**STIPULATION OF FACTS**

1. The Commission has licensed Larsson since August 13, 2013. Larsson holds a Professional Teaching License, with an endorsement Advanced Mathematics (PK-12), valid from October 31, 2017 through January 29, 2023. During all relevant times, Larsson was employed by the Astoria School District (ASD).
2. On December 5, 2017, the Commission received a report from ASD indicating Larsson had engaged in possible professional misconduct. The district reported Larsson engaged in inappropriate physical contact with a student in an attempt to redirect the student. On December 11, 2017, the Commission received a second report from ASD regarding an additional physical interaction with another student who Larsson physically redirected in a manner that violated district policies.
3. Investigation determined that on three separate occasions during the 2017-2018 school year, Larsson physically and/or verbally interacted with disruptive students in a manner that violated district policies and established professional standards. ASD issued Larsson progressive discipline for the policy violations. On May 7, 2018, Larsson resigned her employment with ASD.
4. Larsson acknowledged that the student age range and local school culture was not a good fit for her and her prior experience teaching older, more mature students at a district that embraced a culture designed to hold students more accountable.
