### **IMAGE – Check Local Restrictions**

This Fourth of July be sure to check local firework use and sales regulations. Some communities have firework restrictions in place. #KeepItLegalKeepItSafe

### **IMAGE – Common Injuries**

If not used properly, fireworks could land you in the emergency department. Children under 15 make up 28% of estimated firework related injuries. #KeepItLegalKeepItSafe

### **IMAGE – Keep It Legal. Keep It Safe.**

Retail fireworks in Oregon can only be sold between June 23 and July 6. If using them for your celebration, be prepared, be responsible, be safe and be aware. #FireworkSafety

### **IMAGE Soak Fireworks in Water**

Ready to celebrate the holiday? If fireworks are a part of the plan, have water on hand, light fireworks one at a time, never relight fireworks, dispose of fireworks properly, and only use legal fireworks.

### **IMAGE Beaches & State Parks**

#BeSmart when using fireworks in your #4thOfJuly celebrations. Be #WildfireAware and know the conditions before using fireworks. Please follow all local use or sales restrictions.

### **IMAGE Only Use Legal Fireworks**

Not sure which fireworks are legal or illegal in the state of Oregon? Any firework that flies into the air explodes or behaves uncontrollably or unpredictably is illegal. #BePrepared #BeResponsible #BeSafe #BeAware

### **IMAGE Dispose of Fireworks**

Spent fireworks should always be soaked in water. Dispose of fireworks properly and never relight a dud. #KeepItLegalKeepItSafe
