COUNSELING POINTS:

- To help plan, ask your health care provider for a prescription lasting more than 30 days to ensure you always have enough.
- In a case where you know you are going to need a refill while traveling, you may be able to order an additional supply in advance. Some health insurance plans allow for prescription overrides so that you can get a prescription filled early or obtain more than a 30-day supply.
- Keep an up-to-date list of all your prescription medications.
