It was noted that the ratification report reflected the addition of renewals. As a result of the current renewal period, we are starting to see a positive net income. Typically, we see a 13-17% drop each renewal which is offset by new licenses issued throughout the next 2- year cycle.

Motion by Member Hahn to approve the consent agenda items as written.

Member Okumura seconded the motion.

### **Public Comments**

None.

### **Board Member/Committee/Delegate Reports**

#### **PT Compact Commission and FSBPT Delegate Update:**

##### **PTCC:**

No new states have been added to the PT Compact since the last meeting. Jeff Rosa with the PT Compact Commission has recently reached out to the Oregon Medicaid Director asking that they recognize PT and PTA compact privilege holders as being fully authorized under the Oregon PT Practice Act to practice and be recognized as qualified providers for Medicaid consistent with direction from CMS.

##### **FSBPT:**

The FSBPT Regulatory Training is scheduled for May 16-18, 2024 and Members Terry and Hahn will be attending. No other updates.

##### **Election of PTCC and FSBPT Delegates:**

Director Sigmund-Gaines reviewed the roles of each position. After discussion, a motion was made by Member Hahn to elect Erin Crawford as PTCC delegate, Micheal Rennick as FSBPT delegate, and Erin Crawford as FSBPT alternate delegate.

Member Okumura seconded the motion.

Motion passed unanimously by a vote of 7-0.

#### **Strategic Plan Progress Review:**

Board staff is transferring the Board's current strategic plan into the standard format released by the Governor's office for all State agencies for submittal. The Board also anticipates next steps in strategic planning work at our next meeting in June.

#### **Open Roundtable:**

### **Board General Discussion & Action Items**

#### **Rulemaking relating to Compact Rule Changes:**

Item has been moved to a future meeting.

#### **Rulemaking relating to OAR 848-010-0015 and OAR 848-010-0022.**

Director Sigmund-Gaines provided an overview of the temporary rule based on input from the Rules Advisory Committee. The direction was to simultaneously initiate the permanent rulemaking process. The permanent rulemaking notice was published and there were no additional public comments.

Member Okumura seconded the motion.

Motion passed unanimously by a vote of 7-0.

### **2024 Legislative Session:**

Brief overview/update on items presented at previous meeting. These included HB 4071 and bill introduced by Senator Dembrow regarding future applicants having the opportunity to request a Board evaluation of previous criminal history to determine eligibility for licensure prior to starting the required education. There was also some clarification on public meetings law and significant changes made during the last session. The Oregon Ethics Commission is in the process of rulemaking and building out training in regards to the public meeting law. Staff and Board members will complete the training when available.

### **2024 Renewals**

Discussion about the renewal process. A paper postcard notice was mailed Feb 26 to all active licenses who had not yet renewed. The planned migration to new version of operating system will streamline renewals for next period (2026).

### **PT Aide Certification Programs**

Discussion regarding PT Aide Certification. Director Sigmund-Gaines presented information about programs offered by Rogue Community College, the NCCB-Physical Therapy Aide Specialist Certification, and the AMCA Physical Therapy Aide/Technician. The certification requires no specific education degree requirements. Various companies offer prep programs varying from 100s to 1,000s of dollars. Many partner with Community Colleges for non-degree offerings.

The Board expressed concern since the position of a PT Aide does not require a any degree or specific certification; only 40 hours of on the job training even if individual holds a certification. It was suggested to post additional information on our website regarding the roles and requirements for PT, PTA and PT Aide positions to made clear that certification is optional and not required in the state of Oregon.

### **Board Meeting Calendar-Change of date.**

Motion by Member Hahn to reschedule the May 17, 2024 meeting to June 5, 2024.

Member Okumura seconded the motion.

### **Other Business**

None.

**Meeting Adjourned at 10:09 AM.**

# EXECUTIVE DIRECTOR'S REPORT

JUNE 2024 | FOR THE PERIOD 03/01/2024 – 04/30/2024

## 23-25 BIENNIUM BUDGET VS. ACTUAL PERFORMANCE

Actuals to Budget through **most current closed** period (July 2023-April 2024).

	Actuals (to date)	Budget (to date)	\$ Variance	% of Budget (to date)
Income	\$1,410,660.41	\$1,366,669.12	\$ 43,991.29	103.22%
Expense	\$654,664.20	\$782,778.15	\$ -128,113.95	83.63%

**NOTES** –The numbers above reflect the actuals and budget for the biennium to date, not total budget for the entire biennium. At this point in the BI, we are through renewals and so have accumulated the bulk of the revenue expected. Renewals were slightly above budget, which is offsetting lower than budgeted exam applications. As a result, if the trend for applications continues, the overall BI revenue will likely be at or slightly below budget. Because the fiscal year budget is portioned equally each month for many expenses, and because expenses are higher during renewals, expenses appear lower than anticipated by end of the fiscal year. Please see the attached financial report for line-item trends to date.

## ADMINISTRATION HIGHLIGHTS

- **2024 Renewals:** The Renewals for this biennium are now complete, other than lapsed renewals, which typically trickle in throughout the year, usually for practitioners returning to Oregon after working elsewhere, although some of this activity is shifting to purchase of compact privileges. The CC Plan Year remains in place typically for 90-120 days for lapsed renewals, and then the 2026 plan year will be opened at the end of summer so that licensees can begin tracking CC throughout the current certification period.
- **Information Technology & Security:** The core licensing software update migration is in the active planning phase and is currently expected to be completed during July and August. The vendor will require a change moratorium during the final data migration that will require us to not make any changes during that period of time. We are working with the vendor to minimize the impact and determine what can be done manually during this period so as to not negatively disrupt applicants. Core migrations of other statewide applications are in process, with the current focus on migration to the statewide MDM mobile device management system.
- **The DEI Cohorts** referenced in the last report orchestrated by the Office of Diversity Equity and Inclusion have begun. The Cohorts provide a forum for information-sharing and collaboration on the topic across agencies. OBPT is participating in the Health Boards Cohort

## LICENSE COUNTS BY STATUS AS OF APRIL 30, 2024

PT	21	62	83
PTA	4	6	10
<b>TOTAL</b>	<b>25</b>	<b>68</b>	<b>93</b>

Note: The reduction in Active license counts above does not match the increase in Lapsed due to new applications and reinstatement of older lapsed licenses. The large increase in lapsed licenses is expected, as each renewal sees a drop off in non-renewed (lapsed) licenses, typically in the 14-17% range. The 2024 renewal is at 14%. A portion of Lapsed licenses continue to be renewed through the biennium.

## BIENNIUM TOTAL ACTIVE OREGON LICENSE COUNTS AS OF APRIL 30, 2024

**NOTE:** Numbers are reported at the end of most recent audited month prior to Board meetings, which will allow for alignment with the Biennium reporting. License counts by status for the prior section and this section are sourced from the licensing system licensee status statistical report and reflect the counts as of a given day. "Active" license counts include non-lapsed or expired licenses currently on suspension, probation or restriction, but does not count temporary permits. Not all current license holders are currently practicing in the state of Oregon; therefore, total counts may not reflect current actual workforce capacity, only licensed capacity.

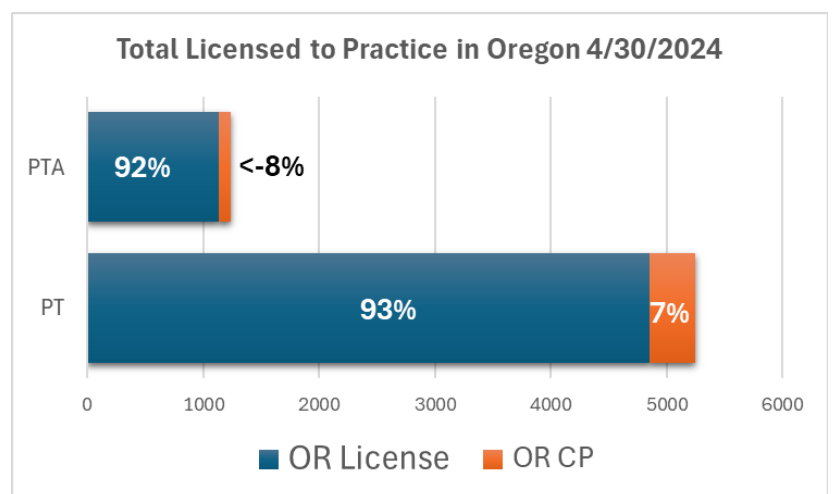

The drop off in total licensed is expected after each renewal and reflects a 14% drop off.

## TOTAL AVAILABLE LICENSED AS OF APRIL 30, 2024 (OR-LICENSE & COMPACT PRIVILEGE)

When factoring the *total* available workforce--combining current active Oregon license holders with individuals currently holding an active Compact privilege to practice in Oregon—about 7-8% of available PT/PTAs hold a compact privilege.

	OR License	OR CP	Total
PT	4858	387	5245
PTA	1139	103	1242
<b>Total</b>	<b>5997</b>	<b>490</b>	<b>6487</b>

While these numbers reflect the total number of licensees able to practice in Oregon today (in person or via tele-health), not all individuals actively licensed are currently practicing in Oregon. The total number of available clinicians may be lower. Once the most recent survey data is available from the Oregon Health Authority, we will have a better estimate of available clinicians in the state.

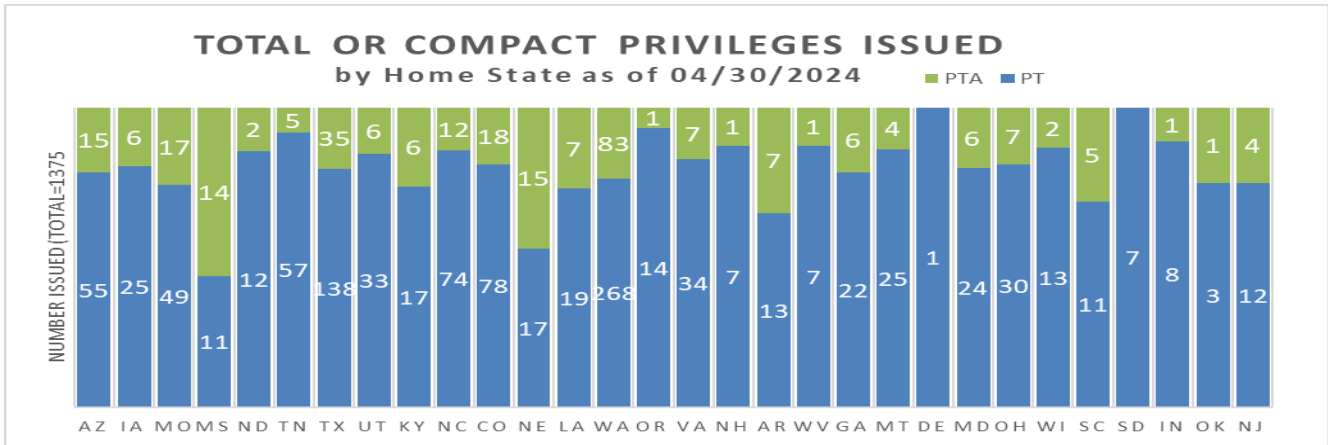

## BIENNIUM TOTAL NEW APPLICATIONS SUBMITTED AS OF APRIL 30, 2024

**NOTE:** Application data taken from licensing system based on date of submittal; applications may not be complete when first submitted and final approval, if granted, may appear in a different reporting period. The charts reflect the total submitted within each reporting period as well as total count for biennium to date for each license application type. The data includes applications also requesting a temporary permit.

## Portability of Professional Licenses and Certificates for Servicemembers and Their Spouses

The Department of Justice's Servicemembers and Veterans Initiative (SVI) is committed to protecting those who serve and their families. The Civil Rights Division enforces the Servicemembers Civil Relief Act (SCRA), which provides servicemembers and their dependents with certain civil protections related to military service.

### New SCRA Amendment

In January 2023, Congress added a new provision to the SCRA that allows servicemembers and their spouses to use their professional licenses and certificates when they relocate due to military orders, in certain circumstances.

U.S. DEPARTMENT OF JUSTICE  
**SERVICEMEMBERS &  
VETERANS INITIATIVE**

### To Qualify for Professional License Portability under the SCRA, You Must:

1. Have moved to a location outside the jurisdiction of the licensing authority that issued the covered license or certificate because of orders for military service.
2. Provide a copy of the military orders to the licensing authority in the new jurisdiction.
3. Have actively used the license or certificate during the two years immediately preceding the move.
4. Remain in good standing with:
  - a. the licensing authority that issued the covered license or certificate; and
  - b. every other licensing authority that issued a license or certificate valid for a similar scope of practice and in the discipline applied for in the new jurisdiction.
5. Submit to the authority of the licensing authority in the new jurisdiction for the purposes of standards of practice, discipline, and fulfillment of any continuing education requirements.

If these five criteria are met, the servicemember's or spouse's covered license or certificate **shall be considered valid** at a similar scope of practice and in the discipline applied for in the new jurisdiction for the duration of the military orders.

## Frequently Asked Questions About Professional License Portability

- **What is license portability and why is it important?**

Military spouses have reported difficulty transferring their professional licenses from one jurisdiction to another, hindering their ability to find jobs when moving due to military orders. The new SCRA provision on license portability helps servicemembers and their spouses to use their licenses and certificates in certain circumstances when they relocate due to military orders.

- **Who and which licenses are eligible for license portability under the SCRA?**

Servicemembers and their spouses are eligible. Licenses to practice law are not eligible for portability under the new law.

- **When is the new law on license portability effective?**

The new part of the SCRA went into effect on January 5, 2023. Servicemembers and their spouses can now take advantage of this benefit under the SCRA.

- **What are interstate licensure compacts and how do I determine if my license is governed by one?**

Some states have contracts with other states—known as interstate licensure compacts—to allow licensed practitioners to work in other compact-member states without needing a new license.

If servicemembers or their spouses are uncertain as to whether their professional license is covered by an interstate licensure compact, they should contact their licensing authority. They can also refer to [Department of Defense's Fact Sheet on Occupational Licensure](#), as well as [CareerOneStop](#), a Department of Labor sponsored website with information on state licensing requirements, interstate compacts, and licensing authority contact information.

- **How does this new SCRA law affect interstate licensure compacts?**

The new law applies if: (1) your license is not covered by any interstate compacts; or (2) your license was issued by a state that is covered by an interstate compact, but is not covered by the same compact in the state to which you are relocating.

The new law does NOT apply if your license is covered by the same interstate compact for both the state that issued your license AND the state that to which you are relocating. In this situation, the interstate compact will control whether and how you can practice in the new location.

## Where should servicemembers and their spouses go for assistance?

- Servicemembers and their spouses who are covered by this new law are likely eligible for military legal assistance and can contact their local legal assistance office for help. Office locations can be found at <http://legalassistance.law.af.mil/>.
- Servicemembers and their spouses can learn more about license portability and find links to helpful resources at [servicemembers.gov](http://servicemembers.gov). If servicemembers or their spouses are not eligible for military legal assistance services, they may request that the Justice Department review their claim by submitting a complaint through <https://civilrights.justice.gov/link/4025A>.

**Board Member

## Oregon Board of Physical Therapy – Board Meeting – Agenda Item D2

HB2992 (2021) - ORS 292.495 -- OBPT Board Member Compensation – Board Stipends

History: In early 2021, the OBPT established the board member compensation as defined in OAR 848-005-0015 based on legal guidance at the time, which in part, noted the exemption from ORS 292 for semi-independent agencies noted in ORS 182.460(1). Subsequently, the Oregon Legislature passed HB 2992, which altered ORS 292.495, and further, the Department of Administrative Services has just recently disseminated guidance for the implementation of the bill to executive branch agencies. In reviewing the guidance, OAR 848-005-0015 appears to be in conflict with the revised ORS 292.495 and the exemption in ORS 182.460(1) not applicable based on revisions and wording of ORS 688.160(4).

Key Conflicts:

- ORS 292.495 raised the minimum stipend from \$30 to the legislative per diem (equivalent to total standard GSA per diem for Oregon). The OBPT rate is currently below this threshold.
- The stipend must be paid at the stated rate for each day or portion thereof above incidental work and cannot otherwise be prorated. The OBPT rate currently differentiates rates for above and below four hours of work.
- The current OBPT rule does not explicitly reference qualified members as used in ORS 292.495; qualified members are eligible for payment of stipend irrespective of budget limitations, whereas non-qualified member stipends are subject to agency budget limitations.
- The current OBPT rule states that members will not receive stipend for Board meeting preparation if the member does not attend the meeting for which they prepared.

Staff Recommendation: Adopt Temporary Rule to bring into alignment with ORS 292.495, effective immediately as well as initiate public process to consider adoption of permanent rule amendment OR Adopt Temporary Rule to repeal the existing rule.

Proposed Temporary Rule Language:

### 848-005-0015 Board Member Compensation

~~(a) Between 30 minutes and 4 hours, \$75.~~

~~(b) Greater than 4 hours, \$150.~~

## Oregon Board of Physical Therapy – Board Meeting – Agenda Item D2

(2) Performance of official duties is defined as:

(a) **Attendance at** Scheduled meetings:

(A) Board meetings, including special Board meetings via conference call or web conference,

(B) Board committee meetings, **rule advisory meetings or other similar meetings established by the Board;**

(b) Appointments with Board staff for Board business;

## Proposed 2024 Draft Amendments to PT Compact Commission Rules

Please note that additions are indicated by red underlined text. Deletions are indicated by ~~red strikethrough~~ text. Black text is existing unchanged text.

### **Rule 1.1 – Definitions**

**Reason: To create equivalency between “expired” and “lapsed” so that jurisdictions that have rules relating to “practicing on a lapsed license [certificate/privilege]” clearly apply. The amendment also adds a definition of “significant investigatory information” to clarify when member boards are required to indicate the availability of investigative information**

#### Proposed Amendment:

For the purpose of the rules adopted by the Physical Therapy Compact Commission, the following definitions shall apply:

- (A) “Adverse action” means a publicly available disciplinary action taken against a license or compact privilege by a Licensing Board. Adverse action does not include non-disciplinary remediation required by the Licensing Board.
- (B) “Alternative program” means any non-disciplinary monitoring program intended to remediate the licensee that is not a matter of public record and to which a Licensing Board refers a licensee, or of which the Licensing Board is aware of the licensee’s participation.
- (C) “Applying for a license” means the individual has submitted an application for licensure to the Licensing Board or requested that the Federation of State Boards of Physical Therapy transfer the individual’s National Physical Therapy Examination score to the Licensing Board.
- (D) “Board administrator” means an individual serving as administrative staff to a member state’s physical therapy licensing board.
- (E) “Commission” means the Physical Therapy Compact Commission.
- (F) “Compact” or “Physical Therapy Compact” means the Physical Therapy Licensure Compact.
- (G) “Compact Administrator” shall be synonymous with “executive director” referenced in Section 7.G. of the Compact.
- (H) “Denied” means a decision of a licensing board to refuse to issue, reinstate, or renew a physical therapist or physical therapist assistant license that is reported to the National Practitioner Data Bank (NPDB).
- (I) “Encumbrance” means any action taken by the Licensing Board that limits the practice or work of the physical therapist or physical therapist assistant. An encumbrance may be disciplinary or non-disciplinary in nature.
- (J) “Expired” means the status of a license or compact privilege that is not active and includes a license with a status of “lapsed” or “non-renewed.” A compact privilege that is not renewed before the expiration date shall automatically expire on that date and not after any grace period ends.
- (J) “FSBPT ID” means the identification number assigned by the Federation of State Boards of Physical Therapy to all individuals in the Exam, Licensure, and Disciplinary Database.
- (K) “Home state” means a person’s true, fixed, and permanent home and is the place where the person intends to remain indefinitely, and to which the person expects to return if absent without intending to establish a new domicile elsewhere.
- (L) “Initial” means each and every new Compact Privilege issued to an individual, even if a prior Compact Privilege was held in the same state.

## OBPT Board Meeting- Agenda Item D3

(M) “License” means the authorization from the state to practice as a physical therapist or to work as a physical therapist assistant. For purposes of the Compact, a certification for a physical therapist assistant is synonymous with “license.”

(N) “Licensing Board” means the agency of a state that is responsible for the licensing and regulation of physical therapists and physical therapist assistants.

(O) “Member state” means a state that has enacted the Compact.

(P) “Non-member state” means a state that has not enacted the Compact.

(Q) “Party state” means any member state where the individual currently holds, or has ever held a physical therapist or physical therapist assistant license or compact privilege or is applying for a license or compact privilege.

(R) “Recognized National Exam” as referenced in Section 3.A.6 of the Compact means the National Physical Therapy Examination (NPTE).

(S) “Significant investigatory information” means investigative information that a License Board, after an inquiry or investigation that includes notification and an opportunity for the licensee to respond, if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or investigative information that indicates that the physical therapist or physical therapist assistant represents an immediate threat to public health and safety regardless of whether the physical therapist or physical therapist assistant has been notified and had an opportunity to respond.

~~(S)~~ (T) “State” means any state, commonwealth, district, or territory of the United States of America that regulates the practice of physical therapy.

### **Rule 2.3 – Compact Privilege Fee and Expiration Date**

**Reason: To clarify the expiration date of an initial compact privilege as well as how renewal of the home state license impacts the expiration date of a compact privilege**

#### Proposed Amendment:

Any compact privilege held by the individual shall expire on the same date as the individual’s home state license. The expiration date of the home state license shall be the expiration date that was in effect on the date the individual purchased the compact privilege. The fee paid to the member state for a compact privilege shall cover the period of time the individual has remaining on the home state license. Any renewal of the home state license does not automatically extend the expiration date of the compact privilege.

### **Rule 3.1 – Home State License**

**Reason: To change the timeframe of a how long a compact privilege holder must report a change in home state**

#### Proposed Amendment:

- (A) Compact privilege holders may be audited at any time by the Commission to verify compliance with home state residency requirements.
- (B) An individual holding a temporary permit, temporary license, or temporary authorization to practice shall not be eligible for a Compact Privilege.
- (C) In addition to complying with reporting name and address change as required by the home state, compact privilege holders must also notify the Commission of a change of name and/or home state address within ~~thirty (30)~~ sixty (60) business days of the change.

## OBPT Board Meeting- Agenda Item D3

- (D) Member states may require compact privilege holders to notify the licensing board of the physical location(s) where the individual is providing physical therapy services within that remote state.
- (E) An individual holding a home state license issued without the requirement of passing the National Physical Therapy Examination (NPTE) shall not be eligible for a Compact Privilege, unless said license was issued prior to the member state enacting the Physical Therapy Compact model statute.

### **Rule 3.5 – Expiration or Termination of a Compact Privilege**

**Reason: To clarify the expiration date of an initial compact privilege, as well as how renewal of the home state license impacts the expiration date of a compact privilege; To change the timeframe of a how long a compact privilege holder must report a change in home state**

#### Proposed Amendment:

- (A) All compact privileges shall expire on the actual expiration date of the home state license even if the home state allows practice beyond the license expiration date. The expiration date of the home state license shall be the expiration date that was in effect on the date the individual purchased the compact privilege. Any renewal of the home state license does not automatically extend the expiration date of the compact privilege.
- (B) Impact of changing the primary state of residence.
  - a. Moving to another member state.
    - i. The compact privilege holder must hold an active license in the new home state prior to changing the primary state of residence or all current compact privileges will be terminated. ~~Thirty (30)~~ **Sixty (60)** business days after the date of legal change of permanent address is considered the date of change in home state.
    - ii. When a compact privilege holder obtains the license in the new home state and changes the primary state of residence, the expiration date of all current compact privileges will be updated to match the expiration date of the new home state license. The expiration date of the home state license shall be the expiration date that was in effect on the date the primary state of residence is changed.
  - b. Moving to a non-member state.

If the compact privilege holder's new primary state of residence is a non-member state, all current compact privileges will be immediately.

### **Rule 6.7 – Indicating Availability of Significant Investigative Information**

**Reason: To clarify what qualifies as investigative information significant enough to warrant notification to the Commission**

#### Proposed Amendment:

A member state shall notify the Commission that significant investigatory information is available to party states when a member state has determined probable cause exists that the allegations against the licensee may constitute a violation that is an offense of action of that member's state statute or regulations. The actual investigative information shall be shared directly with the party state and not through the Commission.

## Renewal Basics for OBPT

All licenses Lapse 3/31 in even-numbered years.

Regular renewals are typically open from mid- to late January thru March.

Licensees that do not submit a renewal and have it approved by staff by 12:01am April 1 have their licenses lapse.

Lapsed licenses may be renewed for up to five years before they permanently expire.

# 2024 Renewal Season

Officially launched 1/26/24\*

5871 renewals were approved in January thru March, including 9 licensees who had lapsed in 2022 or earlier.

56 lapsed license renewals have been approved as of May 23<sup>rd</sup>.

3 renewals are still incomplete (1 from before March 31.)

In 2024, we had **478 more** renewals submitted than in 2022. This is an increase of around **9%**.

*\*Licensees could access as of 12/28/24, but system not fully functional*

# Renewal Forecasting from the March 2024 Meeting

Staff processed **2165** renewal applications between March 15 and March 31- a difference of less than 1% compared to our estimate. Consistent with renewal cycles over the past decade, 14% of licenses lapsed on April 1.

- Cumulatively, the videos have been viewed **1566** times total- **1291** of those views occurred between January 1 and March 31, 2024. **766** viewers watched *How to Renew Your Oregon Physical Therapist or Physical Therapist Assistant License* during the renewal season, which is more than 10% of our licensees.
- 85% of viewers watched the videos embedded in various pages on Oregon.gov/PT, rather than clicking through to watch it on YouTube.

## US Postal Service

- 4789 Flyers were mailed on February 28, 2024 to all licensees who had not yet submitted a renewal application.

# Internal Process Improvements Made in 2024

- Deferred background check to be completed after renewal season is over (returning to pre-2022 practice.)
- Will work with background check providers and licensing database software vendor to streamline background check process and procure more comprehensive results.
- Added additional datapoints to renewal records to enable staff to identify trends and pain-points for licensees.
- Used 2022 data to plan workload and staffing levels.
- Utilized specialized roles for staff within the review and approval process. Streamlined approval steps to allow subject-matter experts to process complete applications singlehandedly.
- Planned communications to allow for a soft-opening buffer, allowing staff to confirm that the licensing database was behaving as expected and allowing staff to fine-tune approval process before workloads increased.

# Submission Volume by Day: 2022 vs 2024

Renewals run from January to March 31 in even years. Graph shows the raw number of renewal applications submitted per day in 2024 compared to the same day of the year in 2022. Graph includes late-December/early-January soft launch volumes.

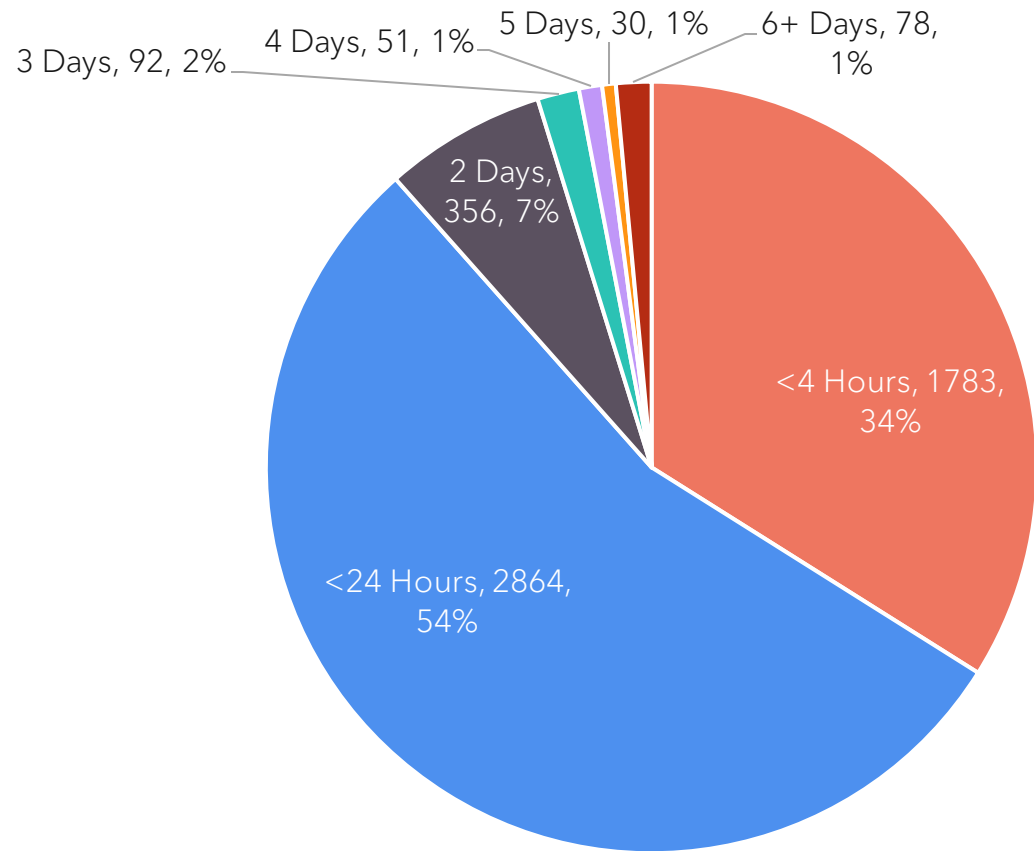

# Staff Workload in 2024

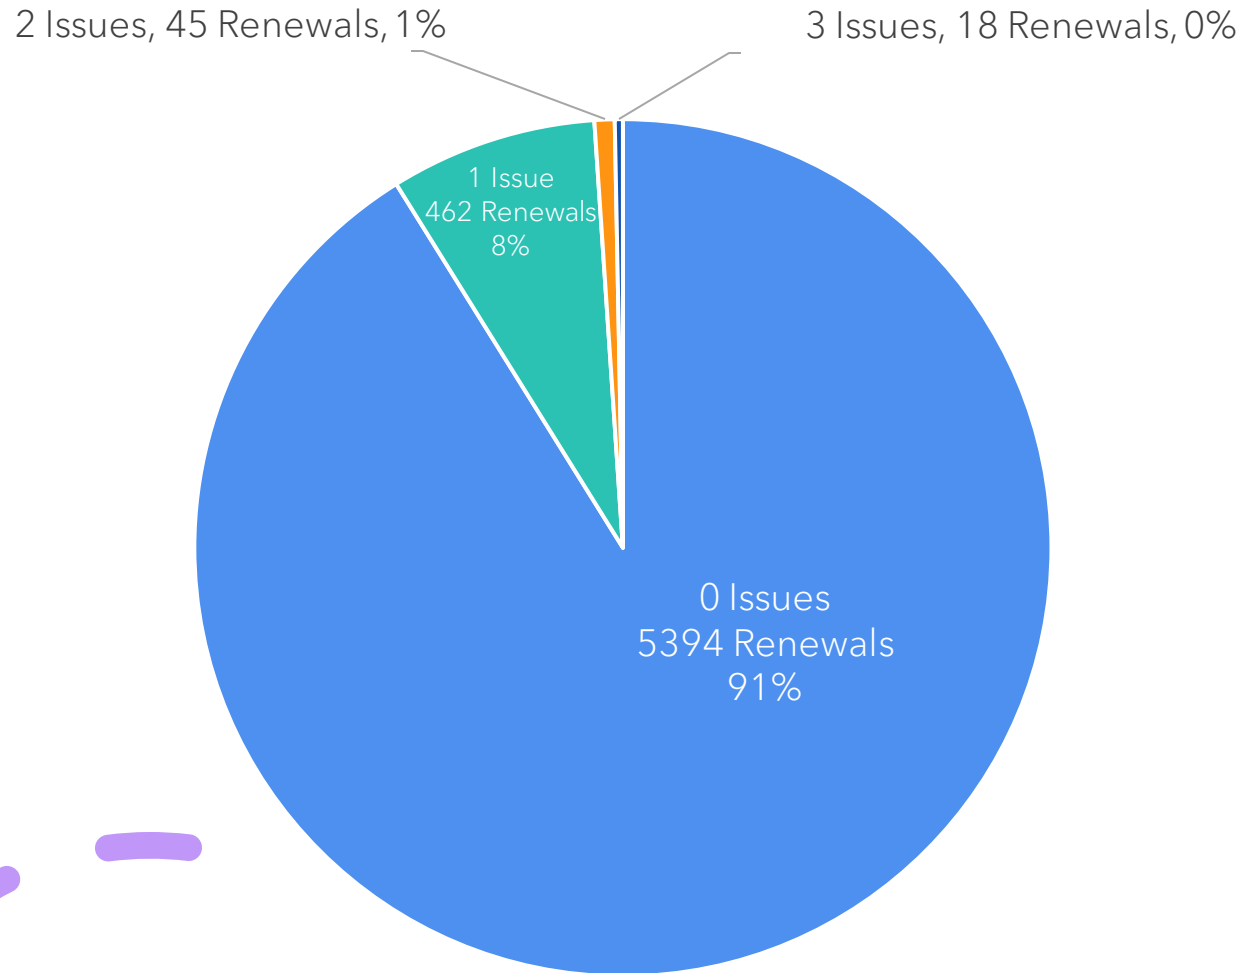

Submitted (Orange) shows the amount of work put on staff's plates per day; Approved (Blue) shows a *portion* of the work completed by staff per day. Approved does not account for work done by staff outside of the licensing database, or work done within the database that did not result in a renewal application's status changing to Approved.

# Staff Processing Time for Complete Applications

- Shows the amount of time between renewal submission and renewal approval for applications that are *complete upon submission*.
- *88% of Renewals submitted with no issues were approved in under 24 hours.*
- All Renewals with a processing time greater than 96 hours were submitted within the first 2 weeks of January (pre-launch).
- Renewal applications that required any corrections or additional actions by the licensee or staff are excluded from this chart.

# Tracking Issues on Renewal Applications in 2024

Beginning this renewal cycle, staff indicated on the internal licensing database whether the application had issues needing correction by the licensee at the time of initial submission.

525 applications required additional action by the both the licensee and staff, or around 9%.

In 2022, approximately 20% of applications required additional action.

# Total Elapsed Time for Applications with Issues

# 2024 Continuing Competency Completion

# Clinical and Non-Clinical Activities in 2024

The distinction between clinical and non-clinical activities was introduced in 2018 via administrative rule.

# Mandatory Continuing Competency Activities

*Changing the Conversation About Pain:* a 1.5-hour course presented by Oregon Pain Management Commission. In 2021 the legislature changed this from a course required at initial licensure only to a course required at every renewal. Required of licensees of 14 different Boards.

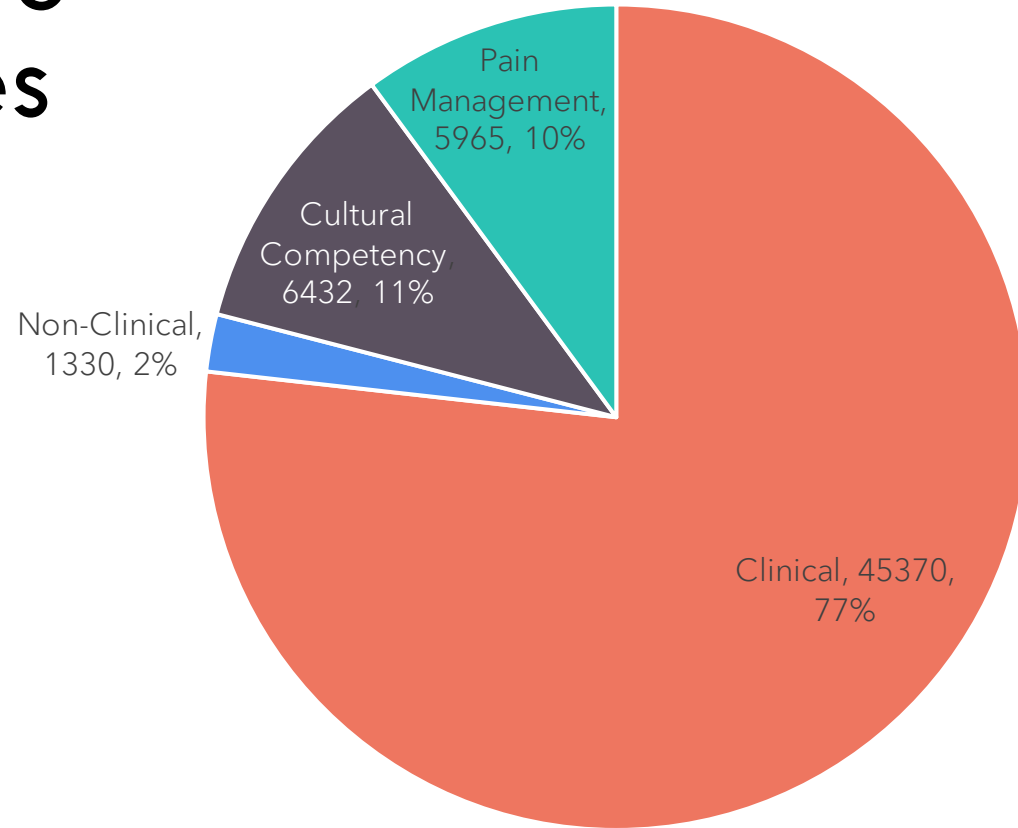

**Cultural Competency:** any course that met criteria set by OHA Office of Equity and Inclusion. Minimum course length was 1 hour. OHA maintains a list of courses that meet this requirement. OBPT staff maintained an additional list of courses that were reviewed by staff and found to meet the criteria. Required of licensees of 23 different Boards.

Both courses were first required in 2022. At the time, staff spent a significant amount of time educating licensees on the requirement and reaching out to licensees who did not complete the requirements correctly. Staff continued to experience these issues in 2024, but to a lesser extent.

# Mandatory Continuing Competency Activities

Mandatory courses accounted for roughly 20% of activities completed in both 2022 and 2024.

Together, the courses are a minimum of 2.5 hours. These hours count toward the licensee's total 12 or 24 hours of Continuing Competency Requirements.
