7 Educator Devon L. Dorn sought judicial review of the Final Order of the Teacher
8 Standards and Practices Commission in Case No. 2016-ABC-0006, dated June 27, 2019
9 as amended in the Order on Reconsideration dated November 13, 2019.

10 On December 8, 2021, the Oregon Court of Appeals issued its decision in Case
11 No. A168583 affirming that Final Order.

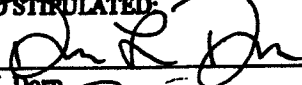

12 On January 10, 2022, Educator Devon L. Dorn sought and on January 11, 2022
13 received additional time within which to file a Petition for Review with the Oregon
14 Supreme Court to dispute the Final Order on some or all the grounds argued before the
15 Oregon Court of Appeals.

16 After review of the matters alleged, Dorn and the Commission agree that while
17 they disagree regarding the issues argued on appeal, their respective interests, together
18 with the public interest, are best served by agreeing to a specific effective date for Dorn's
19 revocation sanction in the Final Order instead of litigating the Final Order further before
20 the Oregon Supreme Court.

21 NOW THEREFORE, Dorn and the Commission agree as follows:

- 22 1. Dorn will waive her right to request review of the Final Order and Court of
23 Appeals decision before the Oregon Supreme Court.
24 2. The Commission agrees that revocation of Dorn's teaching license under the
25 Commission's Final Order of Revocation will not be imposed until and will commence
26 effective June 25, 2022. Dorn will be eligible to apply for reinstatement of her license on
27 or after June 25, 2023.
28 3. Dorn acknowledges that she has been fully advised of her rights, consulted with
29 counsel and voluntarily, without any force or duress, enters into this Stipulation.
