within the OPRD Operations Division. Region employees in 10 management units maintain park facilities; provide visitor services and on-site management to OPRD properties in 12 Oregon counties. Valley Region has 69 parks, waysides and recreational area properties. Facilities and programs include 11 overnight camps and 15 day-use areas, various hiker/biker, horse and group camps, concessions, agricultural leases, State Recreation Trails and Scenic Waterways, historic buildings and volunteer groups, recreation and visitor service programs. The region staff consists of 116 year-round and seasonal FTE, and operates with a biennial budget in excess of \$19 million dollars.

Detroit Lake Management Unit consists of 491 acres in Marion Counties. There are 281 campsites and 300 day-use table's picnic units, which receive approximately 1.2 million day visits and 93,605 camper nights annually. The annual revenue from the unit is approximately \$ 879,773.00 The biennial maintenance and operation budget is approximately \$ 2.1 million. There are 6 full-time positions and 12 seasonal positions. Approximately 15,000 volunteer hours (6 FTEs) are donated each year.

Detroit Lake Management Unit is composed of the following properties: Detroit Lake Campground, Mongold Day-Use Area, and North Santiam State Park.

b. Briefly describe (usually one or two sentences are sufficient) the primary purpose of this position and how it functions within this program. Complete this statement: The primary purpose of this position is to...

assist year-round State Park staff in the protection, maintenance, operation and repair of state park lands, natural and cultural resources, structures, facilities, equipment and systems. Park Ranger Assistants typically perform basic tasks in a single area of park operations (e.g.: janitorial work, landscape maintenance, interpretation or visitor services), although some positions will require performing tasks in a variety of areas. Some work may require the most elementary skills in building trades, including carpentry, electrical, plumbing, painting and landscape maintenance. In addition, specialized skills in basic park maintenance and operations may be required. Park Ranger Assistants, on a task specific basis, may guide the work of individuals or teams composed of volunteers, seasonal, and/or temporary state park employees.
