Hi Mark,

I am writing to you as the chair of the PRAC to inform you of my interest in reappointment to a new term as the Public Records Advocate after my current term expires on October 31, 2024. I have enjoyed my time in this position (as well as previous positions in the office) tackling some of the thorniest issues related to government transparency, believe I have learned and grown a lot as both the Advocate and as an agency director, and hope to have the opportunity to continuing working on behalf of all Oregonians on public records matters as there is still much work to be done.

I am directing this message to you to avoid any public meetings law concerns, and trust you will share it with the rest of the council at our next meeting on June 5<sup>th</sup>. I am also including Yufeng here for notice, and as she will be involved in drafting the 360 review.

Regards,

Todd
