	11/26/2013:	PSRB staff held an initial Rules Advisory Committee (RAC) this past
		Tuesday, November 26th at the PSRB office. The RAC consists of district
		attorneys, criminal defense attorneys, consumers and mental health
		workers. At Tuesday's meeting, there appeared to be consensus regarding
		the proposed handling of SB 421 clients under its jurisdiction. The RAC
		identified the need to define "extreme risk" and "extremely
		dangerous" as well as set forth rules regarding the conditional release
		<b>process.</b> Staff intends to consult with Dr. Simrat Sethi at the Oregon State
		Hospital regarding risk definitions.
