**STIPULATION OF FACTS**

1. The Commission has licensed Barrie since July 26, 2010. Barrie holds a Professional Teaching License, with endorsements in Advanced Mathematics (PK-12); English to Speakers of Other Languages (PK-12); Foundational Science (PK-12); and Legacy Middle School (PK-12), valid from March 22, 2017 through June 12, 2022. During all relevant times, Barrie was employed by the Redmond School District (RSD).
2. On July 17, 2017, the Commission received a report from the RSD indicating Barrie may have committed an act of gross neglect of duty and/or gross unfitness. Specifically, that Barrie had written a letter to a student that contained overly personal information and crossed professional teacher / student boundaries.
3. On or about June 7, 2017, district administrators received a complaint regarding a graduation note Barrie gave to AS, a female student and graduating senior. Investigation determined that the content of the note indicated an appreciation for AS and her efforts, it did not appear to be sexual or romantic in nature. AS and her parents were interviewed, and they too agreed the intent of the note was in support of AS. In the note, Barrie provided his personal cellphone number. AS advised that Barrie had been supportive and gave her encouragement. AS stated she never felt like Barrie had any other intentions towards her. RSD determined Barrie's conduct violated district policy related to professional boundaries and issued Barrie a written reprimand. Prior to any of these allegations, Barrie had already submitted his resignation to be effective at the end of the school year.
