4 Professional Practices. This Stipulation is contingent upon approval and adoption of the Order

14 **CONCLUSION OF LAW**

15 On August 1, 1995, Wisely applied for renewal of his Oregon Teaching License and  
16 answered "no" to all character questions. He should have answered "yes" to questions one, two  
17 and three as a result of his separation from Battle Ground School District. On the form Wisely  
18 also failed to include reference to the Battle Ground School District employment in 1992-93.  
19 This information was pertinent to his eligibility for renewal of his teaching license. Wisely's  
20 false statements regarding his employment history and separation from employment were a  
21 violation of ORS 342.175(1)(e) and OAR 584-020-0040(4)(c).
