

BEFORE THE TEACHER STANDARDS AND PRACTICES COMMISSION
OF THE STATE OF OREGON

In the Matter of the
Teaching License of

TRACY REAGAN

STIPULATION AND ORDER
OF SUSPENSION

On July 20, 1999, the Teacher Standards and Practices Commission (Commission) issued a Notice of Opportunity for Hearing to Tracy Reagan. Thereafter, Ms. Reagan requested a hearing through her Attorney, John Bishop. The Commission and Ms. Reagan have now reviewed the issues connected with this proceeding and have determined that their respective interests and the public interest are best served by a stipulation to certain facts and a suspension of Ms. Reagan's Oregon Teaching License, followed by a period of probation. Ms. Reagan understands that in entering this stipulation she is waiving her right to a hearing, and the Commission will enter a suspension of her teaching license. She further understands that upon reinstatement of her license, she will be placed on probation subject to specific conditions.

STIPULATED FACTS

Ms. Reagan and the Commission stipulate as follows:

1. Ms. Reagan holds a Basic Oregon Teaching License with an endorsement in elementary education. During the 1998-99 school year, she was employed as a kindergarten teacher at May Roberts Elementary School in the Ontario School District.

2. In February 1999, on more than one occasion, Ms. Reagan consumed alcohol while on duty as a teacher. As a result, the School District placed her on administrative leave pending disciplinary action. On February 23, 1999, Ms. Reagan submitted her resignation to the district.
